OBJECTIVES AND ACTIVITIES

The Vision of Ryedale Methodist Circuit is to build fellowships of committed followers of Jesus Christ, who will share the Gospel, grow in faith and demonstrate this through loving service in both the local community and the wider world.

This vision will be worked out by:

- Increasing awareness of God's presence and declaring His love in our daily lives;
- Offering safe places for worship where everyone is made to feel welcome and accepted;
- Providing opportunities for spiritual growth and learning;
- Providing time and space for church and community activities;
- Showing care and support for all;
- Sharing tasks of ministry among both lay and ordained people;
- Working for justice and peace for all people, and
- Regularly reviewing opportunities for mission, ministry and worship both within the Methodist Circuit and with others of faith.

Objectives:

The purposes of the Methodist Church are and shall be deemed to have been since the Date of Union the advancement of:

- a) The Christian faith in accordance with the doctrinal standards and discipline of The Methodist Church;
- b) Any charitable purpose for the time being of any Connexional, District, Circuit, local or other organisation of The Methodist Church;
- c) Any charitable purpose for the time being of any society or institution subsidiary or ancillary to The Methodist Church;
- d) Any purpose for the time being of any charity being a charity subsidiary or ancillary to The Methodist Church.

STRUCTURE AND DECISION MAKING

The Circuit staff work as a team sharing responsibilities across the Circuit.

Day-to-day management decisions are taken by the Circuit Leadership Team (CLT). The CLT is composed of the Circuit Stewards and ordained staff.

The Circuit Meeting is the principal decision-making body responsible for the affairs of the Circuit and the development of circuit policy, although decision making was delegated to the CLT during the Covid19 lockdown and safe distancing period. It also acts as the focal point of the working fellowship of the churches in the Circuit, overseeing their pastoral, training and evangelistic work. It meets twice yearly, in the autumn and spring.

CLT meets between Circuit Meetings to:

1. discuss the life and work of the Circuit
2. formulate recommendations for the Circuit Meeting
3. carry out work on behalf of the Circuit Meeting, where appropriate.
4. to ensure the Circuit effectively uses its financial resources through:
 - (i) agreeing proposals for the annual circuit budget in advance of the Circuit Meeting
 - (ii) monitoring financial procedures.

The CLT is responsible for the maintenance and upkeep of the manses and has the authority to approve emergency works to manses on behalf of the Circuit Meeting.

All property schemes within the Circuit are examined by the CLT who recommend an appropriate response to the Circuit Meeting. The CLT may seek clarification or modification of an application before making its recommendation to the Circuit Meeting.

In addition to seeking approval, a church may seek financial support from the Circuit for urgent repairs or essential improvements. No limit is placed on this although requests have to be justified and the continuation of the church considered appropriate within the Circuit. For other projects (up to £5000) the CLT may recommend that the Circuit Meeting grant from the Circuit Model Trust Fund up to 15% of the budgeted cost of the scheme (subject to funds being available) depending on how well the scheme fits the approval criteria.

The CLT is also responsible for ensuring staffing levels are maintained at a workable level and may allocate funds for the employment of lay staff to assist with the work of the church when deemed necessary.

RISK MANAGEMENT

The Trustees have examined the major strategic and operational risks facing the Circuit and have established the necessary systems to manage or mitigate these risks.

In particular:

- insurance cover is in place
- the finances of the Circuit are kept under review
- the Circuit has adopted the Methodist Church Safeguarding Policy and ensured it is rolled out to the churches; appointed a Circuit Safeguarding Co-ordinator; appropriate Disclosure and Barring Service (DBS) checks are made and there are regular audits of Safeguarding practices across the Circuit and all its churches.

Public Benefit

We confirm that the trustees have had regard to the Charity Commission's guidance on public benefit.

Ryedale Methodist Circuit carries out a range of activities in pursuance of its mission. The Trustees consider that these activities, summarised below, provide benefit to those who are members of the Circuit through the local Methodist churches and the wider community.

ACHIEVEMENTS AND PERFORMANCE

Religious Activities

Acts of worship and pastoral care

The Circuit produces a quarterly preaching plan to ensure regular acts of worship take place at each of the Methodist churches and Local Ecumenical Partnerships under its remit. These are open to all people, without charge. The Ministers have pastoral care for these churches.

Baptisms, Weddings and Funerals

The Circuit staff conducted baptisms, weddings and funerals at each of the churches in the Circuit. These services are available at the discretion of the person with pastoral charge. No charge is made for baptisms. A modest set fee is usually charged for weddings and funerals.

Work with Children, Youth, and Families in the local Community

The Circuit supports the work done in the local churches to

- create and strengthen relationships and help people along their life's journey
- ensure people feel welcome and get a positive experience of Church life
- encourage people to start and continue a journey into faith.

We aim to make these services available to everyone.

