STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is a Charitable Incorporated Organisation (CIO), registered on 24th August 2018. Its governing document is the Constitution dated 1st June 2018. The CIO took over the assets, liabilities, contracts and operations of unincorporated charity no. 1125246, also named The Well Kibworth, as at 1st January 2019 in accordance with a Resolution of the members of the unincorporated charity at its AGM on 3rd May 2018.

The members of the CIO, as per paragraph 16 of its Constitution (the Constitution), are its trustees for the time being. The Constitution sets out an initial term of office for each trustee following which a trustee may be re-appointed to a maximum term of four years. New trustees are appointed for an initial term of four years. As well as appointed trustees, the Constitution allows for the church councils of St Wilfrid's, Kibworth and Kibworth Methodist Church to each nominate one trustee, again for a period of four years.

The schedule of Trustees above shows the changes in trusteeship during the year. Rev'd Jill Marsh, the Methodist nominee, resigned following a new appointment within the Methodist Church which took her away from the local area. Her replacement as Methodist nominee, Rev'd John Rackley, has also felt it necessary to resign due to other commitments. The trustees record their thanks to both for their contributions to The Well during their terms of office. Stephen Curtis also tendered his resignation following a new job appointment away from the area. Steve's business and technical advice has been invaluable during this time of office and as well as recording their thanks for that, the trustees are grateful that he has continued to support The Well in the management of computer systems.

Two long-standing trustees have also felt it time to stand down. Rev'd Alan Pyke as played a key role in the charity in a number of aspects, notably leading the Prayer Team and also, during the first lockdown in 2020, walking the distance of Lands End to John 'O Groats, raising over £4000 for The Well. Jacki Shorley has brought her considerable experience in organisation and fund raising to The Well as well as acting as a volunteer in shop and café. The trustees acknowledge, with thanks, the enormous contribution of both Jacki and Alan to The Well.

Five new trustees have been welcomed to The Well, James Hunt, Peter Thorn, Sue Wyburn, Anne Headley and Anne Gregory-Reid. All bring considerable expertise and experience in their different areas to the trustee group.

In accordance with the Constitution, Christine Pierce stood down as trustee at the meeting on 10th January 2022 and, offering herself for re-election, was duly elected.

OBJECTIVES AND ACTIVITIES

The principal object of the charity is to advance the Christian faith in the villages of Kibworth and the surrounding area by the provision of facilities for the social welfare of individuals. This has continued, subject to limitations noted below from the Covid pandemic, through daily prayer and through the welcome to all, provided in the Coffee Shop and Charity Shop, as well as through more focussed activities such as Dementia group and, from the start of lockdown in March 2020, a foodbank facility as noted further below. Because of Covid restrictions it has not proved possible to restart certain previous activities such as Seniors Groups and Youth groups.

ACHIEVEMENTS AND PERFORMANCE

The Well is firmly established within the community and continues to provide an essential facility. The trustees meet regularly to review the operation and progress of The Well and, individually, undertake voluntary duties as they are able.

Emma Dowman, who had been Centre Manager of The Well since January 2017, left the charity in July 2021 to follow her further Christian mission. Kay Witcombe and Toni Southwell also resigned their positions as joint Café Managers during the year. The trustees wish to record their thanks to all three; to Emma, not only for her years of devoted service to The Well but particularly for her prayerful and visionary commitment: and to Kay and Toni, particularly for the work in setting up the café to re-open after lockdown closures.

The management team now comprises Christine Faulconbridge, appointed as Outreach Manger from July 2021, Nicky Scarr, Café Manager from August and Andy Wright in the short-term post of Interim Business Administration and Community Support Manager (the latter aspect including management of the foodbank).

The Well's 'normal' activities continued to be severely restricted in the early part of 2021 by the Covid pandemic and although the café and charity shop were able to re-open in the Spring followed by the Dementia Café in September the Seniors' groups and Girls' Group have not been able to re-open, partly due to safe distancing concerns but also due to shortage of volunteers to lead the groups.

Income from the shop and café has been encouraging since re-opening and the trustees wish to record their thanks to Nicky; to Caroline and Ruth (leading the Charity Shop) and to the way all the staff and volunteers have tackled the challenges of safely welcoming customers back to The Well.

The foodbank continues to occupy the ground floor of 47 High Street, next door to The Well's main premises, supported by grants from Leicestershire County Council (LCC). A three year lease was agreed with effect from October 2020 and the trustees are grateful for the support from LCC which has covered the rent for the first two years plus additional costs. Although the principal terms of the lease were agreed at the outset, completion of the lease and payment rent has been delayed by details relating to physical aspects of the property. As a 31st December 2021 £6300 was held in Segregated Funds ('LCC Community Grant re 47 High Street' and 'LCC Community Grant 2021/22' in the associated Balance Sheet) by way of rent due for payment.

Introductions to the foodbank continue to come from HDC, Social Services, doctors' surgeries and local schools. Thanks is given to many individuals who have continued to donate both cash and food, the latter either direct to The Well or by way of the donations boxes at local Co-op stores. We also work closely with other local foodbanks, Jubilee and South Leicestershire.

FINANCIAL ACCOUNTING POLICY

In accordance with Charity Commission guidelines, accounts are prepared on a cash accounting basis. Alongside this Report, please also see the Statement of Financial Activities (SOFA) and Balance Sheet, the Notes to the Accounts and the Independent Examiner's Report.

FINANCIAL REVIEW

The Well's usual main sources of income, charity shop and cafe, continued to be restricted in 2021, from complete closure for the first three months to limited hours since then. Thanks are given to the supporters who have continued donations to The Well, monthly, quarterly or one-off, as they are able. Such donations are a necessary income stream for the general running costs of The Well as well as for the foodbank.

As acknowledged in last year's report, The Well has only been able to survive with the grant support mentioned above and shown in the SOFA and Balance Sheet. This support has enabled The Well's own reserves to be protected at this difficult time, leading to what is proving to be a gradual return to what has, hitherto, been normal activity. In particular, some previous volunteers have not felt able to return to The Well in present uncertain times.

The trustees have aimed to retain sufficient reserves in order to fund the running of the charity for a six month period. Gaps between staff resignations and new appointments during 2021 have reduced salary costs in the year helping toward an increase in General Reserve which now exceeds that target level.

The charity's funds are invested in accounts with HSBC UK Bank and Market Harborough Building Society.

Approved by the trustees on 7th February 2022 and signed on behalf of the trustees.
