TRANSPORT FOR SICK CHILDREN

Report of the trustees for the year ended 31st March 2021

The trustees present their annual directors' report and financial statements of the charity for the year ended 31st March 2021 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The purposes of the charity are to relieve the need and sickness of children by the provision of voluntary transport to and from hospitals, clinics and out-patient departments for such children and their carers who reside in and around Manchester. The children mainly reside in the deprived areas of the conurbation.

The main activities are the total health needs of the child are the Charity's first consideration. The service is available to any children and their carers who are referred by a health, education or social services professional to the Charity.

To achieve its objectives the Charity maintains close relationships with its funders and, at Board level, considers Community Transport and NHS strategy. This requires being involved with Community Transport groups, such as the Greater Manchester Community Transport Forum (Steering and Development Group). The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities, and setting the policies for the year.

The charity furthers its charitable purposes for the public benefit through ensuring that children, mainly from families in difficult circumstances, attend medical appointments at the appointed time resulting in the child having the correct treatment at the right time. Stress is also reduced for the family served with a safe, friendly transport service and a child receiving timely treatment. Because the appointments are kept the NHS benefits not only from delivering the appropriate medical attention, but with a cost saving brought about by the "Did Not Attend" statistics decreasing. The "Did Not Attend" figures, which record those who did not turn up for appointments, are a major cost issue for the whole of the NHS.

A review of our achievements and performance

The main achievement during the year was the delivery of 499 (2020 721) children to appointments, accomplishing 2,190 (2020 5,396) trips and 50,870 (2020 100,167) miles in the process. This was during an extremely challenging year, navigating our way through the Covid-19 crisis.

TRANSPORT FOR SICK CHILDREN

Financial review

The Charity's Incoming Resources totalled £149,168 (last year £152,057) in the twelve months to 31st March 2021. The sources of income were as follows:

	%	
	2021	2020
CCG's	99.8	95.7
Donations/Fundraising	1.22	4.0
Bank Interest	0.17	0.30

Donations totalled £1,831. It, again, also includes several donations from our Volunteer Drivers. Interest rates in the year have continued to be low. The Charity's need to retain liquidity has precluded long term investment, i.e. one year or more, because of income uncertainty due to changes in health care budgets and the requirement to ensure sufficient, ongoing operational funding.

Expenditure has also continued to be well controlled and is reviewed at every Board meeting. Key changes in the year compared to 2020 are:

	2021 £	2020 £	Difference £
Employment Costs	59,729	59,221	+508
Drivers Mileage	21,194	48,028	-26,834
Rent and Rates	17,494	17,081	+413
Governance Costs	2,627	2,177	+450
Telephone	825	518	+307

The charity has made a surplus of £39,112 compared with last year of £4,478. Covid-19 has impacted the reduction in driver's mileage costs; activity has fluctuated considerably over the year.

No further spend has been allocated from the £26,168 restricted funds for the Heywood, Middleton and Rochdale area for project development and administrative costs. In order to make best use of this funding, which is outside and additional to our Service Contract in the area, work commenced to undertake a travel training project for older children, so they can become more independent for certain journeys. Whilst the preliminary work was encouraging, the impact of Covid-19 has resulted in a pause in this proposed activity.

Investment powers and policy

The trustees, having regard to the liquidity requirements of operating the charity, have kept available funds in an interest bearing deposit account.

TRANSPORT FOR SICK CHILDREN

Reserves policy and going concern

The balance held in unrestricted reserves at 31st March 2021 was £225,694 of which £225,693 are free reserves, after allowing for funds tied up in tangible fixed assets.

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately six months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that support and governance costs are covered.

The Charity's main source of income is grants and donations. The Trustees consider that it is appropriate to prepare the accounts on a going concern basis and, consequently, the accounts do not include any adjustments that would be necessary if these sources of income should cease.

Risk management

The trustees have conducted a review of the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Plans for Future Periods

The key plan is to continue to maintain and expand the service in the Greater Manchester area. If funding becomes available, to have the service replicated in another UK urban area.

Structure, governance and management

Transport for Sick Children Limited is a company limited by guarantee governed by its Memorandum and Articles of Association dated 4th May 2005. It is registered as a charity with the Charity Commission and is constituted under a trust deed dated 17th May 2005.

Appointment of trustees

As set out in the Articles of Association trustees are elected annually by the members of the charitable company attending the Annual General meeting and serve for a period of three years

Trustee induction and training

Most trustees are already familiar with the work of the charity as a result of either their work within a member organisation or as a volunteer.

Additionally, new trustees familiarise themselves with the roles and responsibilities of trustees as set out by the Charities Commission and attend governance courses.

Organisation

The board of trustees administers the charity. The board normally meets monthly. A senior manager is appointed by the trustees to manage the day-to-day operations of the charity.

Related parties and co-operation with other organisations

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee or senior manager with any service providers must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

Trustees responsibilities in relation to the financial statements

The charity trustees (who are also the directors of Transport for Sick Children Limited for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting principles and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board of trustees

George Stenson
Chairman

Date: 20th January 2022

Independent examiner's report to the trustees of TRANSPORT FOR SICK CHILDREN LIMITED

I report on the accounts of the company for the year ended 31st March 2021, which are set out on pages 8 to 17.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of The Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act ;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, ; and
 - with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts

1. Accounting policies**(a) Basis of preparation and assessment of going concern**

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

(b) Funds structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. There is 1 restricted fund.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Further details of each fund are disclosed in note 17.

(c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

(d) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

(e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

(f) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on type of expense.

The allocation of support and governance costs is analysed in note 8.

(g) Costs of raising funds

The costs of raising funds consists of publicity and marketing and membership fees.

(h) Charitable Activities

Costs of charitable activities include governance costs and an apportionment of support costs as shown in note 7.

(i) Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged on the following basis:

Computers 15% on cost

(j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their varying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

(k) Pensions

The Charity operates an auto enrolment pension scheme. The charity has no liability beyond making its contributions and paying across the deductions for the employee's contributions.

2. Related party transactions and trustees' expenses and remuneration

The trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2020: £nil). Expenses paid to the trustees in the year totalled £nil (2020: £nil).

3. Donations and Legacies

	Unrestricted funds	Designated funds	Restricted funds	Total 2020
	£	£	£	£
Tangible fixed assets	131	-	-	131
Cash at bank and in hand	178,453	80,000	26,168	284,621
Other net current assets/(liabilities)	7,998	-	-	7,998
Creditors of more than one year	-	-	-	-
Total	<u>186,582</u>	<u>80,000</u>	<u>26,168</u>	<u>292,750</u>

19. Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised on a transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at an amortised cost using the effective interest method.

21. Reconciliation of net movement in funds to net cash flow from operating activities

	Year Ended 31 March 2021 £	Year Ended 31 March 2020 £
Net movement in funds	39,112	4,478