People and property

Presbyters, Deacons and Local Preachers

The Circuit spiritually and financially supported the above named Presbyters and Deacon throughout the year (or for the period shown); a number of active Local Preachers and several Supernumerary Ministers took services and preached in the Circuit's churches during the year.

Lay Employees

The Circuit funded:

- 2 part time Lay Employees
- A part-time Administrator

Property management

The Circuit maintained three manses, each of which were occupied by ministers during the year. Three further former manses were commercially let. No redundant churches were sold during the year but one closed church was transferred to the Circuit.

Volunteers

A substantial part of the Circuit's ministry is accomplished by volunteers. All the Circuit Stewards and the other members of the Circuit Meeting, except for the Ministers and paid lay employees, are volunteers. All the local preachers are volunteers.

FINANCIAL REVIEW

The Accounts for the year ending 31st August 2021 and the Statement of Assets and Liabilities as at 31st August 2021 are contained in Appendix 1. These show net income (gross income less expenditure) of £69,901 in the year, with total cash funds of £775,945 at the end of the year.

This positive net income figure was mainly attributable to the sale of a piece of land, the proceeds of which were allocated to a building project at one church and, consequently, classed as restricted funds.

Unrestricted funds incurred a loss £34,591, mainly the result of lower assessments received (reduced by c.£48,000), grants of £11,000 paid out, and a loan of £12,000 to a church to cover cashflow concerns whilst grants are received for repairs.

The sale of the land raised was £143,000 net of sales costs, of which £142,000 was transferred into a new restricted Trust (within the Model Trust Fund) for the building project. £1,000 was donated to the wider Methodist Connexion (per the standard approach on such sales but reduced because the sale proceeds are being used on a specific building project). There was also a donation of £30,000 from the CMTF to the Yorkshire North and East District of the Methodist Church (per the standard approach where CMTF balances are held).

With the exception of the increase in restricted funds through the sale of land, the principal funding sources for the year to 31st August 2021 are the Assessments/Shares received from the churches within the Circuit and property rental. The principal expenditure is the salary costs of the ministers and lay employees of the Circuit.

The Reserves policy is contained in Appendix 2.

The Trustees have established a policy whereby the unrestricted funds held in the General Reserve (excluding amounts allocated to the Manse fund and the Property Inspection fund) should be sufficient to cover six months of general running costs. At 31st August 2021, the level of reserves was £132,000, with net current liabilities deducted (but not including loans) and annual expected expenditure is £280,000 including a contribution to the Methodist Pension Schemes. This approach to reserves is considered prudent because the contribution is a one off cost, loans are unsecured and, in addition, current staffing levels are considered low and may be increased in the future. Reserves excluding loans are equivalent to 6 to 8 month's costs.

The Trustees have also established a policy whereby the Circuit Model Trust Fund should be maintained at a level sufficient to fund an anticipated level of property projects plus the budgeted transfers to general funds over a five year horizon, after allowing for inflows from property sales. At 31st August 2021, the balance of the CMTF (excluding the restricted funds) is £425,559. The CMTF is currently in a position which exceeds the requirements of the policy.

This reserves policy will be reviewed regularly.

Overall, the Trustees consider the financial position to be satisfactory.

Approved on 17th March 2022 and signed on behalf of the Circuit by:

Reverend Peter Sheasby
Superintendent Minister

APPENDIX 2: RESERVES POLICY

Our Reserves Policy relates to our general (unrestricted) funds which are freely available to be used for any or all of the purposes of the Circuit.

Other funds are also included for the sake of clarity and openness and to show that the Circuit has a policy for the management of all of its money not simply those which are defined as reserves.

Aims

- To secure and sustain the Circuit's viability and future.
- To reassure the general public that the Circuit, which is a charity, intends to use all of the money coming into its care for the purposes of the charity.

Three Step Process

In line with Connexional guidance, we undertake a three step process in setting reserves policy:

- i. set out our mission aims
- ii. decide what financial plans will be necessary to achieve those aims
- iii. determine the appropriate level of reserves required to meet our financial plans.

(1) Mission Policy

The Circuit's Mission Policy is set out in a separate document developed during the merger process.

Essentially, it provides for:

- (a) The ministerial oversight and pastoral care of up to twenty local churches in the Circuit.
- (b) The support of a ministry team of three presbyteral Ministers (currently 1), a Deacon (retired 18.10.21) several supernumerary ministers and three lay employees (one plus an Administrator currently).
- (c) The maintenance of the two Circuit manses, four former manses which are currently let out commercially, and any closed chapels which are in the process of being sold.

