

**TRUSTEES REPORT**  
**L21 COMMUNITY JUDO CLUB 1171428**  
**33 SANDHURST CLOSE, SEAFORTH, LIVERPOOL. L21 0GW**  
**TONY McKEON, PAUL BENSON, TONY O'NEIL**

**Charity Structure**

Our structure is one of three trustees with Tony Mckeon also being our Chairman.

Paul Benson also our treasurer,

And Tony O'Neil.

Together we decide how to best run the charity in the interest of our local residents with children being our primary target. With there being an odd number of trustees this helps with the decision making process as there is always a majority decision, together we discuss any options presented to the charity and discuss the options before voting.

We decided to have only three trustees at the moment with our recruitment process being that we were best suited to people who have been around the judo club for some time so therefore know how we are within the community and how we work as a judo club within it.

**The Years Activities and Objectives**

This year our main objective was to continue with the Community Centres works with more being carried out in the last twelve months. We feel we are almost ready to poen fully with a few miner tasks to still be completed.

Our secondary aim was to have other groups in the Community Centre using it on a regular basis, we have to date had Morris dancers, Aikido, Modern Dance, Taikwondo and a Gymnastics group at the centre.

**Achievement's**

This year we have achieved in gathering more momentum within the community and currently have hundreds of people coming through the doors weekly, we have secured funding from multiple funding organisations and have carried out more free judo for schools with the help of one of these funding grants, this included twenty children at a time coming to the club and having twenty lessons and a judo suit to practise in with many of the students staying on as full time members.

**Finances**

This year we made £10,144 in profit.

We currently have a reserves policy of £3000

Debts this year are at nil
