Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2020.

Objectives and Activities

Objects and aims

- i) The objects for which the company is established (the 'Objects') are restricted to: the preservation, protection and improvement of the physical environment by:
 - promoting knowledge and understanding of the natural environment and its inter-relationship with the social and economic activities of man;
 - advancing the education of the public in the theory and in particular the practice of permaculture, conservation and sustainability issues through the provision of workshops and facilities for self-sufficient living;
 - promoting artistic programmes to raise awareness of ecological, environmental and global issues; and
 - such other means as are charitable.
- ii) The promotion of the arts by the provision or assistance in the provision of facilities including accommodation and resources particularly for all forms of participatory arts.
- iii) The relief of sickness and the preservation and protection of good health by the provision of facilities, accommodation and ancillary services for respite and recuperation of persons undergoing medical treatment, including those who have recently completed courses of treatment, their families and carers. In each case for the benefit of the public.

Objectives, strategies and activities

- Internship Program and mentorship for those interested in sustainable food production
- Community engagement in local sustainability campaigns
- Applied equine assisted therapy for an individual dealing with mental health challenges
- Bridge Programs for those striving to reshape the outcomes of their future
- Providing healthy food for local Foodbank and other food initiatives who've had an increase of clients during the Covid pandemic.
- Bridge Program focused on capacity building for several young people
- Permaculture Design Scholarships for several interns with an external Teacher
- Provision of accommodation for volunteers who are using and assisting with activities run by the charity

Use of Volunteers

Most of the volunteers are helping the charity for a specific reason and consist of those people who are either being helped, or were previously helped, by the charity.

Some of these volunteers are living on site and therefore this enabled the charity to continue to provide their activities and services during the COVID-19 pandemic by assisting in the growing and provision of food to the local foodbank.

Trustees' Report

Structure, Governance and Management

Recruitment and appointment of new trustees

Under the requirements of the Memorandum and Articles of Association the minimum number of Directors is two.

Induction and training of new trustees

New Directors are appointed by the current Board of Directors where a need is identified. New Directors are provided with all relevant documentation on the charity to enable them to carry out their duties.

Financial Review

During the year income was £78,024 (2019: £57,982) and expenditure was £81,724 (2019: £43,798). This resulted in a surplus of £800 (2019: £14,184).

During the year the Charity has spent £Nil (2019: £12,986) on capital expenditure.

Reserves policy

Trustee

At 31 December 2020 net assets were £85,824 (2019: £85,024).

Statement of Trustees' Responsibilities

The trustees (who are also the directors of The Fleetwood Initiative for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures
 disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the trustees of The Fleetwood Initiative

I report on the accounts of the charity for the year ended 31 December 2020 which are set out on pages 6 to 13.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my or	pinion, attention should be c	drawn in order to enable	a proper understa	nding of the accounts
to be reached.

Notes to the Financial Statements for the Year Ended 31 December 2020

1 CHARITY STATUS

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

2 ACCOUNTING POLICIES

Summary of significant accounting policies and key accounting estimates.

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

The Fleetwood Initiative meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Notes to the Financial Statements for the Year Ended 31 December 2020

2 ACCOUNTING POLICIES (CONTINUED)

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Legal and administrative costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees' meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Improvements to property- not providedPlant and machinery- 25% on costFixtures and fittings- 25% on cost

Motor vehicles - 25% on reducing balance

Debtors and creditors receivable/payable within one year

Debtors and creditors are recorded at the value of the invoice receivable/payable

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.
