## 2. Achievements and Performance

	SORP reference	

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<ol style="list-style-type: none"> <li>1. Through our network we were able to identify a further two new landlords willing to rent out their properties under the Resettlement Scheme. Unfortunately, due to the pandemic, refugee families were unable to be brought to the UK. However, since the end of the financial year both properties have again been made available for use under the Scheme.</li> <li>2. We have helped to increase the number of employed family members from two to five within four families, assisted by an increase in opportunities in the hospitality sector which has benefited family members who were previously struggling to find openings.</li> <li>3. Raised £12,257 funds (-45% versus year before, reflecting the impact of the pandemic). £14,205 (+26% versus year before) was spent on making grants to the families.</li> <li>4. We purchased an online Learning Platform along with the relevant IT and robust broadband to support this remote learning. This enabled our families to access their learning 24/7, under the guidance of our language team.</li> <li>5. Our team of twenty language volunteers has delivered an average of twenty five hours per week, initially by Zoom and since the easing of restrictions by a blended approach in which each student receives at least one face to face lesson per week, supplemented with additional zoom lessons and backed up with assignments set on Flash Academy. We have also arranged for some supplementary lessons planned and conducted by Sevenoaks School.</li> <li>6. Our dedicated 'family teams' of volunteers continued to support the families in person when possible and remotely when necessary.</li> <li>7. We continued to build our supporter network to over 400 supporters, including 56 who had completed DBS requirements by the year end and were able to work directly with the families.</li> </ol>
