## Achievements and performance during the last 12 months

Up to the start of the Covid Pandemic outbreak, approx mid March 2020, the complex continued to be used extensively by a number of local groups and sports sections, some by way of renting the premises for commercial use and others on non profit making activities.

In particular there has been use of the complex playing areas and pavilion by Worsbrough Bridge Athletic football section, Worsbrough Bridge Athletic Cricket section, Barnsley Brass and Barnsley Bowling Club.

Others such as the U3A organisation, a local Art group, Hearts of Oak, Weight Watchers and Northern Jive Dance group have used the main hall facility regularly. There have been numerous other users of the main hall facility and complex, such as local church groups, wedding and birthday party bookings.

After the start of the pandemic, virtually, if not all, use of the buildings and complex ceased and financial support was obtained from local sources, including Barnsley MBC. Another cost saving measure was the agreed departure of the caretaker/venue manager, with volunteers taking on roles between them. There was brief period around October 2020, when government lockdown rules were relaxed a little, which saw some limited use.

Registered company number: 04617855

## Trustees' Annual Report for the year ended 31 December 2020

As result of the pandemic, normal rents from the sporting sections were waived as much as possible. In order for the charity to gain income in the future a sister, none profit making company called Miners Welfare was set up to run bar events which would not have been covered by the charity operating. This company will donate all its profits to WSDA and hence it is hoped that this will assist recovery after the pandemic

#### Plans for the future

The trustees aim to move towards normal activities after the pandemic with the new bar company providing extra funds

The trustees have had plans drawn up for further main hall refurbishment, starting with the toilet and main entrance areas. Our aim is to obtain funding towards the refurbishment.

Worsbrough Sports and Development Association are registering for Gift Aid through the Charities Commission.

## The Charities policy on reserve funding's

As the complex, including a main changing room facility, a main hall, attendance spectator stands and other smaller buildings is extensive and valued in the region of £1,000,000 to replace (insurance purposes), the trustees have set a lower limit of £15,000 that the reserves should not fall below. No major spending when funds are below this amount, by any trustees, can take place without full consideration by a trustees meeting.

The balance at the end of this financial reporting year is approximately £15,000 and as such the trustees are taking to ensure that is maintained.

## Trustees responsibilities for the financial statements.

The trustees (with an appointed treasurer) are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity at any one time and enable the trustees to prepare statements each year. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregular activities.

## Financial position and sources of funding's

The financial position is set out in the detailed accounts which are an integral part of this submission.

The charities funding are from 3 main sources:

Those renting or hiring the main hall for personal or commercial use.

Rental contributions from the various sporting and other sections as detailed above.

Securing of funding's from other local bodies and charities from time to time.

## Statement of Directors' and Trustees' Responsibilities

The trustees (who are also directors of Worsbrough Sports and Development Assoiation for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business:
- state whether applicable UK accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- observe the methods and principles in the Charities SORP.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements are set out on pages 7 to 16.

This report was approved by the board of trustees on 22nd September 2021

## Independent examiner's report to the Trustees of Worsbrough Sports and Development Association

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2020 which are set out on pages 7 to 16.

## Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

The charity's trustees consider that an audit is not required for this year under Part 16 of the 2006 Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention

## Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

## Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

# Independent examiner's report to the Trustees of Worsbrough Sports and Development Association

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Material prior year errors

No material prior year error have been identified in the reporting period (3.47 FRS102 SORP).

## 2 Accounting policies

## 2.1 INCOME

## Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- · it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

## Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

## **Grants and donations**

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

## Legacies

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

## Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

# **Donated goods**

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

## **Donated services and facilities**

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

#### **Support Costs**

The charity has incurred expenditure on support costs.

# Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

## Income from interest, royalties and dividends

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

## Income from membership subscriptions

Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.

Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.

## 2.2 EXPENDITURE AND LIABILITIES

## Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

## Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

## **Grants with performance conditions**

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

## Grants payable without performance conditions

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

## Redundancy cost

The charity made no redundancy payments during the reporting period.

#### **Deferred income**

No material item of deferred income has been included in the accounts.

# **Creditors**

The charity has creditors which are measured at settlement amounts less any trade discounts.

## **Provisions for liabilities**

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

# **Basic financial instruments**

The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.
