

**TRUSTEES ANNUAL REPORT, LICHFIELD LIONS CLUB (CIO) 1190314**  
**Year ending 30 June 2021.**

The club became a CIO on 9<sup>th</sup> July 2020.

The first year has been a difficult one for all Lions Clubs, who generally raise funds from the public, because of the COVID pandemic.

The club was able to continue its work, from reserves, and the seeking of funds from Charitable organisations such as The Cooperative movement.

We look forward to the situation easing, so that we can re-commence our usual contact with the public, for our fundraising and service events.

The Trustees have continued to comply with the Lions Clubs CIO Constitution, and exercise due regard to requests for funding/assistance, etc.
