There were no Matters Arising

CHAIRMANS REPORT Chairman Nick Thompson reported the following;

Since the 2020 AGM on the 3rd November we have been heavily influenced by the ongoing Covid crisis with the Centre in Lockdown for part of the past year. Members kept in touch and where funds allowed improvements were able to be carried out. This involved replacing the Kitchen flooring, upgrades to the Alarm system and some replacement of pipework.

The outside of the Centre has been painted which with the help of West End Parish Council supplying the Scaffolding has been a huge improvement to the Centre, also the long term damp problem has been addressed by the removal of a disused chimney.

One further improvement has been the long awaited New Curtains in the Ken Morris hall, they have transformed the room, regular meetings started again in April and it was then the Committee decided to recruit Barry Du-Crow for the vacancy of Daytime Caretaker, Barry has brought new energy and practical skills to the Centre.

Gradually our regular Hirers have returned and things are almost back to normal, a Mens Shed Group was suggested by one of our Committee members, although delayed by the Covid, there has been enough interest from the Parish they are holding the first meeting this Wednesday, all the Committee wish them the best of luck. Although we have had some money from Grants none of our Fundraising activities were able to go ahead this year, It has been an uncertain year but the Committee members and the Caretakers have continued to support Hilldene for which I thank them, thanks also to the Parish Council for their support.

TREASURERS REPORT Beverley Du-Crow gave out copies of the Audited Accounts and her report is as follows, This is for the year ending 31st March 2021 and encompasses the year of the Covid pandemic, figures are very different to previous financial year as the Centre was closed for a substantial period. Rentals were reduced from £53,074 in year ending 31st March 2020 down to £11,865. We were fortunate to receive grants from Eastleigh Borough Council totalling £12,500 plus furlough payments for the caretaker and bookings officer roles, cleaning costs were substantially reduced as were the energy bills.

As reported we were able to carry out some improvements to the Centre during the closure. Activities have gradually resumed so income is returning to normal since the accounts were completed. We have also been able to complete the exterior paint work and purchase the new

curtains which will be shown in next years figures ,we have also been unable to hold any fund raising events, offer car parking or have stall at the Carnival but hope these will resume next year. Finally I would like to thank our Auditor Lorraine Healy for again checking our accounts. (full report on file) The Accounts and Report were proposed by Annie Burns, seconded by Martin Hare, agreed by show of hands.
