REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31ST MARCH 2021

The Trustees, who are also Directors of the charity for the purposes of Company Law, present their annual report together with the accounts for the year ended 31st March 2021. They are prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2019).

OBJECTIVES AND ACTIVITIES

Objects and activity

The charity's objects are:

- the relief of unemployment for the public benefit in such ways as may be thought fit including assistance to find employment.
- the relief of poverty through the provision of advice, information and legal representation.

The beneficiaries of these objects are all adults who live in the Unitary Authority of Luton and the surrounding area within Bedfordshire.

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

ACHIEVEMENTS AND PERFORMANCE

Luton Rights is a registered charity working in Luton which aims to provide local residents, especially those who are vulnerable, with access to high quality and free advice. Luton Rights also provides a family mediation service, community outreach advice, employment support and continues to work in partnership with Luton Borough Council, Citizens Advice Luton, Luton Law Centre and Luton Irish Forum, as part of Luton Access.

The Luton Access partnership continued to be supported with funding from the Community Investment Fund administered by Bedfordshire and Luton Community Foundation. Although the funding was reduced compared to previous years due to the pandemic, it enabled Luton Rights in continuing to provide core services to residents.

The government's furlough scheme allowed Luton Rights to retain all staff throughout the financial year and beyond and with additional funding from the Big Lottery and Community Justice Fund the organisation was able to recruit additional resources to provide advice and casework to those who were being disproportionately impacted by the pandemic.

At the end of the financial year 2020-2021 Luton Rights made a surplus and will be utilised in 2021-2022 as the charity is envisaging further cuts to core funding so that resources and services continue to be maintained.

Throughout 2020-2021 primarily services have been provided remotely, which has been challenging for both staff and service users, we would like to express our thanks to our staff for their continued hard work in supporting our service users during this difficult time. We would also convey our thanks to our service users in their understanding and co-operation.

FINANCIAL REVIEW

The results of the charity for the year are set out in the Statement of Financial Activities on page 10.

Overall the charity had a surplus for the year of £38,990 (2020 - deficit £7,530). This was largely due to the Covid-19 support grants from local and national government.

Reserves policy

Restricted

The following are classified as restricted, as the donor has imposed restrictions on the use of funds, which are legally binding.

Unrestricted funds

In accordance with guidelines issued by the Charity Commissioners, the Trustees have adopted a policy regarding reserves to ensure that sufficient finance is available to adequately respond to the potential for a curtailment or cessation of operations in the event of a significant variation in funding.

PLANS FOR THE FUTURE

Specialist Welfare Benefits advice

Luton Rights will continue to work as part of Luton Access, working particularly with Citizens Advice Luton, to support clients who are referred after initial assessment or gateway with specialist welfare benefits advice, and particularly, for those clients who are vulnerable. This will continue to be provided remotely until such time when face to face services can be resumed.

Telephone advice service (Welfare Benefits)

Prior to the national lockdown the plan was to provide telephone advice as Luton Rights had identified a significant number of clients find accessing the welfare benefits advice through Community House problematic either because of their mobility issues or the inaccessibility of attending Community House when it is open. However due to the pandemic all services were provided primarily over the telephone and the plan is when face to face services do resume the offer of telephone advice will remain as an option.

Family Mediation

Luton Rights will continue providing family mediation and has trained a member of staff towards accreditation as a mediator. During the pandemic mediation has been provided remotely via telephone and Zoom

Community Outreach Advice

Due to national Lockdown face to face services ceased and advice and casework was being provided over the telephone. Prior to face to face services resuming a feasibility in continuing this provision will be carried out.

Employment Support

Luton Rights was successful in obtaining project funding in 2021-2022 and will be seeking further funding for the continuation of this service in 2022-2023.

Immigration Advice

Luton Rights made an application to OISC for Level 1 accreditation and due to the pandemic this is on hold, however as services resume a viability of running an immigration service will need to be conducted.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
