Report of the trustees for the year ended 31 December 2021

The trustees present their annual report and financial statements of the charity for the year ended 31 December 2021. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (second edition of the Charities SORP (FRS102) October 2019 effective 1 January 2019), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The financial statements have been prepared to give a “true and fair” view and have departed for the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a “true and fair” view. This departure has involved following Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (second edition of the Charities SORP (FRS102) October 2019 effective 1 January 2019) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Objectives and Public Benefit

The PCC’s objectives are laid out in a variety of statutory provisions as applicable to all Parochial Church Councils, as clarified from time to time in case law. Most fundamentally, the PCC has the responsibility for co-operating with the priest-in-charge or incumbent (as applicable) in promoting within the ecclesiastical parish of St Lawrence with St Nicholas the whole mission of the church, including pastoral, evangelistic, social, and ecumenical matters.

As a charity, the PCC must demonstrate public benefit, with reference to the Charity Commission guidance on public benefit, and, in particular, such supplementary guidance as exists on charities for the advancement of religion. Accordingly, a summary of our activities is given below.

Activities and performance

We maintain and promote an active Christian presence in the parish of St Lawrence with St Nicholas, open to people from across York, and beyond. We seek to enable people to grow in and to live out their faith as part of our parish community; and we seek to reflect the joy and neighbourliness of the Kingdom of God through our activities together. We seek to advance the Christian religion through public access to the Sacraments, worship, prayer, and teaching; through provision of pastoral care for people living in the parish; through the maintenance of a house of worship and prayer; and through social activities which bring people together. To give a few specific examples:

- We ensure that public services are held every Sunday, both morning and evening; and we seek to promote these through advertising and the ringing of bells, and to be a welcoming and open church to those who come to pray with us.
- We try to provide pastoral care, and means to seek the aid of God and Church when in need, by promoting access to personal pastoral care from clergy and lay readers, by keeping the church and churchyard open for prayer and reflection as much as possible, and by ensuring activities and services are well advertised and accessible to all.
- We organise, promote, and encourage social activities and fellowship amongst both parishioners and visitors, through the choir, bellringing, and other church activities, and, via the operation of the Church Community Hall, through activities such as clubs for the elderly, coffee mornings, and our Harvest Supper; and we provide a friendly and well-kept venue for diverse activities.

In order to facilitate our work, it is very important that we maintain the fabric of the church of St Lawrence, and ensure that the Community Hall and the churchyard are well kept. It should be noted that the maintenance of our fabric is part of the public benefit that we provide, as a piece of religious testimony set in stone and glass, and through the public amenity provided by our grade 2 listed church (with its 15th Century font, good collection of 19th-20th century stained glass, and, now, its historic Denman pipe organ) and by our churchyard (a large part of which is a scheduled ancient monument and which contains a grade 1 listed remnant of the medieval church of St Lawrence) visually, as a venue, and as a heritage asset of the community and our nation.

But beyond fabric, we remember our much wider though less obviously tangible mission. We value our strong connection with our parish, and the wide range of people for whom St Lawrence forms an important part of their lives, even if they are not with us in church every Sunday. In this regard, we should perhaps particularly note our strong commitment to our links with local schools, and hope to see this link strengthened in future. We value our links with and support for St Lawrence's school, and we very much appreciate the contribution of University students to our church community, and aim to express Christian hospitality in our welcome to them.

The PCC is indebted to the many volunteers who give freely of their time and talents for the benefit of the church.

Property

The PCC is entrusted by statute with responsibility for the maintenance and care of the church and churchyard of St Lawrence, the freehold to which is vested in the incumbent of the benefice (during the vacancy the sequestrators). The Church Community Hall is held by the York Diocesan Board of Finance as custodian trustee for the administrative trustees, which are the Incumbent and the churchwardens for the time being. The Hall is held on trust for the ordinary uses of a church community hall as part of the mission of St Lawrence PCC. It is managed financially in tandem with the PCC's funds and the PCC accordingly exercises a general oversight over the hall and its administration. The administrative trustees manage bookings and other day-to-day Hall matters with the assistance of the appointed Hall Manager.

