AIMS AND ORGANISATION

Buxton Methodist Church has accepted the definition of its aim and purpose given by the Methodist Church in Britain. We exist to:

WORSHIP:

Increase awareness of God's presence and to celebrate God's love

SERVICE:

Be a good neighbour to people in need and to challenge injustice

LEARNING AND CARING:

Help people to learn and grow as Christians, through mutual support and care

EVANGELISM:

Make more followers of Jesus Christ

The Managing Trustees of Buxton Methodist Church are the 'Church Council', which is responsible for overseeing the life and mission of the church in accordance with our stated aims and objectives and in accordance with the Constitutional Practices and Discipline of the Methodist Church. It consists of people elected from amongst the members of the church and those who are members by virtue of their office.

Several sub-committees are appointed by the Church Council to assist it in its work and are responsible to it.

The Church Leadership team and Church Stewards, elected by the church members, ensure, with the minister, that Church Council Policy is carried out and they have responsibility for the day-to-day life of the church.

REVIEW OF PROGRESS AND ACHIEVEMENTS 1/9/2020 - 31/8/2021

As with many organisations this annual report is written in a year affected by COVID 19 restrictions. These restrictions have had significant impact on the day-to-day life of the church and the many outside users. There was a brief period when the church re-opened from September to November but further lockdowns and increased risk meant that the church remained closed to all but essential users. The church reopened for Easter (Sun 4th April) and continued to carefully and safely open up as guided by Government guidelines.

WORSHIP.

- Worship is central to our life. We seek to relate our spirituality and worship to the needs of this world and the community and we aim to serve. We have responded to Covid social distance guidance and reduced seating capacity and increased spacing between seats and rows. We hold a weekly morning service where numbers average about 55 – 60 and try to provide worship that is relevant and accessible for all.
- We used a booking in system to make sure everyone who came to church was assured they would have a seat and not be turned away because the church was full. We also implemented a track and trace system.
- Following the COVID lockdown, we enhanced our weekly news sheet to include
 a 'worship at home' section. This section is written by our Local Preachers and
 minister. This weekly sheet was distributed by a group of volunteers and was
 given out to over 100 homes. As lockdown restrictions eased and people got
 busier it was decided to stop the weekly distribution but try to find other ways like
 email and the quarterly magazine for keeping in touch with the congregation.
- We have also provided a weekly online service via the zoom platform. This has been in conjunction with the other churches across the High Peak Partnership. As people have grown more confident in returning to face to face services, inevitably the numbers on zoom have reduced yet there is still a number who appreciate the weekly service.

SERVICE

- Wednesday Luncheon Club. This has not started and there are on-going discussions about ways in which it may restart, maybe in a more low-key way.
- Tuesday and Saturday Café. Due to covid restrictions the café was unable to start but there were plans for it to start in October 2021.

- Fair Trade church. We continue to promote Fairtrade and use Fairtrade products whenever possible.
- All We Can. We continue to support All We Can as a partner church and regularly hold collections and support their appeals.
- Plastic Pledge in February 2020, commitment of reducing it's plastic usage in 3 ways; no cling film, refilling washing up liquid bottles at the local 'Day Zero' shop, and replacing plastic coffee/tea cups for cardboard or washable cups. Although the launch of this was affected by the church closing for Covid, we still maintain to work toward this pledge and have put in place the use of paper cups and pens from recycled plastic.
- The Church Council makes donations amounting to 10% of our regular giving income, this is divided between the following regular contributions; Methodist Mission in Britain Fund; Methodist fund for World Mission; Action for Children; All We Can (Methodist Relief and Development); Methodist Fund for Church Property; JMA; and to local charities chosen on an annual basis. Additionally we raise money for local causes and national and international appeals throughout the year.
- The church is a major provider of high quality rooms and facilities for the local community. During the closure our bookings stopped but following re-opening in April the bookings have steadily increased and although not back to pre-covid levels things are looking more positive.
- Our Uniformed groups have been unable to meet face to face but they have plans to start using the church premises from September 2021.
- Due to Covid restriction the Buxton Fringe festival was very limited this year and there were just 3 events. We hope things will be better next year.
- We continue to improve and invest in our premises and hold financial reserves for longer term projects which will ensure the buildings remain at a high standard.

