THE CRESCENT TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 5 APRIL 2021

The trustees present their annual report and accounts of the charity for the year ended 5 April 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the trust's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

Objectives and activities

The purpose of the Trust, both long-term and short-term, is to benefit charities in general, but particularly charitable causes relating to the encouragement and protection of nature, gardens and the Arts. The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives, and setting the grant making policy for the year.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Independent Examination should undertake.

The principal activity of the trust during the year was to provide cash donations to a number of other charities and to provide public access to the Trust's land. Donations to other charities are shown under Donations to Institutions in Expenditure within the Statement of Financial Activities. The trustees decide on an annual basis which charities they will support with emphasis on the areas mentioned above.

Achievements and performance

During the year, donations of £466,217 (2020 - £100,408) and a gift aid claim of £118,750 (2020 - £12,500) were received. As a result, the Trust has continued to make donations of £41,536 (2020 - £53,652) during the year which are outlined in note 8 to the financial statements.

No change in value has been identified in the Trusts investment property (2020 - £nil) during the year. Investments in UK companies with a value of £nil (2020 - £98,061) were disposed of and acquisitions were made with a value of £224,000 (2020 - £163,379).

Financial review

Income increased substantially during the year due to the level of donations received. As a result, there has been an overall net increase in funds of £487,659 (2020 - £16,543) before any investment gain or losses. Donations to charities are made when funds allow and all funds are considered to be unrestricted.

The unrestricted reserves, excluding investments and money designated for capital commitments, is £510,439 (2020 - £280,947) as at 5th April 2021. No reserves policy is in place as the level of donations to institutions and activity is dependent on the donations received and investment income. Overall, the fund balance has seen an increase in the year and sufficient reserves exist.

The trustees have assessed the major risks to which the Independent Examination is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

The trustees intend to operate the charity in a similar manner for the foreseeable future, but with continued focus on the encouragement of the public to appreciate gardens and the protection of wildlife.

Despite the ongoing Covid-19 pandemic, the trustees anticipate a continued level of donations and investment income over the next 12 months.

Structure, governance and management

The Independent Examination is a registered charity, number 327644, and is constituted under a charitable trust deed dated 10th September 1987.

THE CRESCENT TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

The trustees who served during the year and up to the date of signature of the financial statements were:

R A F Lascelles

J C S Tham

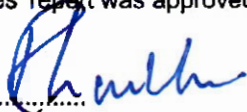

The charity's current policy concerning the payment of trade creditors is to follow the CBI's Prompt Payers Code (copies are available from the CBI, Centre Point, 103 New Oxford Street, London WC1A 1DU).

The charity's current policy concerning the payment of trade creditors is to:

- settle the terms of payment with suppliers when agreeing the terms of each transaction;
- ensure that suppliers are made aware of the terms of payment by inclusion of the relevant terms in contracts; and
- pay in accordance with the charity's contractual and other legal obligations.

The trustees consider the board of trustees to be key personnel of the charity in charge of directing and controlling the charity. All decisions are made by the trustees for which no remuneration is paid. No appointments or resignations occurred during the year and there is no formal process for recruiting, appointing or training trustees.

The trustees' report was approved by the Board of Trustees.

THE CRESCENT TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE CRESCENT TRUST

I report to the trustees on my examination of the financial statements of The Crescent Trust (the Independent Examination) for the year ended 5 April 2021.

Responsibilities and basis of report

As the trustees of the Independent Examination you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Independent Examination's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Independent Examination's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Independent Examination as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE CRESCENT TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2021

1 Accounting policies

Charity information

The Crescent Trust is constituted under a charitable trust deed dated 10th September 1987.

1.1 Accounting convention

The accounts have been prepared in accordance with the Independent Examination's charitable deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Independent Examination is a Public Benefit Entity as defined by FRS 102.

The Independent Examination has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Independent Examination. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Independent Examination has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Incoming resources

Income is recognised when the Independent Examination is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Independent Examination has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Independent Examination has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

THE CRESCENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

1 Accounting policies

(Continued)

1.5 Resources expended

Governance and support costs, which are the costs associated with the governance arrangements of the trust and relate to the general running of the trust, have been apportioned between charitable activities based on the direct costs involved.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Land for conservation is carried at its valuation and reviewed for any gains or impairment losses on an annual basis.

Plant and machinery 20% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Valuation of land and buildings held as an investment property has not been valued by an independent valuer.

1.8 Impairment of fixed assets

At each reporting end date, the Independent Examination reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

THE CRESCENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

1 Accounting policies

(Continued)

1.11 Financial instruments

The Independent Examination has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Independent Examination's balance sheet when the Independent Examination becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Financial assets classified as other financial assets are stated at fair value with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss includes any dividend or interest earned on the financial asset.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Independent Examination's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Independent Examination is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

THE CRESCENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

1 Accounting policies

(Continued)

1.14 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/(expenditure) for the period.

1.15 Grant funding

Grants expended to charities are accounted for on the basis of the date they are paid to the charity.

1.16 Taxation

As a registered charity, the trust is generally exempt from income tax and capital gains tax, but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

2 Critical accounting estimates and judgements

In the application of the Independent Examination's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The trustees have used judgement when deciding how to allocate support and governance costs across the two activities. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

THE CRESCENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

21 Designated funds

The income funds of the charity include the following designated funds which have been set aside out of unrestricted funds by the trustees for specific purposes:

	Movement in funds		Movement in funds		
	Incoming resources	Balance at 6 April 2020	Incoming resources	Resources expended	Balance at 5 April 2021
	£	£	£	£	£
Publication funds	-	-	21,000	(2,250)	18,750
	<u>-</u>	<u>-</u>	<u>21,000</u>	<u>(2,250)</u>	<u>18,750</u>
	-	-	21,000	(2,250)	18,750
	<u>-</u>	<u>-</u>	<u>21,000</u>	<u>(2,250)</u>	<u>18,750</u>

Some of the donations received in the year have been set aside by the trustees to fund educational and research costs in relation to a future publication on porcelain. These designated funds are spent as the costs are incurred.