Report on activities and achievements in 2021

The impact of the COVID-19 pandemic meant that the church and church hall, having been closed for much of 2020, were closed or only in partial use through much of 2021.

The Church Hall saw important community service as a local vaccination centre.

In the spring, church services were more limited due to lockdowns and government restrictions, however the normal pattern of services resumed by the summer.

Whilst some areas of church life could carry on with some continuity, such as the most ambitious musical enterprises which could be effectively organised and streamed via YouTube, hard work had to be done later in the year to begin to rebuild parts of church life which COVID had rendered very difficult for a long time. New ventures were started to bring together older and more isolated people in the community, and progress was made despite COVID restrictions in advancing the long-planned chorister project.

Further work was carried out to the fabric of the building, albeit on a smaller scale than in some recent years. In particular major work to the north aisle guttering and rain water goods was completed with financial assistance from a COVID heritage grant. The church benefited from and built on work carried out in the previous year, with the Normandy Veterans' window featuring on an ITV television programme in April and the successful organ project enabling a popular musical festival to be held around Trinity Sunday, enabling the church to reach a much wider audience.

We have been fortunate to secure grant funding to complete the internal decorations to the church interior which we hope will be completed in 2022.

The church's new parish priest, the Reverend Adam Romanis, settled well after his arrival late in 2020, and on 12th December 2021 he was instituted and inducted to become Vicar of St Lawrence (rather than merely priest in charge by licence). His was the first such appointment to St Lawrence this century and the change represents a significant milestone for and statement of confidence in St Lawrence.

Financial Review

The balance sheet for total restricted and unrestricted funds shows an increase of £6,183 from £60,393 at 31 December 2020 to £66,576 at 31 December 2021; of this increase, £2,540 relates to general funds. This year again we were fortunate that collections and planned giving held up well during the periods the church was closed with gifts made directly through the banking system or people giving 'catch-up' donations when returning to church services. With the ease of COVID-19 government restrictions the income from Hall bookings increased by £5,136

Movement on the restricted funds are shown at Note 10.1-10.3 of the accounts.

A freewill offering of £4,450 was made to the York Diocese Common Fund.

Reserves policy

Unrestricted funds are extremely limited and are likely to remain so for the foreseeable future. In view of that, the PCC has not established a reserves policy, but it aims to do so when the time is right.

Financial prospects and future plans

The members of the PCC regularly review its financial position and are mindful of their obligations to review and report on the charity's financial prospects. They have reviewed the impact of the pandemic, which has at times closed the church and hall and impacted on the worshipping community in other ways, and what the future may hold. Its members believe that the PCC has not been in a better position for a great many years. The very major and significant projects which were needed to address building maintenance issues across two large buildings have been completed, and the recent organ project opens up many new avenues for use of the building as well as mission. The last few years have seen a significant number of vocations to the priesthood which in turn has led to the diocese to invest in a stipendiary minister at St Lawrence. It will be necessary to carry out a stewardship campaign once pandemic restrictions are removed, but the work described has put the PCC in a much better position than previously to carry out its aims and to sustain itself financially, so that its members do not believe that there need be doubt as to the PCC's ability to continue as a going concern. A very significant change in the public health position and a complete change in the direction of public policy in this area could lead to a more negative picture developing, but the members of the PCC believe that even in such circumstances the charity has realistic ways of adapting and continuing into the foreseeable future. The accounts have accordingly been prepared on a going concern basis and PCC members believe that the charity remains and shall remain a going concern.

Structure, governance and management

All Parochial Church Councils (PCCs) are corporate bodies established by statute law as charitable bodies as part of the Church of England by law established. The PCC, like all other PCCs, operates under the Parochial Church Council Powers measures and associated parliamentary and synodical legislation. St Lawrence PCC has in previous years been excepted by order from registering with the Charity Commission, but the PCC applied for registration in 2019 and on 10th April 2019 the Charity Commission notified the PCC that it had been added to the Register of Charities as '*The Parochial Church Council of the Ecclesiastical Parish of St Lawrence with St Nicholas, York*' with Charity Number 1182907.

