Annual report 2021

Trustees:

Khushi Feet is a Charitable Incorporated Organisation.

Charitable objectives are:

The relief of poverty by supporting education of children living on the street (particularly in Kolkata, India)

Provision of education to the general public about the issues facing street children

In 2021 we were again limited in activities due to the pandemic. We did however manage to run a well received Easter Egg trail round the town, and continued to receive donations from supporters. We have kept in touch with the people we support in Kolkata who have also been affected by the pandemic and have managed to send them a grant to help with the priority work needed for the street schools following on from Covid.
