## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

1. The advancement of health and the saving of lives by the provision of teaching and training in water safety, swimming, lifesaving, lifeguarding, resuscitation and general first aid.
2. The advancement of education in water safety so as to bring about knowledge of the principles which underline the art of natation.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

When planning our activities for the year, the Trustees of Nile Swimmers have considered the Charity Commission's guidance on public benefit. The Trustees consider how planned activities will contribute to the aims and objectives they have set.

Drowning kills hundreds of thousands of people every year. Nile Swimmers works to reduce deaths from drowning in Africa. We do this by training to local people to teach swimming and provide water safety education within their communities. Additionally, we conduct research, build partnerships, and provide a voice and a perspective from low income countries.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

2021 was an extremely difficult year for Nile Swimmers and the people of Sudan more broadly. The Government of Sudan enforced an extremely strict lockdown in response to the COVID-19 outbreak, which closed our activities completely. We are enormously grateful to the dedicated staff in Sudan who did their best to maintain operations. This emptied our reserves, and we will be working to build them back up again. We look towards 2022 with renewed energy and commitment to drowning prevention.

We would particularly like to give our thanks to Hind Elseed who was the dedicated Country Director in Sudan who left the organisation this year. She did a wonderful job over the last four years, and she will be missed.

## Section E
