Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>To further or benefit the residents of Grangetown and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.</p> <p>In furtherance of these objects but not otherwise, the Trustees shall have power: To establish or secure the establishment of a community centre in the area known as Grange Bowls Pavilion and Green within Grange Gardens Cardiff and to maintain or manage or co-operate with any statutory authority in the maintenance and management of such a centre for activities promoted by the charity in furtherance of the above objects.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Grange Pavilion is a resident-led project to develop and revivify Grange Bowls Pavilion and Green, a former Council property in Grange Gardens, transforming it into a multifunctional indoor and outdoor space for community activities. This will deliver long-term social, economic and environmental benefit to the local community of Grangetown, which is a deprived area of Cardiff and in the top 10% of deprived areas in Wales.</p> <p>Grange Pavilion aims do this by providing multifunctional indoor and outdoor spaces for community activities and incorporating a social enterprise café. The priority is to serve local people, by providing opportunities for education and training,</p>

		<p>increased health and wellbeing, increased social cohesion and youth provision, and encourage more community action. Here are some of the projects that have taken place at the Grange Pavilion when we have been able to operate around covid restrictions.</p> <p>Park Keeper's Hut Funding of £10,000 was given from Cardiff Council to revamp the project back to its original image. We are continuing to raise funds to raise the estimated £30,000 required. Once this is completed it will help local start-up businesses to use the hut as a starting point to develop themselves as a local business.</p> <p>Vertical Studio Furniture The Vertical Studio project began in January 2020 with students from the Welsh School of Architecture benefitting from a donation of wood from an historic fallen tree in Cowbridge which was distributed to community projects. This formed the basis of the design project, where students were tasked with designing a piece of flexible and beautiful furniture for the cafe at Grange Pavilion. After much community consultation, a design was chosen for a table and multi-purpose chair which was designed by a student who was also a Grangetown resident. Following this, a kind donation received from Cardiff Bay Rotary Club enabled Grange Pavilion to purchase additional material and realise the design in full and deliver the table and chair to Grange Pavilion for use.</p> <p>Pedal Power Cycling Sessions Pedal Power shut to the public for all lessons and sessions but have ensured to deliver as soon as it is possible for them to do so. The funder agreed for the project to be delayed to when it's safely possible to run the sessions.</p> <p>Breakfast Club We were delighted to be able to run a Grangetown Breakfast Club from the Grange Pavilion after we were awarded a National Lottery Awards for All grant to facilitate a 10-week breakfast club. Delivered by The Hideout Coffee Shop at Grange Pavilion, free hot breakfasts were made available to families who qualify for free school meals or those who are finding it difficult to make ends meet.</p> <p>Kitchenette Equipment</p>
--	--	---

		<p>A donation from the Rotary club saw us through getting our community kitchen kitted out for our users to utilise for free during sessions.</p> <p>We now have a fully equipped kitchen for everyone to use.</p> <p>All the money was spent.</p> <p>Equipment and staff grant</p> <p>We successfully received Community Foundation Wales funding, this funding helped purchase essential items for the Grange Pavilion and Hideout Cafe area. This included Tables, Chairs, Ipad, Blinds, Temperature Gun, Industrial Hoover, Fire Extinguisher and for staff to undertake Fire Warden Training.</p> <p>Staff and utilities grant</p> <p>The funding from the Moondance Foundation allowed for the Grange Pavilion to operate and recruit three members of staff on job share to cover weekday evenings and weekends. This has allowed for the Grange Pavilion to be available for hire to the local public, businesses and organisations in the community.</p> <p>Periscopes to the Past</p> <p>Periscopes to the Past was funded by Cadw and the National Lottery Heritage Fund and has been organised by Grangetown Art Trail, www.instagram.com/artgrangetown, a community project led by residents, Charlotte Brown (historian) and Chris House (artist). The G.A.T have run a number of successful projects locally including the Grangetown Zoo (March 2020) and the Grangetown in Lockdown exhibition (October 2020). They worked in partnership with the Grange Pavilion, installing periscopes in the pavilion grounds.</p> <p>Translator, Hammad Rind, made the project and history accessible to the large number of culturally diverse residents, with project content available in Urdu as well as Welsh and English. Following an open call residents nominated a piece of Grangetown History to feature inside the periscopes, the project team commissioned the creation of five periscopes with historical dioramas inside.</p> <p>Allotments</p> <p>Grange Pavillion with support from Keep Wales Tidy is helping residents reverse nature's decline and learn how to grow their own food. 'Local Places for Nature' gave local residents opportunities that included training, advice, practical help and support</p>

		<p>to install new green spaces, as well as tools, materials and equipment for long-term use. This has seen the pavilion install five native fruit trees, two raised beds, plant F40m2 of wildflower turf, install a greenhouse and compost bin and purchase a variety of tools for maintaining the garden.</p> <p>Grangetown Safe Play Lanes Grangetown Safe Play Lanes is an ongoing project funded by Cardiff Council, Cardiff University and Grange Pavilion working with residents to improve lanes in Grangetown to create welcoming, safe and green spaces. In recent years there has been a concerted effort to clean up the lanes and alleyways in Cardiff. Until recently, many instances of fly-tipping went unreported and lanes became often impassable, un-appealing, and unsafe spaces not just for children, but for all residents. There has been a marked improvement in lanes/alleyways cleared of fly-tipping, with better reporting, better reactive measures, and more importantly, improvement in preventative measures. These include pedestrianised lanes to stop vehicles from dumping rubbish, and overall greater vigilance and reporting systems implemented by Cardiff Council. The above improvements have created the conditions for going a step further; creating Child Friendly play spaces. Cardiff Council and partners in Grangetown have the opportunity to pilot a transformation project in some of Grangetown's rear lanes, to create safe and fun spaces for children and communities to connect and play, ensuring Article 31 (right to rest, leisure, and play) of the UNCRC is enabled and embodied in Cardiff communities. The overall objective is to create fun, safe spaces for children and residents to enjoy, by reclaiming the space and making the environment more welcoming and safe. This project will focus on Grangetown as a pilot, with a view to wider expansion if successful.</p> <p>Arty Party Project Arty Party project was a joint project with Sherman Theatre funded by National Lottery Awards for All programme and Cardiff Bay Rotary Club, was to bring people together who might have never experienced art before to develop a creative community in Grangetown, based at Grange Pavilion. Took place in September and October 2020, workshops were held at Grange Pavilion offering residents mini creative arts experiences. The workshops offered experiences in sketching, landscape</p>

		<p>painting, plaster cast and ceramics and were lead by local artists Paul Edwards, Jane Hubbard, Deborah Aguire Jones and Kyle Legall.</p> <p>To celebrate the output from the Art Party sessions, a two-week exhibition of the work was held at Grange Pavilion from May 27th to 10th June 2021.</p>

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31st March 2021.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
