Fellowship House Children's Centre

Chairman's Report
for the Year Ended 31 March 2020

The chairman presents his statement for the period.

Fellowship House Children's Centre has had wonderful year as a children's centre and organisation. The improvements carried out over the past year has helped with the finance.

The nursery has moved a step closer in trying to achieve the London Living Wage for all its front-line staff. We hope to achieve our target for March 2021. For the nursery to achieve its goal, the nursery fees had to increase in March 2019 where the new committee with the nursery management worked out a method which will enable the children's fee and staff salary to be easily understood and making it much more transparent. The staff now get paid a salary which encourages them to work for Fellowship House as well as the children's fee being competitive with other nurseries in the local area. The reaction to this has been encouraging, where we have an increased interest from parents wanting their children to be part of Fellowship House.

The committee are working hard behind the scenes to improve the centre; refurbishment of the children's washroom has been carried out, new camera system installed, new menus have been provided for children, management are working alongside external professionals to improve the nursery and achieve a higher Ofsted rating. The committee intend to carry out further work by the end of 2020.

The nursery management have been in transition where the long-term finance manager Else Freston has retired. Our deputy manager Kassandra Manyasa has been working alongside newly appointed accountant practice BBK Accountants. As a collective, the committee and nursery management are working with the parents to improve the curriculum, policies, procedures, security, health and safety and other areas to ensure the children get the best education and start to life.

The committee alongside the nursery management are setting targets for the next few years to ensure the finance is improved as well as making FHCC a first-choice nursery for parents, children and staff.

The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The trustee presents its annual report and financial statements of the charity for the year ended 31 March 2019. INCORPORATION

The charitable company was incorporated on 3 March 2003.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principle objects of the Charity are to advance the education of children below age through nursery and playgroup facilities, principally in the London Borough of Newham.

Public benefit

In setting objectives and planning for activities, the Committee of Management have given due consideration to general guidance published by the Charity Commission relating to public benefit.

ACHIEVEMENT AND PERFORMANCE

Fellowship House Children's Centre has had another successful year of delivering outstanding childcare and education for under 5's, the ground floor of the building is still fully occupied by the Nursery.

The pension scheme is now fully up and running. The nursery makes a 3% contribution and staff members make a 5% contribution.

FINANCIAL REVIEW

Reserves policy

The Committee of Management has formulated a policy whereby in the long term general reserves held by the Charity should cover six months costs. This currently equates to approximately £280,000 (2019: £280,000) and would enable activities to continue in the short term should funding drop significantly.

At present the free reserves of £449,542 (2019: £375,412) substantially exceeds this target. However the Committee are aiming to increase staff salaries to bring in line with the new living wage as soon as possible. In calculating the free reserves the Committee has excluded the restricted reserves and the designated reserves that represents fixed assets or reserves likely to be expanded in full or in part within one year.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

FUTURE PLANS

The Committee envisages the activities to continue in a similar way to those as at present for the foreseeable future.

MEMBERS' LIABILITY

The Members of the Charity guarantee to contribute an amount not exceeding £1 to the assets of the Charity in the event of winding up.

The charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 3 March 2003.

Recruitment and appointment of new trustees

The management of the Charity is the responsibility of the Committee of Management who are elected and co-opted under the terms of the Articles of Association.

In particular the Committee is trying to mitigate the risk of under capacity, due to the increased competition from private day care providers and school offering children places at the age of three, by developing effective marketing strategies.

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.
