2ND HERRINGTON SCOUT GROUP NOTES TO THE ACCOUNTS AS AT 5th APRIL 2021

5 Special Reserve & Post Balance Sheet Events.

A reserve of £7000 of the bank deposit account balance had been set aside as a as a special fund for future development and projects. During the year ending April 21 this reserve was released to fund the project detailed in note 6. This reserve is now fully released

6 Repairs

During the year major renovation work was carried out on the headquarters building. This included the provision of disabled toilet facilities and rebuilding the existing toilets. Repairs to the kitchen area and the rendering of the concrete sectional exterior walls to prevent further deterioration taking place. Along with electrical work and the provision of a new alarm system.

The total cost of these works was £32309.48 and was funded by grants of £24437.15 detailed in Note 2 with the balance from group funds.

7 General Information

Like many organizations 2nd Herrington Scout Group was greatly affected by the Global Pandemic and was unable to operate normally since the first lock down in March 2020. This meant that normal income streams were cut off. The grants received from Sunderland Council sustained the general running of the group and have generated a reserve to continue the operation of the group going forward as things begin to open up.

Whilst the group is in a very strong financial position there is still a degree of uncertainty as to the future. From the feedback received the group is confident that the youth sections will return in good numbers and give a strong platform to build back up to the pre pandemic levels, indeed there is evidence to suggest from enquires received that the numbers could well be back to those levels quite quickly. However the main income streams come from the use of the premises by outside organizations, jumble sales and other fund raising events and there is less certainty as to when and if these will be able to restart.

Historically the group has a break even position with income of around £7500 - £8000 per annum so the strong balance sheet means the group is secure in the short to medium term and can face the future with optimism.

Independent Examiner's Report

Independent examiner's report to the trustees of 2nd Herrington

I report on the accounts of the Trust for the year ended 31 March 2021.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) But that an independent examination is needed, in accordance with the financial rules of the charity.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act
 - have not been met or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