(2) Financial Plans

Each year, the required levels of expenditure and income are reviewed and a Circuit budget is produced. This covers:

- the total level of expenditure required by the Circuit to meet the costs of 1(a), (b) and (c) above
- expected income from the let properties
- requirement for contributions to the Circuit from individual chapels
- appropriate level of transfer from Circuit Model Trust Fund (budgeted at £10,000 as a general amount for 2021/22 plus an exceptional transfer of up to £19,000 to cover the purchase of Communication equipment for churches to facilitate on line services and exceptional transfers each quarter to cover unpaid quarterly assessments by churches short of funds)

We make provision for our property maintenance programme by designating an amount per annum for each manse to maintain the properties, and an amount per annum to fund a program of periodic property inspections

(3) Reserves Policy

The Circuit General Fund

Under Standing Orders the Circuit must meet its financial obligations in relation to the support of its ministers and the maintenance of the manses. The total budgeted expenditure for the next financial year (including planned contributions to the Manse Fund and the Property Inspection Fund) is c.£280,000 including a contribution to the Methodist Pension Funds.

Our Reserves Policy is to hold at least six month's expenditure in hand. At 31/08/21 the balance was c.£132,000 (that is c.£159,000 balance with net liabilities, excluding loans of £92,000, of c.£27,000) so represented about six months expenditure.

The Manse Fund

This is a designated fund which exists to cover expenditure required to maintain the Circuit manses in good condition and to fulfil requirements of quinquennial inspections.

Our policy is to support this fund from the General Fund by means of an annual amount per annum, set so as to balance expenditure over a five year cycle. As such, there is no specific target level of reserves at any point in time, but an objective of covering requirements without undue volatility in the annual transfer.

At 31/08/21, the balance was just over £21,000. The budgeted annual level of funding for next year is £6,650 but, following a period where self distancing meant repairs were kept to a minimum, additional reserves are available to cover unexpected repairs.

The Property Inspection Fund

This is a designated fund which exists to cover the cost of quinquennial and other (e.g. electrical) inspections for both individual churches and circuit properties.

Our policy is to support this fund from the General Fund by means of an annual amount per annum for each manse, set so as to balance expenditure over a five year cycle. As such, there is no specific target level of reserves at any point in time, but an objective of covering requirements without undue volatility in the annual transfer.

At 31/08/21, the fund balance was just over £7,000; the budgeted annual level of funding for the next year is £5,600.

Circuit Model Trust Fund

This fund derives from sales of chapels and manses. Historically, the use of this fund has been restricted to specific purposes by the Conference, but more recently Circuits have been given the ability to use their CMTF as they see fit.

Our policy is to use the fund to provide support to the General Fund to further the work of the Circuit (budgeted at £10,000 in 2021/22) and to provide specific support for property related expenditure in individual chapels, through ad-hoc contributions to significant projects. The Circuit also uses this fund through an initiative to provide 15% of small property schemes and through the provision of grants for urgent repairs.

The call upon CMTF reserves will be further increased for the continued support for the purchase of communication equipment to facilitate online services in the future, as deemed necessary, and to compensate for assessments not paid by churches where financial difficulties are experienced by specific churches.

Our Reserves Policy is to hold sufficient in the CMTF to cover projected expenditure, over a 5 year horizon, after allowing for anticipated proceeds from property sales – this expenditure comprising:

- Continuing support for the General Fund (budgeted at £10,000 for 2021/22)
- Specific allowance for significant projects already committed to or anticipated
- Contributions of £20,000 per annum to future significant projects and repairs
- A running cost of £5,000 per annum from the "15% scheme"

There is a remaining specific requirement for funds of £19,000 for communication equipment in 2021/22 and an unknown level of need to cover unpaid assessments.

This would suggest a requirement of £194,000 plus the cost of specific projects and the amount of unpaid assessments, less proceeds from sales of closed chapels (net of levies and fees).

The actual balance in CMTF at 31/08/21 was c.£426,000 and this is considered prudent going forward and allows for the £88,000 reimbursement to the General Fund after the Circuit's contribution to the Methodist Pension Scheme.

Restricted Funds

These funds comprise trusts managed by Trustees for Methodist Church Purposes (TMCP), where either the funds are committed to a specific project or the income is available for general use but the capital cannot generally be accessed. Restrictions for the latter case funds are in line with the wishes of the benefactors. These funds amounted to just under £20,000 as at 31/08/21 whilst the funds available for a specific project amounted to just over £142,000.

Holdings of just over £1,100 are held in the Circuit bank account but had previously been held in a segregated savings account and are being treated as restricted until any requirements relating to its provenance can be confirmed.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE RYEDALE METHODIST CIRCUIT FOR YEAR ENDED 31 AUGUST 2021

I report on the accounts of Ryedale Methodist Circuit (Charity No: 1152920) for the year ended 31st August 2021, which are set out on pages 2 to 12.

Respective Responsibilities of Trustees and Examiner

As the Circuit's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145 (5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

Basis of the Independent Examiner's Report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts do not accord with the accounting records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

I have obtained independent verification of all investments with the Trustees for Methodist Church Purposes or held in other trusts, bank balances and funds at the Central Finance Board of the Methodist Church which are individually in excess of £10,000 (ten thousand pounds) at the balance sheet date.
