TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2021

The trustees present their report and financial statements for the year ended 31 August 2021.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document:

Gloucestershire Academy of Music (GAM) is a charitable company limited by guarantee, governed by its memorandum of association adopted on 20 February 1993.

Trustee selection methods:

Trustees are appointed by the members of the company either to fill a casual vacancy or as an addition to the Board of Trustees, provided the prescribed maximum of 10 Trustees is not exceeded. The Trustees in their capacity as members of the company and directors actively and regularly review the composition of the board and the skills represented on it.

Organisational structure:

The Charity operates under a governing Board of Directors consisting of the Trustees, the Artistic Director and Executive Director as well as specialist advisors, such as the President, also attend Board meetings which are held (on average) every other month.

A Finance Committee meets at least 3 times per year and is involved with preparation of the business plan and financial projections.

The day-to-day management of the Charity is delegated to the Executive Director and the Artistic Director.

Trustee induction and training:

Trustee induction and training has been carried out this year with the appointment of a new trustee.

A Disclosure and Barring Service check is completed for Trustees in accordance with Government and/or Charity Commission guidelines for charities working with children and/or vulnerable adults. Trustees are also asked to undergo certificated safeguarding training.

Related parties:

GAM is a partner in the Gloucestershire Music Education Hub (branded as Make Music Gloucestershire), which distributes funding from Arts Council England and is GAM's primary investor. Other investors in 2020/2021 were The Architectural Heritage Fund, Brimpsfield Music Society, Garfield Weston Foundation, Gloucestershire Community Foundation, The Langtree Trust, The Honeymead Trust and the Honourable Company of Gloucestershire Charitable Trust.

GAM worked with 11 external partners throughout the year. GAM's key partnerships were with Cheltenham Festivals, the Carducci String Quartet, Make Music Gloucestershire, Gloucestershire Boys' Choir, Jackie Shewell-Thomas Ballet and the Flowers Band. GAM supported Gloucestershire Symphony Orchestra in the development and delivery of Gloucestershire Young Musician of the Year. GAM has continued to provide an exam centre for ABRSM exams.

GAM is grateful for its partnership with Cheltenham's Dean Close School which accommodates GAM's Saturday afternoon activities and this year hosted more than 150 young musicians at The Big String and The Big Blast workshops. The latter was a new venture for wind players throughout the county. Dean Close has supported GAM's Inspire project, as well as hosting the Gloucestershire Young Musician of the Year contest in the past. During the summer, GAM's Inspire orchestra recorded a concert as part of the Cheltenham Festival Music for Schools event. More than 12,000 school children have seen the video online. Rendcomb College worked with GAM to host this year's popular adult Early Music Course, a residential week attended by 70 participants in August.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

Risk management:

Risk management assessments have been at the forefront of GAM's activities particularly with the onset of the pandemic and its effect on the organisational and financial aspects of the academy. The Trustees assess risk on a rolling basis as part of an organisational development programme.

The programme of work is set out in a business plan which ensures that the proposed level of activity is within GAM's financial and human resource capabilities. The plan is approved by the Trustees before implementation and projects or programmes are not initiated unless adequately funded.

All personnel, including trustees and volunteers, who are in regular contact with children or vulnerable adults are required to undergo an enhanced Disclosure and Barring Service check and to undertake safeguarding training.

OBJECTIVES AND ACTIVITIES

Objects of the charity:

GAM exists to advance public education by the promotion of the study, practice, knowledge and appreciation of the art or science of music and other performing arts.

GAM's activities were guided by its mission statement for the year, which is to:

- Play a key role, with partners, in ensuring all children and young people in Gloucestershire have access to the proven benefits of music.
- Provide access, development and progression opportunities for children, young people and adults; leading the way in classical music education through working with schools, training music teachers and providing top quality tuition using our holistic, proven teaching approaches.
- Work with partners to build and sustain Barbican Arts as an exciting and inclusive performing arts
 centre that opens up opportunities, enriches lives, sparks new collaborations, develops talent and
 inspires through engagement with professional artists.

Public benefit:

In planning GAM's activities for the year, the Trustees kept in mind the Charity Commission's guidance on public benefit.

A strong focus was placed on maintaining an online presence during Covid lockdowns to ensure there was minimum disruption to our provision and that students and staff could access our activities safely.

The main activities undertaken for public benefit during 2020/21 were:

- a programme of organisational development driven by the aims of improving efficiency, maximising impact and reach through partnership and extending reach and diversifying the range of student beneficiaries
- to plan for an exciting future for Barbican House, GAM's headquarters, to maintain and develop its engagement with a broad cross-section of communities
- whole class, small group and 1-1 tuition in schools, making music accessible to a broader range of children and young people
- sustaining a diverse and attractive programme of group sessions and courses, as well as individual tuition, at GAM's centres in Gloucester and Cheltenham

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

- development of an inclusion and community engagement programme underpinned by a focus on extending the benefits of music to those for a broader diversity of cultural and ethnic backgrounds
- running a bursary fund to bring down financial barriers to engagement in GAM's services. A fast-track
 version of our bursary scheme was set up soon after lockdown to assist participants from families
 facing economic challenges due to the pandemic. This fund has helped nearly 30 students in the past
 year and continues to do so.

