Structure, governance and management

The Company is a registered charity and a company limited by guarantee (incorporated). The charity is governed by its Memorandum and Articles of Association and Trustees are appointed in accordance with these.

Harlow Hilltop Pre-school Limited trades under the name 'Little Crickets Pre School'.

The Pre-school operates under the management of a Board of Directors with the day to day operation of the company managed by the Pre-school Manager.

The Pre-School currently employs 14 members of staff and an administrator. We also have 4 members of staff on zero hour contracts.

It provides care for up to 36 two-four year old children in morning sessions and up to 36 children in the afternoon session.

The Pre-school had increased levels of take up of child places throughout the year.

The annual general meeting is held in the Autumn Term and committee meetings are held every half term.

Objectives and Activities

The charity's objective is to enhance the development and education of children primarily under the statutory school age by encouraging parents to understand and provide for the needs of their children through community groups and by:

- 1 Offering appropriate play, education and care facilities, and family learning and extended hours groups, together with the right opportunities for all the children whatever their race, culture, religion, means or ability

However, thanks to the efforts and support from staff, parents and volunteers and our involvement in the Two Ridings grant scheme we still managed to raise a higher amount than the previous 4 years. We rely on this fundraising support to enable us to purchase new educational aids to maintain provision of a high-quality service for our children.

Public Benefit

The trustees have had due regard to the guidance issued by the Charity Commission on Public benefit.

Achievements

- 1 Managing the Covid 19 pandemic and supporting the community by remaining open for key workers and vulnerable children throughout. Also reopening more broadly from June 2021 with detailed procedures within government guidelines to minimise any risk to children, parents and staff members.
- 2 Delivering a fourth year of strong surpluses, driven by continued high numbers of children/sessions booked, enabling continued reinvestment back into the Pre-School.
- 3 £3500 reinvested back into the Pre-school behind 2 new laptops for the Manager and Administrator, continued improvements to and resources for the upstairs room and more signage to drive awareness of the pre-school plus a new dishwasher and continuous staff training.
- 4 Replacement of key trustee members.

Trustees' Report

Financial review

Reserves

- 1 Held in line with the Charity Commissions guidelines
- 2 Surpluses over this level are invested into the setting to maximise the objectives as set out above

Funding

The charity's funding is received from three main sources:

- 1 From fund raising activities held throughout the academic year
- 2 From the payment of session fees by the Local Authority (for three to four year olds for the universal 15 hour provision and extended 30 hour entitlement).
- 3 From parents

Future considerations

We will continue to follow government guidelines with respect to the on-going Covid pandemic. This will likely make fundraising during 21/22 challenging, so we will continue to look for new and different ways to fundraise.

We will continue to look for ways to advertise and promote Little Crickets to ensure demand/bookings increase throughout the academic year 21/22.

We will finalise the new lease with the cricket club which ends in January 2022.

We will endeavour to recruit new committee members/trustees from November 2021 due to old members of the committee stepping down.

We will strive to achieve outstanding in our next Ofsted inspection, which is expected in the next few years. We will maintain our high standards and achievements.

Notes to the Financial Statements for the Year Ended 31 August 2021

1 Charity status

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Harlow Hilltop Pre School Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Harlow Hilltop Pre School Limited

Notes to the Financial Statements for the Year Ended 31 August 2021

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £0.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Land and buildings	20% straight line
Fixtures and fittings	25% reducing balance

Harlow Hilltop Pre School Limited

Notes to the Financial Statements for the Year Ended 31 August 2021

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.