Structure, governance and management (continued)

The method of appointment of PCC members is set out in the Church Representation Rules, introduced by the Synodical Government Measure 1969 and since amended. The trustees of the charity are the members of the PCC. In summary, the members of the PCC are: the Incumbent (or priest-in-charge where applicable), the two churchwardens, and the Deanery Synod representatives are all ex officio members; together with a number of members elected at the Annual Parochial Church Meeting (APCM) by those on the Electoral Roll maintained under the Church Representation Rules, the number varying in law depending upon the number on the Electoral Roll; plus co-opted members so far as permitted by law and appointed from time to time. All regular attendees of St Lawrence's services are encouraged to apply to be included on the Electoral Roll. All parishioners – that is, those residing within the geographical bounds of the ecclesiastical parish plus those on the electoral roll – are entitled to vote for the two churchwardens at the annual Vestry Meeting which conventionally immediately precedes the APCM. The PCC has by resolution adopted the Safeguarding Policy of the Diocese of York and in 2021 had a named Parish Safeguarding Representative. The PCC in 2021 complied with section 5 Safeguarding and Clergy Discipline Measure 2016 (duty to have regard to the House of Bishops' guidance relating to the safeguarding of children and vulnerable adults).

Despite Covid restrictions, it was possible to hold the Vestry Meeting and the Annual Meeting of the parishioners on 27th May 2021.

Statement of Trustees' Responsibilities

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting practice).

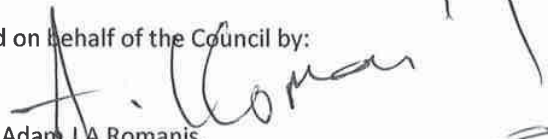

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the statutory provisions governing the operation of any Parochial Church Council. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

Independent Examiner's Report
For the year ended 31 December 2021

Independent Examiner's Statement

I report to the trustees on my examination of the accounts of The Parochial Church Council of the Ecclesiastical Parish of St Lawrence with St Nicholas, York ("the PCC") for the year ended 31 December 2021.

This report is made solely to the PCC's Trustees, as a body, in accordance with Section 154 of the Charities Act 2011. My independent examination work has been undertaken so that I might state to the PCC's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the PCC and the PCC's Trustees as a body, for my independent examination work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity trustees of the PCC you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act') and the Church Accounting Regulations 2006 ('the regulations').

I report in respect of my examination of the PCC's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act. My examination was also carried out in accordance with terms found in the current Church guidance issued by the Finance Division of the Archbishops' Council.

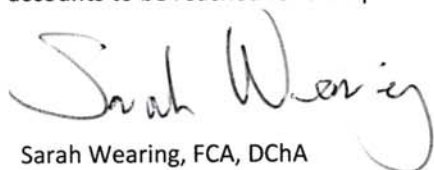

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached for the opinions I have formed.

For the year ended 31 December 2021

Note 1 - Accounting policies

Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with Accounting and Reporting by Charities; the current Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (second edition of the Charities SORP (FRS102, October 2019, effective 1 January 2019), and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), and the Charities Act 2011.

The PCC constitutes a public benefit entity as defined by FRS102.

The financial statements cover all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members.

There were no significant estimates or judgements made by the PCC in preparing these financial statements.

Going Concern

The Trustees have reviewed the financial position of the PCC including the impact of the Coronavirus pandemic and have a reasonable expectation that the PCC has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the financial statements continue to be prepared on the going concern basis.

Fund accounting

Restricted funds

These are revenue donations or grants for a specific PCC activity intended by the donor.

Unrestricted funds

These are income funds which are to be spent on the PCC's general purposes.

Changes to previous accounts

No changes have been made to accounts for previous years.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> · the charity becomes entitled to the resources; · the trustees are virtually certain they will receive the resources; and · the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants, legacies and donations	Grant, legacies and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or

ASSETS

Debtors	Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. Consecrated property is not included in the accounts in accordance with s10(2)(a) and (c) of the Charities Act 2011.
Depreciation	Depreciation is calculated to write off the cost of fixed assets over their expected useful lives. The rates used are as follows: Fixtures, fittings & equipment: 20% per annum straight line
