Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The objects of the charity are to relieve persons in Northumberland, North Tyneside and Newcastle upon Tyne who are in conditions of need, hardship or distress in such ways as the Trustees see fit.

The main activity of the charity during the year has been the distribution of emergency packages of food and other items to individuals and families. Individuals and families are referred to us by social services, health workers, other charities, and other appropriate individuals and bodies, as being in need of temporary support.

We have also worked with other organisations to provide meals for disadvantaged children.

Additionally, our services have been called on even more during the recent Covid 19 pandemic to that end the grants and donations received increased in response to the crisis.

In undertaking these activities, the trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- · policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Bay Foodbank is very grateful for the support provided by a large group of volunteers who provide essential help by collecting donations from drop-off points in shops, churches and offices; unpacking and sorting donations; packing food parcels; and acting as delivery drivers.

Additionally, we are grateful to the dozens of individuals and businesses that make donations to us via our bank account which ensures we can continue to carry out our activities supporting the local community.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

5,989 parcels were provided; these provided food, usually for 4-5 days for 7,022 adults, 3,246 children and a further 176 babies.

Of this total, 2,560 were provided on behalf of North Tyneside Council which was split between 1360 eligible parcels, 1047 non-eligible and 153 voucher only.

Through a combination of parcels and support offered to partner organisations we distributed over 315,000 items. A large number of which were diverted from conventional food waste streams.

In furtherance of our aims, we have worked with other charities and organisations to ensure that donated goods are put to best use. In practice, this means that we have been able pass on to other foodbanks, soup kitchens, breakfast clubs etc surpluses of perishable goods we could not use while still fresh and have similarly received surpluses from them. Example organisations supported are Cedarwood Trust, Meadow Well Connected, Wise Steps, Woman's Refuge and New to UK North Shields. In addition we were able to support a number of local schools with donations including Percy Main School, Waterville Road Primary School, Riverside Nursery and New York Primary School.

During the summer of 2020 we also worked with several projects providing meals during school holidays to children from disadvantaged backgrounds. We supplied food from our stocks and purchased additional supplies for these projects as required.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trustee's policy is to move towards holding two years' running costs in a designated reserve fund. At the end of the 2020-21 financial year the reserve funds held just over 3 years-worth of running costs which the Trustees are aware of.

In July 2020 we purchased 2 new storage (shipping) containers to the value of £8,220 which was our largest purchase of the year. This has enabled the foodbank to safely store foodstuffs from our donors at peak times around Easter and Christmas. This avoids the need for costly and time-consuming off-site storage.

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

We received 15 grants for 2020-21 from North Tyneside Council totalling £152,923, as part of an agreement to provide emergency parcels for those qualifying for assistance under Local Welfare Provision. The amount was significantly higher than previous years due to the additional grants made available to the Foodbank via NTC in relation to the Covid crisis.

Further grants to the value of £39,874 were received from Karbon Homes, Joicey Trust, Asda, Community Foundation, Angus Law, Bernica Foundation, Duke of Northumberland Estates, Serco Foundation and Arnold Clark.

Significant donations were also received from dozens of our individual supporters as well as many local businesses. A substantial part of our income continues to be made up of regular bank transfer and cash donations from supporters.

Funds have been used to employ staff (warehouse manager, admin/ reception, warehouse assistant and delivery drivers), to meet overhead costs such as rent of premises, utilities, fuel for deliveries etc, and to purchase additional supplies for distribution to supplement those donated by supporters. We also have around 40 regular volunteers who assist with the day to day running of the foodbank.

This year we noticed that due to the impact of Covid 19 many more individuals and businesses made donations of money which is reflected in our increase in income. However, the Covid 19 impact also meant we received less food donations and as such we were required to purchase food supplies in to ensure we could meet the demand for food parcels.

In-kind support has been gratefully received from Sainsburys, Morrisons, Asda, Coop, Newcastle Building Society, Barrister Coffee Shop, One Stop Shop, Boots, Wilkinson's, Yorkshire Building Society, First Class Supply, Hayes Travel, Shalom Bookshop, Local Libraries, Cruz Hairdressers, Canny Clever IT, Various local churches, Accenture, Proctor & Gamble, North Tyneside, EE Cobalt, Greggs, Aldi, Costco, Warburtons and Farm Foods.
