TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their annual report together with the audited financial statements of the charity for the year ended 31 March 2021.

Objectives and Activities

a. POLICIES AND OBJECTIVES

The objectives of the charity are exclusively charitable purposes in East Anglia (particularly Cambridgeshire) as the Trustees shall in their absolute discretion from time to time determine and may, but need not, include the following:

a) the upkeep and repair of the fabric and contents of Ely Cathedral and the maintenance of services therein

b) the furtherance of the education (including social and physical training) of pupils attending Culford School, Culford, Bury St. Edmunds, Suffolk (Charity No. 310486) as the same as is administered by Culford School Trustee Company Ltd (Company No. 05609905)

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's General Guidance, when reviewing the Trust's aims and objectives and in planning future activities and settling future grant-making policy.

The trustees have paid due regard to guidance published by the Charity Commission on public benefit.

b. ACTIVITIES FOR ACHIEVING OBJECTIVES

During the period under review, the charity has made various grants as detailed at note 3 in the financial statements following.

The trustees have paid due regard to guidance published by the Charity Commission on publis benefit.

Achievements and performance

a. KEY FINANCIAL PERFORMANCE INDICATORS

The trustees report a surplus for the year of £2,863,984 (2020 deficit £921,269) and net assets of £16,817,112 (2020 £13,953,128).

The main key performance indicator used by the trustees is to generate a minimum investment return of £230,000 per year in order to allow the trustees to meet their existing grant commitments and to consider making additional grants. The total received from investments for the year was £276,603 (2020 £386,611).

The trustees meet with their investment advisors at least annually to review the level of investment returns.

b. REVIEW OF ACTIVITIES

The Trustees have continued to concentrate on maintaining the endowment and fulfilling existing commitments to Ely Cathedral and Culford School, although they have also made small grants to other bodies, thereby providing a range of educational, health and welfare support within the East Anglian community.

The Trustees received a number of applications for grants, but at a time when the level of income on their investments could not be guaranteed, they concentrated on maintaining the endowment and fulfilling existing commitments to Ely Cathedral and Culford School.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2021

c. INVESTMENT POLICY AND PERFORMANCE

The Trustees review investment policies and performance at their meetings. They take advice from Stockbrokers and Independent Financial Advisors who manage their investment portfolios and who report in person at least once a year and in writing regularly throughout the year. They also take advice from their letting agents in respect of the investment property they own. The fund shows an excess over cost of £4,997,889 (2020 £2,370,542). The value of investments increased this year by £2,627,347 (2020 decrease of £1,119,202), the previous years decrease was owing to the effects of Covid-19.

Financial review

a. GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

b. PRINCIPAL RISKS AND UNCERTAINTIES

The principal risk that the Charity is exposed to is the movement in the UK and Global stockmarket and its consequential effect on the endowment fund.

c. RESERVES POLICY

The trustees commit to making regular grants in specific cases over a period of time and consider that the full amount of such commitments should appear as a distribution in the period in which the commitment was made. Income is recognised as the charity becomes legally entitled to it. Although when committing to the expenditure the trustees are mindful of the anticipated future income of the trust, this can result in the unrestricted general fund having an overdrawn balance.

d. MATERIAL INVESTMENTS POLICY

The trustees hold no investments that are deemed material in the overall makeup of their investment portfolio.

Structure, governance and management

a. CONSTITUTION

The Starling Family Charitable Trust was created by a charitable trust deed dated 19 December 2005. Its initial settled fund was £100 and substantial gift aid payments have since been received from the family and the family company. The Trust does not actively fundraise and seeks to continue the philanthropic work desired by the donors through the careful stewardship of its existing resources.

There have been no changes in the objectives since the last annual report.

b. METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The three original trustees, Mr R P Starling, Mr A D Salmon and Mr T W Stevenson were appointed under the trust deed and they were appointed for life. The trust deed provides for a maximum of three trustees, any

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2021

vacancy being filled by the surviving trustees. Mr A D Salmon died on 2 April 2009 and the position in the trustee body left by him was filled by the appointment of Mr C P W Stevenson on 27 October 2014. Mr T W Stevenson died on 16 November 2019; the vacancy has yet to be filled.

c. POLICIES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

When new trustees are appointed they are given an introduction to the charity by Mr R P Starling who sets out the history of the charity and its grant making policies, together with copies of the last annual accounts, investment portfolio report, annual return, the governing trust deed and copies of the Charity Commision's guidance 'The Essential Trustee: What You Need To Know' and 'Charities and Public Benefit'

d. PAY POLICY FOR SENIOR STAFF

No salaries are paid to the trustees.

e. ORGANISATIONAL STRUCTURE AND DECISION MAKING

The Trustees meet at least three times a year to agree the broad strategy and areas of activity for the Trust, including consideration of grant making, investment, reserves and risk management policies and performance.

f. RISK MANAGEMENT

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Plans for future periods

a. FUTURE DEVELOPMENTS

The Trustees are actively planning further bursary awards to both Culford School and Ely Cathedral.

INFORMATION ON FUNDRAISING PRACTICES

The charity does not undertake any fundraising activities that require reporting.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2021

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees, on $\frac{1}{30}$, $\frac{1}{30}$, $\frac{1}{30}$ and signed on their behalf by:

Robert Starling

R P Starling Trustee

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF THE STARLING FAMILY CHARITABLE TRUST

OPINION

We have audited the financial statements of The Starling Family Charitable Trust (the 'charity') for the year ended 31 March 2021 set out on pages 9 to 22.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may
 cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting
 for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF THE STARLING FAMILY CHARITABLE TRUST

inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

USE OF OUR REPORT

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and Charities Act 2011.

The Starling Family Charitable Trust constitutes a public benefit entity as defined by FRS 102.

1.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services or facilities are recognised when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the Friends is not recognised and refer to the Trustees' report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES (continued)

1.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities and Governance costs are costs incurred on the charity's educational operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

Single or multi-year grants payable (including educational bursaries) are charged in the year when the legal or constructive offer is made, except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

1.4 Investments

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals throughout the year.

1.5 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES (continued)

1.6 Financial instruments

The Charity only has basic financial instrument transactions that result in the recognition of financial assets and liabilities such as trade and other accounts receivable and payable, loans from banks and other parties, loans to related paries and investment in non-puttable ordinary shares.

Finacial instruments such as investments in shares are measured at fair value through profit and loss.

1.7 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

Endowment funds represent those assets donated by gifts from the Starling family which must be held permanently by the charity, principally the total investments. Income arising on the endowment funds can be used in accordance with the objects of the charity and is included as unrestricted income. Any capital gains or lossees arising on the investment form part of the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

1.8 Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

1.9 Taxation

Corporation tax is not provided for in these financial statements as The Starling Family Charitable Trust is a registered charity.

1.10 Investment properties

Investment properties are included in the Balance sheet at their open market value and are not depreciated.
