NORTHEAST DISABILITIES RESOURCE CENTRE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The 'Objects' of the charity are "to provide, cause to be provided or assist in providing facilities for the treatment, education and general welfare of sufferers of cerebral palsy and its allied conditions".

N.D.R.C. contracts its Day Care provision and its educational provision to South Tyneside, Durham and Sunderland Social Services. We have increased our range of services by offering a 'Personal Assistant' (P.A.) for people who wish to access the wider community.

ACHIEVEMENT AND PERFORMANCE

This year has been an exceptional year for us in many ways. We have faced very lows with the pandemic and not unlike many others in similar positions feel that it is an achievement to still be in a reasonably strong position to rebuild ourselves out of the financial problems Covid has brought on.

We can see the light at the end of the tunnel (provided there are no more lockdowns) in the form of the new centre. It will be handed over on the 03 December 2021 along with eight of the seventeen new bungalows to which it has been agreed that we will provide care to the new tenants.

We reported in the last trustees report we accepted that we would absorb the cost of restructuring. These costs are still being absorbed but on a reduced basis due to managing wastage and a natural drop in staffing and members.

FINANCIAL REVIEW

Reserves policy

Northeast Disabilities Resource Centre operates a reserve fund for the purpose of covering any negative financial implications that may affect the organisation. This includes:

- Contractual commitments which may require the purchase of new equipment, facilities and environments.
- The termination of service user's contracts and the ensuing loss of related income that may lead to subsequent changes being made to staffing arrangements and organisational planning.

The Trustees acknowledge that the organisation has experienced a restructuring of its service which has resulted in the organisations occupancy of rented premises belonging to the Local Authority of the City of Sunderland.

An assessment has been made by the Trustees and we have agreed that we will hold reserves that would lead to the purchase of a suitable building from which to operate and expand our services to the disabled community.

The Trustees agree that to maintain reserves at their agreed level the organisation will need:

- Suitable Code of Practice
- Effective budgetary controls
- Effective management systems
- Employment policies and procedures
- Good relationships with local funders and stakeholders

This policy will be reviewed in line with our Quality Assurance System which requires Northeast Disabilities Resource Centre to review annually, or as when the need arises, all operational Policies and Procedures.

NORTHEAST DISABILITIES RESOURCE CENTRE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

FINANCIAL REVIEW

Risk Assessment

Location of Premises

The present site of operation for N.D.R.C. comprise of the leased premises at Cork Street, Hendon, Sunderland. There is a growing requirement, not only for more space but for more centralised space. Managing Day Care facilities from a larger building would not only reduce future transport/transfer costs and provide greater flexibility, but would also help to constrain the number of employees necessary to provide a quality service. There is also the implied status associated with operating from larger premises that may possibly engender a more positive impression of N.D.R.C. within potential clients.

The Direct Payment Scheme

The slow, but consistent uptake of the Direct Payment Scheme option for both present and potential service users may have a notable impact on day services such as N.D.R.C. The changeover from Local Authorities to the service user as the paying client may have a subtle effect on the demands presented by Service Users on their Day Care providers. The relationship may alter, putting more power and opportunity into the hands of clients and whilst this is to be welcomed as another small step to equality of citizenship, it is important that all staff are aware of such implications so that clients can recognise our understanding of their changed financial position.

Social Services may slowly lose control over whether a client attends a particular service provision, as the client will choose for themselves, deciding where to spend their assessed allowance for Day Care. It is important that the relevant Management and Committee Members handle these changes with sensitivity and full awareness.

N.D.R.C. will continue to monitor and assess perceived risks to the organisation on a regular basis, seeking to protect and enhance future performance.

FUTURE PLANS

We are still holding strong to our business plan and we are looking forward to the last 5 months of the financial year ending March 2022 resulting in being in a much stronger financial position along with all the new challenges this will bring.

In agreement with the council through the provision of funding we will be able to furnish the new centre with IT equipment and brand new up to date furniture to the value of £140,000.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governance and internal control

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

NORTHEAST DISABILITIES RESOURCE CENTRE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

Northeast Disabilities Resource Centre was founded in 1952 and first constituted as a charity in 1966 as the Sunderland Spastics Society. In 1994 its Constitution was amended to Sunderland and District Scope; registered number 222675, and in 2007 a further amendment to Northeast Disabilities Resource Centre (N.D.R.C).

