Section B	Structure, governance and management
Description of the charity's trusts	
Type of governing document	The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout
(e.g. trust deed, constitution)	Association.
How the charity is constituted	The Group is a trust established under its rules which are
(e.g. trust, association, company)	common to all Scouts.
Trustee selection methods (e.g. appointed by, elected by)	The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.
Additional governance issues (optional ir	formation but encouraged as best practice)
You may choose to include additional information, where relevant, about:	The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.
Policies and procedures adopted for: a) the induction and training of trustees; b) trustee' consideration of major risks and the systems and procedures to manage them	The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader, individual section leaders (if opted to take on the responsibility) and parent's representation and meets every 2 months.
	Members of the Executive Committee complete 'Essential Information for Executive Committee' training within the firs 5 months of joining the committee.
	This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for: The maintenance of Group property; The raising of funds and the administration of Group finance; The insurance of persons, property and equipment; Group public occasions; Assisting in the recruitment of leaders and other adult support; Appointing any sub committees that may be required;

S	Section B	Structure, governance and management (continued)
		Risk and Internal Control (Specimen 1)
		The Group Executive Committee has identified the major
		risks to which they believe the Group is exposed, these
		have been reviewed and systems have been established to
		mitigate against them. The main areas of concern that hav
		been identified are:
		Damage to the building, property and equipment: The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.
		Injury to leaders, helpers, supporters and members: The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.
		Reduced income from fund raising: The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.
		Reduction or loss of leaders: The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group a a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.
		Deduction on loss of members: The Crown provides
		Reduction or loss of members: The Group provides activities for all young people aged 6 to 18. If there was a
		reduction in membership in a particular section or the grou
		as a whole then there would have to be a contraction,
		consolidation or closure of a section. In the worst case
		scenario the complete closure of the Group.
		Pick and Internal Control (Sussimor 2)
		Risk and Internal Control (Specimen 2) The group has in place systems of internal controls that ar
		designed to provide reasonable assurance against materia
		mismanagement or loss, these include 2 signatories for all
		payments and comprehensive insurance policies to ensure that insurable risks are covered.
		unat insurable risks are covered.

Section C	Objectives and activities
Summary of the objects of the charity set out in its governing document	The Purpose of Scouting Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.
	The Values of Scouting As Scouts we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. Respect - We have self-respect and respect for others. Care - We support others and take care of the world in which we live. Belief - We explore our faiths, beliefs and attitudes.
	Co-operation - We make a positive difference; we co- operate with others and make friends.
	The Scout Method Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and: - enjoy what they are doing and have fun
	 take part in activities indoors and outdoors learn by doing share in spiritual reflection take responsibility and make choices
	 undertake new and challenging activities make and live by their Promise.
Summary of the main activities in relation to these objects	Group Sections meet weekly during term time. The Section Leaders organise a variety of team based activities. These are designed to develop the skills and capabitilities of the young people. Each term there are camps organised, usually at the weekend, where young people stay for one or two nights with lots of outdoor activities.

Additional details of the objectives and activities (optional information but encouraged as best practice)

You may choose to include further statements, where relevant, about:

policy on grantmaking;
contribution made by volunteers;
policy on investments.

Public benefit statement

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Section D	Achievements and performance
the charity during the year	The Group faced the challenges of COVID-19, with face-to- face meetings prohibited for much of the time. Volunteer leaders adapted their programmes to run many activities virtually. This helped to maintain membership numbers and provide much-needed continuity of scouting benefits to nearly 100 young people. These efforts provided a solid base for gradual return to normality, which continues.

Section E	Financial Review
Brief statement of the charity's policy on reserves	Reserves Policy The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 18 months running costs, circa £30k.
	The Group held reserves of just over £32k against this contingency at year end.

Further financial review details (optional information)

You may choose to include additional information, where relevant, about: • the charity's principal sources of funds Income in 2020-21 totalled £31,684. (including any fundraising);

The COVID-19 pandemic had a significant impact on our sources of income during the year. Membership subscripions totalled £7,470 down 40% from 2019-20. We reduced the level of subs charged to parents during Summer 2020 and Spring 2021 to reflect the fact that section meetings were held over Zoom rather than face-toface. We paid membership subscriptions and Explorer funds of £5,586 to Cambridge District Scout Council. We received £1,880 of donations, and claimed Gift Aid of £4,140 from HMRC. We received COVID-19 grants from Cambridge City Council totalling £20,708. We raised £616 from an online raffle held in Dcember 2020, and received bank interest of £57. Parental contributions for activities totalled just £199 reflecting the switch to online section meetings. Due to the pandemic the hut was out of use for most of the year and we generated no rental income. The organisers of the Essex Jamboree (originally scheduled for August 2020) refunded our deposit of £2,200.
