Objectives and activities

Aim for Change is committed to helping as many children and adults as possible who are living in poverty; working at present in Uganda and Pakistan through:

- Giving children the opportunity of education
- Improving health care through fresh water boreholes and medical facilities
- Enabling people to support themselves through animal projects/small businesses

To facilitate this work, it is important that we maintain the ethos of Aim for Change.

Achievements and performance

Education

The charity cares for many children and young people, including orphan/street/refugee children of Uganda and orphan/refugee/abused children of Pakistan. We support several schools, in Uganda, helping to provide school materials, resources and in some cases, funding for building work. All schools supported were built by the charity. During 2020, a new toilet block was constructed at Bakka School in Uganda to improve the sanitation and hygiene of the pupils. In October 2020, work commenced to build a dormitory to accommodate up to 100 pupils at the school. Electricity poles and cables were also installed, bringing power to this very rural location. An increasing number of the young people in our care have now progressed to vocational training and university degree courses, on completion of their Secondary education. In Mbarara, where, through sponsorship, the charity supports a large number of former street children, several students have now graduated, secured employment and are voluntarily contributing towards the education costs of new intake street children. During the pandemic, one of the young men, studying Clinical Medicine has been volunteering, administering Covid vaccines at a hospital. Young people in Lira have also graduated or are nearing the completion of higher education courses. In Pakistan, the small school in our orphanage has continued to grow in numbers attending. The charity continues to help provide school equipment and materials for this school, as the need arises and also for a small school in a refugee colony in Islamabad.

Health Care

Through grants many fresh water boreholes have been provided in Uganda in communities and at schools, where the water is also accessed by the wider community. Boreholes have also been provided in Pakistan. Personal hygiene packs have been distributed to pupils at Bakka School, Uganda, where a toilet and shower block has been constructed and a freshwater storage tank has been installed, along with water harvesting and storage facilities. The construction of toilets and showers at Amazing Grace School and Orphanage has also been completed.

Self sufficiency

The charity provides individual animal projects/cultivation/farming/large community projects which include; water provision, cultivation, animals, sewing projects and small businesses. We have many chicken/pig/goat projects. During the pandemic, funds have been provided for families to purchase seeds on several occasions and our projects have also supported their local communities by providing food for those starving due to the effects of Covid-19.

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;

Independent Examiner's Report to the Trustees of Aim for Change (Charity No 1107924)

I report on the accounts of the charity for the year ended 31 March 2021 which are set out on pages 5 to 6.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