LEARNING and CARING

- The 'Home Group' stopped meeting and are discussing ways they might want to start meeting again.
- · 'Network'. This stopped and is unsure if it will start again.
- 'Inbetweeners' were able to occasionally meet and enjoyed a couple of afternoon walks.
- Funerals, the minister took a number of funerals in the name of the church but most were held at Macclesfield crematorium.
- Pastoral Work. Face to face visits have been very limited but phone calls, zoom and emails have been a way of keeping the church family in touch with each other.
- Churches Together in Buxton. This has been very limited this year, partly due to Covid and partly due to the chair of the meeting being off due to illness.

- Sunday Club. The Sunday Club continued to meet on zoom and then met face to face. With two of the leaders stepping back from leading the Sunday Club there is a transition with leadership but the hope is a wider group will take on the responsibility of running the group. The number of children remains steady at about 10 – 15.
- Baby and Toddler Group. This started but was unable to continue due to lack of volunteers and there are ongoing discussions about how it may restart.
- 'Holiday Club'. There was a very successful Holiday club for 25 children and run by 15 adult during the August school holiday. Using the Scripture Union 'Wonder Zone' resource there were 5 days of activity learning and fun.
- Safeguarding. We continue to maintain our church as a safe place to meet and review our procedures as and when necessary. Training will resume when it is safe to meet face to face.
- During the time of COVID restrictions we have adapted our position in regard to furloughing staff. They have worked when there was need but we have also been careful to use the church reserves wisely and furloughed staff when there is no work to do.

EVANGELISM

Since the appointment of our Publicity Coordinator the improved standard of our Church magazine has been widely praised and it remains a major way in which the church communicates the varied life of what the church.

The weekly sheet has also become a significant weekly publication and is very much appreciated by those who receive it.

We also have an increasing presence on Facebook with regular posts and photos about events and activities.

Looking to the future.

In many ways the church has a fresh start, many groups have stopped and we find ourselves in a period of reassessment. There is a lack of volunteers, energy and time to do many of the things which were done before so it will take time to wisely select our priorities for where our resources are focussed. A numerically smaller church which is less busy is inevitable, yet there are signs of new life and by choosing carefully what we do we will be able to continue a meaningful ministry in the town.

We also wait to see which outside groups are able to re-start so a new diary of events can be established.

Financially, it is fortunate the church has good reserves and is able to 'weather the storm' to some extent but we remain vigilant and continue to encourage giving through a variety of ways.

Andrew Parker Minister

Annual report comments from treasurer

The impact on church finance from the situation which we have faced over the year has been significant but not catastrophic due to our reserves. The two areas which have suffered most are Lettings (down by a further £13,000) and Café, which was closed for the whole year. Freewill giving has held up well and some of the reduction in loose-cash offertories has been compensated for in sundry donations.

The improvement in the total income is largely from the income tax recovered for this and the previous year being received in the same year.

Our general expenditure has also been reduced due to the closure of the buildings: less has been spent on gas and electricity, but there was a significant increase (£27,000) in the expenditure on building maintenance. It was an opportune time, while the building was closed, to redecorate and lay new carpet in the church. Some of our staff continued to be furloughed and we have claimed the relevant Government grants. As responsible employers we have continued to pay our staff their normal amounts. All resumed normal hours by the end of this period.

The overall result was that we spent £32,000 more than our income. This came from reserves and had been budgeted for in forward plans. Nonetheless, our five year forecast shows a year-on-year decline in funds.

SECTION E

Please follow the Guidance Notes to complete this page

Summary of the Church accounts for the year ended 31 August 2021 and internal Organisations reporting to the Church Council/Church Meeting. Note that the funds of an Internal Organisation would normally be Restricted funds unless it could be clearly shown that they could be used for any Methodist purpose. This section must be completed to arrive at the gross income and expenditure totals of the Church. If gross income exceeds the Accruais threshold, then the Accruais method of accounting AND A DIFFERENT FORM must be used to report the accounts (see Methodist website). Please refer to the guidance notes regarding transfers between the District and connected District Organisations.
