

# Trustees' Annual Report for the period

From 6th April 2020 To 5th April 2021

**Charity name: Southampton Action** Charity registration number: 1180540

# **Objectives and Activities**

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The prevention or relief of poverty in such parts of the world as the trustees shall determine by providing grants, items and services to people in financial need as a result of social or economic disadvantage and by assisting charities or other organisations working to prevent or relieve poverty among such people.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Southampton Action runs regular public appeals to collect items, particularly but not exclusively clothing, bedding, kitchen equipment, toiletries and camping equipment. Volunteers sort the donated items, which are then packed and delivered to order to refugees and asylum seekers in Southampton and also delivers items to refugee organisations working outside of the UK.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

# Additional information (optional)

You may choose to include further statements where relevant about:

	SORP reference	
Policy on grant making	Para 1.38	Not Applicable
Policy on social investment including program related investment	Para 1.38	Not Applicable
Contribution made by volunteers	Para 1.38	Southampton Action is only able to undertake the activities specified due to the contribution of volunteers.  There is a team of long-term volunteers with specific roles (e.g. donation coordination, administration, social media, fundraising and linking with other charities).  In addition to this, volunteers undertake particular tasks on an ad-hoc basis. During the Covid pandemic this has included donating

	items and also checking, sorting and boxing up donations delivered to them at home to work
	through in their own time.
Other	Not Applicable

# **Achievements and Performance**

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	In the reporting period, Southampton Action was unable to hold face to face events due to the Covid pandemic.  The following activities were undertaken:  1. Donation sorting – Items for sorting were delivered to volunteers homes for them to check quality and sort, ready for distribution to beneficiaries  2. Fundraising – multiple fundraising appeals were held to raise money for specific purposes. These included the provision of supermarket vouchers to combat destitution amongst the client group (vouches distributed by a partner organisation) and the purchase of clothing and other essentials for newly arrived asylum seekers.  3. Delivery of essential items – clients (both refugees and asylum seekers in the community and those living in hotel contingency accommodation) made specific requests for clothes, shoes and other essential items.  These were identified, bagged up and delivered directly to their accommodation. These enabled refugees and asylum seekers in Southampton to have access to items which they would otherwise be unable to afford or access due to their financial means.  In addition to this, the charity has successfully obtained a grant from Southampton City Council to permanently adapt our essential item provision service model to enable it to be resilient to Covid restrictions and changes to asylum contingency accommodation.

# **Financial Review**

Review of the charity's financial position at the end of the period	Para 1.21	The charity has £3592 in funds at the end of the financial period, £2485 of which is in restricted funding. The charity has one ongoing grant funded project (February 2021 to March 2022). The charity holds an assessed value of £1000 of stock, which is items of clothing and households items for distribution to beneficiaries at no cost to them.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The charity has no reserves, and only is required to maintain restricted funds which are to be spent only on the projects or items for which they are designated. There are no ongoing financial liabilities or anticipated fixed costs, outside of the money held in restricted funds and therefore there is a policy not to hold income in reserve. Where costs do arise, specific fundraising is undertaken to meet these costs or demands.
Amount of reserves held	Para 1.22	None
Reasons for holding zero reserves	Para 1.22	There are no ongoing liabilities.
Details of fund materially in deficit	Para 1.24	Not Applicable
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Not Applicable

Additional information (optional)
You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	The main source of income this year was a number of specific, targeted appeals via online fundraising platforms (e.g. Justgiving). In addition to this, a secondary source of fundraising was requesting people make individual donations (one off or ongoing) to the bank account, specifying what they wished the money to be spent on.  There was an additional amount of income received via a grant funded by Southampton City Council.  Physical items were also sought to be donated, including clothes, shoes and household items.
Investment policy and objectives including any social investment policy adopted	Para 1.46	Not Applicable
A description of the principal risks facing the charity	Para 1.46	The charity has no ongoing fixed costs and no liabilities which place it at risk
Other		Not Applicable

# **Structure, Governance and Management**

Description of charity's trusts:		
Type of governing document	Para 1.25	Constitution
How is the charity constituted?	Para 1.25	Charitable Incorporated Organisation
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	Two of the trustees were involved in the setting up of the original community organisation that became Southampton Action CIO. The remaining two trustees were long term committed volunteers in that community organisation. No person or body is entitled to appoint trustees. It was anticipated the number of trustees would increase in the year 2020-2021 but this was put on hold due to the pandemic. The existing trustees will seek to increase the number of trustees in the coming year via advertising for suitable candidates.

### Note 2

Offsetting

Legacies

#### Accounting policies

#### 2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

#### Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

There has been no offsetting of assets and liabilities, or income and expenses, unless required o permitted by the FRS 102 SORP or FRS 102.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Government grants

The charity has received government grants in the reporting period

Tax reclaims on donations and gifts Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

**Donated goods** 

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations

Donated services and facilities

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Support costs

The charity has incurred expenditure on support costs.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Income from interest, royalties and dividends

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

subscriptions

**Income from membership** Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.

> Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.

Settlement of insurance claims

Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.

Note 25 Fair value of assets and liabilitie	es		
	This year	Last year	
25.1 Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed), liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.			
25.2 Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS 102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.
