The Charity acts as an umbrella organisation for Homeshare projects throughout the world.

**Review of Activities and Achievements**

The Charity does not operate any Homeshare projects but seeks to disseminate information to organisations who operate, or wish to, schemes of their own. It provides this information through its own website [www.homeshare.org](http://www.homeshare.org). The charity also operates a Network for organisations for a modest subscription which provides help for those joining the organisation.

During the year, a Memorandum of Understanding was entered into with Shared Lives Plus, a registered charity. This was terminated in early 2021 and the administration reverted to the charity

Board meetings are held using Zoom calls and four such calls were held during the year. In addition the Management Team, a subcommittee of the Board, meet more frequently.

The Covid pandemic has meant that plans for the 2021 International Conference have been postponed until 2023.
