FOR THE YEAR ENDED 31 MARCH 2021

OBJECTIVES AND ACTIVITIES FOR PUBLIC BENEFIT

The charitable objects of the charity are to relieve patients and former patients of The Fenwick Hospital, who are sick, convalescent, disabled, handicapped, infirm or in need of financial assistance and generally to support the work of The Fenwick Hospital.

ACHIEVEMENTS AND PERFORMANCE

Although the Fenwick was closed by the Covid pandemic for part of the year, the charity work has continued to support Social Care in Action (SCiA) with their work at the Health and Wellbeing Centre, with financial support towards essential maintenance work on the building and with the purchase of equipment.

The charity has also continued to work with SCiA on plans for the future of the Centre and services it provides.

We continue to work closely with our partners in Social Care in Action with our Trustees serving on their Boards.

FINANCIAL REVIEW

During the year ended 31 March 2021, the charity's income was £13,874 (2020 - £145,955) and expenditure was £5,175 (2020 - £21,808).

The charity incurred a surplus of £77,156 for the year (2020 - £92,299) after net gains/(losses) on investments of £68,457 (2020 - £(31,848)).

The reserves of the charity at 31 March 2021 were £586,965 (2020 - £509,809).

FINANCIAL REVIEW (CONTINUED)

Investment Policy

The greater part of the charity's funds are invested in a portfolio managed by Smith & Williamson Investment Services Limited. The portfolio's core objective is a balance between income and growth over a medium-term time horizon. In addition, the trustees have agreed with their investment manager that there should be no direct investment in companies that derive more than 5% of their turnover from tobacco production and companies that derive more than 3% of their turnover from armaments.

Reserves Policy and Going Concern

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level sufficient to cover their immediate future plans and 6 months' unrestricted expenditure. The trustees are of a view that the charity is a going concern.

Risk Management

The trustees have examined the major operational risks which the charity faces and confirm that systems have been established to enable reports to be produced so that the necessary steps can be taken to lessen these risks.

PLANS FOR FUTURE PERIODS

The Trustees and our partners SCiA are preparing plans for the next five years. These will be informed by a detailed public consultation now being undertaken. This is to update the original action approved by the PCT after wide publicity when the Fenwick was acquired from the NHS in 2007. It is the intention that by 2025 at the end of this five-year period the Fenwick Health and Well Being Centre will be on to a firm financial footing including having completed the necessary maintenance and improvement works to the buildings.

The aim is to complete this process as soon as possible so that the necessary people and resources are in place to support the agreed aims and objectives for the Fenwick to maintain its position as the leading Social Enterprise in the South in the Health and Wellbeing sector.

STRUCTURE AND GOVERNANCE

Governing Document

The charity was constituted on 22 May 1974 and registered as a charity on 1 July 1974, charity number 267393.

Trustee Recruitment and Appointment

Trustees seek to ensure that the needs of the charity are adequately represented through the diversity of the trustee body. Trustees are appointed by agreement, following application and interview.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Annual Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare Financial Statements for each financial period, which give a true and fair view of the state of the affairs of the charity and of its incoming resources and application of resources of the charity for that period. In preparing those Financial Statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the charity will continue on that basis.

The Trustees are responsible for maintaining proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the Financial Statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and, hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.
