THE MESSAGE OF THE CROSS EVANGELICAL CHURCH

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2020

We are presenting our report for the year ended 31 December 2019 for the charity, The Message of the Cross Evangelical Church with charity number 1177259.

The Trustees of the charity are:

Caleb Mathewos

Mamush Tessema Dobamo Erchafo

Tutu Tesfaye

Daniel Balie

The previous principal address of the charity is: 52 Ambleside Point Tustin Estate London SE15 1EB.
New correspondent address: 34 Nashe House, Burbage Close, London, SE1 4ET.

The Charity is governed by a board on which the trustees are represented. It meets regularly to review, plan activities and monitor the financial position. The objective of the charity is to meet spiritual and physical need of its congregation and a wider community. The charity's main purpose is transforming the community through holistic ministry. We worship God, having a fellowship with each other and committed to serve the community.

However, Due to the current pandemic, the organisation couldn't hold its weekly church services or any activities in person that affected church finance because its income is from the collection during a church gathering. Therefore, we couldn't present a financial report for the year ending 31 December 2020.

Kind Regards

Caleb Mathewos
