Objectives and activities

Markaz Umar was set up for the purpose of advancing the religion of Islam by promoting the knowledge of Allah (God) as portrayed in the authentic sources of Islam and according to the way of the pious predecessors.

Markaz Umar will help to benefit the residents of major cities of England (with initial emphasis in London and Birmingham) by associating together the residents in a common effort to advance Islamic education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.

To this effect Markaz Umar will work to organise events and community centres.