ACHIEVEMENTS AND PERFORMANCE

GAM's reach has been growing year on year. The Covid pandemic of 2020-21 has affected our school delivery and the number and range of external performances that we have been able to undertake. We are proud that we have provided uninterrupted delivery of our termtime operation through online lessons and group activities. And among our major successes this year, despite Covid, were The Big String and its new sister event The Big Blast. These events were held just as lockdown lifted in the Spring of 2021and saw in excess of 150 young musicians from the county and beyond involved in music making activities. Another outreach success involved Cheltenham Festival in July and the summer holidays saw 70 adults attending a residential Early Music Course plus three holiday courses for young musicians of varying abilities. Despite the lockdown, we achieved the following over the 20/21 year:

- Worked with 1,788 participants, aged 3 to 18
- · Reached participants from 144 different schools, 19 of which are outside Gloucestershire
- · Arranged or took part in 15 public performances
- · Reached audiences numbering 2,299 in total
- Delivered music activities to 43 schools from all parts of Gloucestershire
- · Contracted 57 music leaders to deliver lessons, workshops, courses and masterclasses
- · Worked with 11 partner organisations
- · Assisted 30 participants through our bursary scheme

Development of Barbican House

The board and GAM team have worked hard to maximise use of Barbican House, welcoming users who share GAM's vision for inclusive and high-quality performing arts provision. The Flowers Band are based in Barbican House and will be working with GAM in the future to develop their youth offer and have already enhanced GAM's brass programme. The Nethra Academy of Performing Arts are willing to plan partnership work with GAM in the future. Jackie Shewell-Thomas now runs her dance classes after school here and there have been successful projects involving her dancers and GAM musicians. Gloucestershire Boys' Choir and ABRSM examinations all take place at Barbican House. We also house the Cheltenham Trust's Gamelan, which is used for workshops by schools, adults and holiday courses.

Hire income from these additional users will help us to meet our building maintenance and overhead costs, though during periods of lockdown, we have assisted the survival of these groups by not charging hire fees.

Proposed purchase of Barbican House

Preparations to consolidate GAM's presence in Gloucester involved the proposed purchase of Barbican House from Gloucester City Council. Lengthy negotiations have taken place for this milestone project involving the appointment of a professional fundraiser Jacqueline Kingsley. Plans have moved on apace during the past year with a 40th Anniversary Appeal planned for the Spring of 2022 along with a series of high-profile concerts involved GAM alumni. Our fundraiser has already raised money for the enrolment of a professional marketing and communications team, who have revamped our website and are preparing for a crowdfunding and publicity project in February. She is now working on bids to match fund the crowdfunding appeal as part of a £500,000 target.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

Music programme:

GAM has shown an impressive ability to adapt during the past 18 months. Although our school-based programme has been difficult to deliver during the pandemic, we have retained 85% of our termtime students throughout the year, enabling them to access our activities online during closures and social distancing measures. Our frequent refreshing of risk assessments has meant that we have been able to adapt quickly to the ever-changing circumstances and have kept our students and staff as safe as possible from Covid infection.

We were able to deliver our holiday courses face-to-face, albeit with social distancing and infection control measures in place. We are pleased to have been able to keep our learners learning and our teachers working throughout the pandemic.

FINANCIAL REVIEW

Reserves policy:

It is the Trustees' policy to maintain sufficient funds to satisfy both the current programme of work as well as providing a base reserve of unrestricted funds.

These funds may be used to cover a funding shortfall in a project, either to its planned conclusion or to bridge a gap in its targeted funding. In addition, there is a contingency fund available for unforeseen organisational obligations and future salary commitments.

Details of any funds materially in deficit:

No funds were in deficit.

- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

Charity information

Gloucestershire Academy of Music Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is Barbican House, 31 Barbican Road, Gloucester, GL1 2JF.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income has been met, it is probable that the income will be received and that the amount can be measured reliably.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income received in advanced of the provision of a specified service is deferred until the criteria for income recognition are met.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

(Continued)

Donated professional services and donated facilities are recognised as income when the charity has control over the item or received the service, any conditions associated with the donation have been met, the receipt of economic benefit from the use of the charity of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), volunteer time is not recognised so refer to the trustees' annual report for more information about their contribution.

On receipt, donated gifts, professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income from government and other grants, whether "capital" grants or "revenue" grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probably that the income will be received and the amount can be measured reliably and is not deferred.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is classified under the following activity headings:

- Cost of raising funds relate to the costs incurred by the charitable company in inducing third
 parties to make voluntary contributions to it, as well as the cost of any activities with a fundraising
 purpose.
- Expenditure on charitable activities includes the costs of term-time courses, holiday courses, Schools Music Agency, bursaries and Barbican project undertaken to further the purposes of the charity and their associated support costs.
- · Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Grants payable are made to third parties in furtherance of the charity's objects. Single or multi-year grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and that any condition attaching to the grant is outside of the control of the charity.

Provision for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Resources expended are allocated to the particular activity where the cost relates directly to that activity. However, the cost of overall direction and administration of each activity, comprising the salary and overhead costs of the central function, is apportioned on the following basis which are an estimate, based on staff time, of the amount attributable to each activity.

Support costs are re-allocated to each of the activities on the following basis which is an estimate, based on staff time, of the amount attributable to each activity

0	Term-time courses & Hub	73%
0	Holiday courses	19%

1.7 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Instruments and equipment	15% reducing balance
Piano	15% reducing balance
Computer equipment	15% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. 1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.14 Leases

Rentals payable under operating leases, including any lease incentives received, are charged as an expense on a straight line basis over the term of the relevant lease.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
