REPORT OF THE TRUSTEES

The Trustees present the Annual Report and financial statements of EL-KWABOAT MINISTRIES for the year ended 31 March 2021. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (revised 2005) in preparing the Annual Report and Financial Statements of the charity/company. The Report and Financial Statements also comply with the Companies Act 2006.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Legal status and Governing document

The objects and powers of the Charity were established in the Constitution of the church and the church is governed by it. The trustees are responsible for arranging and organising Annual General Meetings - AGM.

Appointment

The Trustees who held office during the financial year and at the date of this report are set out on page 3. The Trustees are elected by the church in accordance with the rules set out in the Constitution. The method of appointment of the Church Council is also set out in the Church Constitution. The trustees are voluntary and they form the membership of trustee board.

Induction and Training

Trustees, as part of their induction and training, go through series of training where they are briefed on their legal obligations and the Charity Commission's guidance on public benefit. The objects and aims of the church are explained. Trustees and volunteers are also encouraged to attend appropriate external training events where these will facilitate the undertaking of their role. The Board of Trustees manages the affairs of the church. The Board and the Church Council work cooperatively with the Reverend Minister, who has day to day operational responsibility, and are responsible for making decisions on all matters of general concern and importance to the church.

Organisation

The Board of Trustees and Council members are responsible for the overall strategy and direction of the Church. The Board of Trustees and Council members have the responsibility of cooperating with the Reverend Minister in promoting the whole mission of the Church – pastoral, evangelistic, social and ecumenical. The Trustees give their time on a voluntary and unpaid basis. The Church Council has wide responsibilities. It has a number of committees; each dealing with a particular aspect of church life. These committees which include music/worship, outreach, welfare, and finance are accountable to and report back to the Board of Trustees and Church Council on regular basis.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to operations and finances of the charity and are satisfied that systems are in place to mitigate exposure to the major risks. The trustees have a risk management strategy which comprises:

- regular financial review to ensure the continuity of charitable activities;
- ensuring all equipment are in good condition and safe for use;
- Competence based training for volunteers and trustees;
- liability insurance;
- Monitoring of new legislative requirements;
- Policies and procedures for children and vulnerable adults protection;
- Health and safety risks

Interest of Board of Trustees

No member of the Trustees had, at any time during the period under consideration, any interests in the charity which require disclosure in this report.

AIMS AND PURPOSE/OBJECTIVES

The EL-KWABOAT MINISTRIES was set up to, among others; to advance the Christian faith by sharing and demonstrating the Love of God to every person in every way possible and to reach the uttermost part of the earth with the Full Gospel of Jesus Christ. The principal activities of the church include:

- 1 . To proclaim the Gospel of the Kingdom of God through activities such as regular Sunday meetings and weekly activities; conferences, ministerial training and seminars.
- 2 . To share and demonstrate God's love by ministering to the needs of people (both members and others).
- 3 . Worship services which are opened to the general public – during these services we encourage personal growth by developing and empowering people through preaching and teaching of the Gospel of Jesus Christ; by motivating people through seminars and conferences.
- 4 . To develop strong society by encouraging and building strong family relationship through seminars/conferences and family friendly activities.
- 5 . To evangelize in order to tell people about the love of Christ by the use of the media (radio evangelism), tracts and other educative materials.
- 6 . To build lives by encouraging people to have hope in life and using the ministry of healing and deliverance through the full Gospel of Jesus Christ by provision.
- 7 . To undertake general charitable activities – such as providing aid for the needy.

OBJECTIVES, AIMS AND PRINCIPAL ACTIVITIES

The EL-KWABOAT MINISTRIES is committed to enabling as many people as possible to worship at our church and to become part of our community. The trustees maintain an overview of worship throughout the parish and constantly seek ideas on how our services can involve the diverse population and groups that live within our parish and the community. Our services and worship put faith into practice through prayer and scripture, music and sacrament, healing and deliverance.

When planning our activities for the year, the Pastor and the Board of Trustees has considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our church community through:

- Worship and Prayer, learning about the Gospel; and developing their knowledge and trust in Jesus.

- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.
- Education and training

A summary of the result of the EL-KWABOAT MINISTRIES activities during the period is given in the Statement of Financial Activities on page 16 Total income of the charity amounted to £102,293. This is a significant improvement in income as compared with last year income of £101,350. The income was spent judiciously to meet the objectives of the Church.

Volunteers

Without the selflessness, hard work and dedication of our volunteers we couldn't have achieved our aims and objectives. The volunteers contribute greatly to the running of the church and enables it to fulfil its objectives.

Financial Review

The book values of the assets held at the year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, in its opinion, adequate assets are available to fulfil the obligations of the charity. Our principal source of funds comes from the generous donations of committed members through Tithes and Offerings. Overall, we had a good financial year. Total receipts on unrestricted funds were £102,293 of which £101,148 was spent to promote the Christian ministry and charitable activities.

Reserves Policy

The Trustees have identified the need for reserves to be held as developing a reserves policy will assist in strategic planning such as in considering how new projects or future activities will be funded. To ensure sustainability and continuity of funding future activities, the trustees plan to have unrestricted funds to cover at least 3 months of unrestricted payments. This policy will be reviewed regularly to meet the charitable needs of the Church.

Investment Policy

The Trustees have the power to invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide a high degree of security and liquidity and to maximise returns whilst adopting a conservative approach.

Grant Making Policy

As part of our charitable objectives of providing aid to the needy, donations are made in the form of cash gifts to needy people and to members who find themselves in some form of financial difficulty.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Charity Commission requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end, of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- Prepare trustees annual reports and submitting annual returns forms and accounts
- Comply with the rules of the charity as set out in the governing document
- Ensure the charity is run carefully, by making sure it :
- Uses its charitable funds and assets wisely to further its charitable aims

Our examination also includes consideration of any unusual disclosures or items in the accounts, and seeking explanations from the Trustees. It is imperative to state here that the procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view'.
