TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their annual report together with the audited financial statements of the Ark Medical Trust for the 1 April 2020 to 31 March 2021. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the group and the Company qualify as small under section 383 of the Companies Act 2006, the Group strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

The principal objective of the Charity continues to be providing sponsorship of rooms for patient community groups to hold regular meetings. The Charity also offers support by funding one-off events where appropriate. This is achieved through the Charity's trading subsidiary (Ark Conference Centre Limited) (ACCL) which operates a conference and education centre with particular emphasis in the medical sector.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

During 2020, and in line with government guidelines, the implementation of social distancing imposed severe restrictions on social events, training and general normal working practices.

For the year ending 31st March 2021 all conference and educational activity was effectively cancelled as a result of the pandemic.

The Ark premises became the gold command centre for Hampshire Hospitals response to COVID. All the rooms were occupied by NHS staff critical to this response. This created the ability to work in a COVID-secure way but more importantly to allow expansion of clinical space within the hospital itself.

The main lecture theatre became the vaccination centre for all the Trust's staff – completing over 10,000 vaccinations – and any spare rooms were used for PPE training and staff well-being spaces.

This has been a difficult year for all those involved in healthcare but the close links between the Ark and the Trust meant that the effect of the pandemic on the operational workings of the hospital was mitigated to a great extent.

The Ark Medical Trust's community groups were unable to meet within the centre due to restrictions and the yearly Ark Annual Dinner has been postponed until social distancing measures allow. However, the Rrapid Training courses provided by the hospital and sponsored by ourselves were able to take place.

On behalf of the Trustees, we wish to thank the Ark Conference team for continuing to be professional and flexible whilst working throughout the pandemic, many taking on new roles and working across various departments.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Financial review Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Reserves policy

It is the policy of the Charity to aim to build its free reserves to a level which equates to approximately a year's unrestricted expenditure for the group. The trustees consider that this would provide sufficient funds to cover management, administration and support costs and to respond to any emergency needs, which may arise from time to time.

Investments policy

A significant amount of the Charity's funds have been invested in The Ark Conference Centre Limited. The Charity does not currently have any other significant fixed asset investments as resources are short term.

At the balance sheet date unrestricted funds of £3,910,863 (2020: £3,583,143) and restricted funds of £63,608 (2020: £62,989) were held.

Structure, governance and management Constitution

Ark Medical Trust is a company limited by guarantee and a registered charity. Charity number: 1041307. Company number: 02970800.

Directors and Trustees

The directors of the charitable company ("the Charity") are its Trustees for the purpose of charity law and throughout this report are collectively referred to as "The Board". New Trustees are appointed at the discretion of the existing Trustees. Many of the Trustees have served over a period of 10 years. Due to their knowledge and the expertise they bring to the board we are delighted they have chosen to remain. There has been difficulty attracting new members to take their place.

Organisational structure

During this period, the Board met on three occasions with the objectives of overseeing the management of The Ark Conference Centre and the Charity office. This includes fundraising activities and the management of the community sponsorship programme which normally would enable free use of the Ark Centre by community groups.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Structure, governance and management (continued)

Trustee induction and training

New Trustees undergo orientation to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the Charity. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role. They are issued with a Trustee Induction Pack which includes the Company's Memorandum and Articles of Association, Charity Commission quide, list of Trustee and contact details and the most recent audited accounts and board minutes.

Trustees meet regularly at The Ark Conference Centre and are made aware of changes relating to the running of the Charity.

Governing document

Ark Medical Trust is a Company Limited by Guarantee, not having Share Capital, and is governed by its Memorandum and Articles of Association dated 23rd September 1994. It is registered as a charity with the Charity Commission. The company currently has no members other than the Trustees each of whom agree to contribute no more than £1 in the event of the Charity winding up.

Risk management

The SWOT analysis and Risk Assessment Record is reviewed annually with detailed discussions taking place of any changes to the perceived exposure to certain areas of risk. The Conflict of Interest Register is also reviewed annually to reflect any changes.

Recruitment and appointment of Trustees

As set out in the Articles of Association the Chairman of the Trustees is nominated by the Board.

At each Annual General Meeting one third of the members of the Board retire from office. Those members to retire are those who have been longest in office since their last election or appointment. A retiring member of the Board is eligible for re-election.

At the end of the year the Board consisted of four medical directors, two accountants and a lawyer.

Plans for future periods

The Board continue to maintain due diligence and financial prudence. The process of consolidating and improving existing space continues rather than physically expanding the premises. This has been shown with the investment in new technology which will continue to maintain the centre's state of the art status within the conferencing world.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial period. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and the Company and of their incoming resources and application of resources, including their income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any
 material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Group will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Group and the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Group and the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small companies note

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charitable group's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of
 any relevant audit information and to establish that the charitable group's auditors are aware of that
 information.

Auditors

The auditors, Wise & Co, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees on 9/u/21 and signed on their behalf by:

C I O Brookes (Chair of Trustees)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ARK MEDICAL TRUST

Opinion

We have audited the financial statements of Ark Medical Trust (the 'parent charitable company') and its subsidiaries (the 'group') for the year ended 31 March 2021 which comprise the Consolidated statement of financial activities, the Consolidated balance sheet, the Company balance sheet, the Consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and of the parent charitable company's affairs as at 31
 March 2021 and of the Group's incoming resources and application of resources, including its income
 and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group's or the parent charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ARK MEDICAL TRUST (CONTINUED)

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- the parent charitable company has not kept adequate and sufficient accounting records, or returns
 adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustees' report and from the requirement to prepare a Strategic report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ARK MEDICAL TRUST (CONTINUED)

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Group's and the parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Group or the parent charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the parent charitable company and the industry in which it operates, and considered the risk of acts by the parent charitable company that were contrary to applicable laws and regulations, including fraud. We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focussed on laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to, the Charities Act 2011, the Companies Act 2006 and UK tax legislation.

Our tests included agreeing the financial statement disclosures to underlying supporting documentation and enquiries with management. There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We did not identify any key audit matters relating to irregularities, including fraud. As in all our audits, we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the Trustees that represented a risk of material misstatement due to fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ARK MEDICAL TRUST (CONTINUED)

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. General information

Ark Medical Trust, is a private company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member.

The company is incorporated in England & Wales and its registered office address is Victoria House, 39 Winchester Street, Basingstoke, Hampshire, RG21 1EQ.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Ark Medical Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The Consolidated statement of financial activities (SOFA) and Consolidated balance sheet consolidate the financial statements of the Group and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis.

The Group has taken advantage of the exemption allowed under section 408 of the Companies Act 2006 and has not presented its own Statement of financial activities in these financial statements.

2.2 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Group and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Group for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.3 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Consolidated statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the Company which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

Turnover comprises revenue recognised by the subsidiary company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity.

Expenditure on raising funds includes all expenditure incurred by the Group to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Group's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

2.5 Government grants

Grants are accounted under the accruals model as permitted by FRS 102.

Grants of a revenue nature are recognised in the Statement of Financial Activities in the same period as the related expenditure.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £250 or more are capitalised.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Long-term leasehold property - Over 88 years on a straight line basis Fixtures, fittings and equipment - 5% - 50% straight line

Artwork is not depreciated.

2.7 Investments

The investment in the subsidiary is valued at cost less provision for impairment.

2.8 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

At each reporting date, stocks are assessed for impairment. The impairment loss is recognised immediately in profit or loss.

2.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.10 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.11 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Consolidated statement of financial activities as a finance cost.

2.12 Financial instruments

The Group only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
