

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From: 1 April 2020 to 31 March 2021

Charity name: Hargrave Hall Community Association ("HHCA")

Charity registration number: 1077926

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>HHCA provides in its constitution that its objects are:</p> <ul style="list-style-type: none">(a) to promote the benefit of the inhabitants of North Islington (and in particular Junction, Hillrise and Tollington wards) and the neighbouring areas of Haringey and Camden (the "local community") without distinction of sex, sexual orientation, age, race or of political, religious or other opinions, by associating together the local community in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life of the local community;(b) to establish or secure the establishment of a community Centre (namely Hargrave Hall) and to maintain and manage the hall furtherance of these objects; and(c) promote such other charitable purposes as may from time to time determined. <p>HHCA shall be non-party in politics and non-sectarian in religion.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Due to the full closure of the centre during the first half of the year and partial closure the remaining half our services have been significantly reduced. During the second half of the year, we have begun a staggered reopening to meet our objectives of making the hall available to a variety of groups and other users for the benefit of the local community. Many of the activities at Hargrave Hall are offered at no or a reduced cost and target specific areas of the local community which have a particular need of specialised services.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p>The trustees have regard to the guidance on public benefit issued by the Charity Commission when exercising any powers and duties to which the guidance is relevant.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During this unprecedented time our main driver was the close monitoring of regular costs (utilities, cleaning, salaries and maintenance) which has enabled the Centre to maintain a sound financial base despite its enforced closure.</p> <p>The charity has received support from government bodies and local agencies during the year of £30,754.</p> <p>With this cautious approach we have maintained the facilities for the benefit of the community, ensuring that the centre is fit for purpose. With the planned installation of a new lower hall kitchen and the levelling and laying of grass in the rear exterior area from the funding received, we will have a capacity to include more groups and services to improve the wellbeing of people living within the area of benefit.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	This year despite huge challenges we have maintained funds which are now available to support the planned activities and essential building upgrades during the coming year.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The reserve policy is to maintain funds equivalent to 4 months of expected core expenditure (not including discretionary expenditure on maintenance and renovation).</p> <p>The Trustees consider this a cautious approach having regard to the current funding model of the charity providing a safety cushion should there be any further interruption in hire charges.</p> <p>Over the next period HHCA will be spending a significant amount of the additional reserves, excluded the previously mentioned safety cushion, on much needed building maintenance, including refurbishment of the lower hall kitchen and the renovation of the rear garden.</p> <p>This will enable the expansion of catering provisions for those in poverty and create a nature space for the local community as well working towards reducing the community's high air pollution levels.</p>