Membership is open to all who have a genuine interest in N.D.R.C and upon payment of the membership fee (currently £5.00 per annum). Each member is entitled to one vote at meetings.

Decisions about the direction of the charity and all policy and other major decisions are made by the Executive Committee; members of which are nominated by the general membership and then elected by them at the Annual General Meeting. Occasionally a person may be co-opted onto the Executive Committee when deemed advantageous to the charity by the existing Executive members. Decisions regarding the day-to-day running, the management of staff, volunteers and general management are entrusted to the General Manager Mr Stuart Johnson, who is responsible to and also reports to the Executive Committee.

Responsibility for the financial accounts of the charity is shared between all the members of the Executive Committee. For day-to-day purposes the Treasurer and Manager maintain a close scrutiny of all transactions, and do this in conjunction with the requirements of the management of N.D.R.C. The Executive Committee keep in mind the Charity Commission's guidance on public benefit.

Induction and training of new trustees

New Trustees attend an Executive Committee meeting before they are appointed as a Trustee in order that they obtain an understanding of the internal processes of the charity as a whole together with an understanding of any ongoing issues which the Executive Committee are dealing with.

The skills of the existing Trustees are monitored on an ongoing basis and external training courses are provided where deemed appropriate.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 9.12.21 and signed on its behalf by:

.....
Mr E Bell - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF NORTHEAST DISABILITIES RESOURCE CENTRE

Opinion

We have audited the financial statements of Northeast Disabilities Resource Centre (the 'charity') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF NORTHEAST DISABILITIES RESOURCE CENTRE

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The risk of material misstatement due to error or fraud has been assessed in conjunction with internal controls to mitigate any such risk. These controls are reviewed as part of the audit by performing systems walkthroughs to ensure they are operating effectively. Other substantive testing is also performed on all material balances and therefore any instances of non-compliance should be identified or considered as insignificant.

The laws and regulations which are considered to be significant to the entity relate to health and safety. Discussions are held with management to determine whether any breaches have occurred as well as legal expenditure being scrutinised for any evidence on non-compliance.

The audit was considered capable of identifying irregularities only to the extent of the substantive testing performed and from discussions with management.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
NORTHEAST DISABILITIES RESOURCE CENTRE**

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The accounts have been prepared on a going concern basis. On 29 November 2021 the assets, liabilities and trade of the charity was transferred to a new entity at book value which the trustees consider represents a fair value. As such there is no need to write any asset values down within these financial statements.

The financial accounts are prepared in Sterling (£).

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is included in the statement of financial activities when the charity is entitled to the income, any performance related conditions attached have been met or are fully within the control of the charity, the income is considered probable and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Donations and legacy income is received by way of donations, legacies, grants and gifts and is included in full in the Statement of Financial Activities when receivable. Where legacies have been notified to the charity but the criteria for income recognition have not been met, the legacy is treated as a contingent asset and disclosed if material. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

The value of services provided by volunteers has not been included.

Investment income is included when receivable.

Income from charitable trading activity is accounted for when earned.

Income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Costs of raising funds comprise the costs associated with attracting donations, grants and legacies and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other expenditure includes all expenditure that is neither related to raising funds for the charity

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2021**

1. ACCOUNTING POLICIES - continued

Expenditure

nor part of its expenditure on charitable activities.

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis, as set out in the notes to the accounts.

Support costs

Support costs are those functions which assist the work of the charity but do not directly undertake charitable activities. Support costs include office costs, finance, personnel, payroll and governance costs which supports the charitable activities. These costs have been allocated to expenditure on charitable activities.

Expenditure is allocated to the different activities on a direct basis where ever possible. Where this is not possible, i.e. the resource is utilised by more than one activity, then these costs are allocated on the basis of man hours spent on each activity.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Leasehold property	- Term of lease
Fixtures and fittings	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the purposes of the charity. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.

Designated funds are unrestricted funds earmarked by the trustees for specific purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2021**

1. ACCOUNTING POLICIES - continued

Financial instruments

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Holiday Lodge Fund

Funds received by donation from another charity which are to be used to perpetuate the aims of that charity which are to promote the relief of physically handicapped persons by the provision of accommodation, recreation, rehabilitation, rest and holidays and by bringing such persons into closer association with able bodied persons so as to engender a better understanding of the problems encountered by the beneficiaries and their families in every day life.
