THE FISHER PARKINSON TRUST LIMITED

TRUSTEES ANNUAL REPORT YEAR ENDED 31ST DECEMBER 2021

The trustees, who are also the directors of the charity for the purposes of the Companies Act 2006, present their report, which also represents the directors' report as required by Company Law, together with the financial statements of the charity for the year ended 31st December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements, in accordance with the charity's governing document, the Companies Act 2006, and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) published on 16th July 2014.

INCORPORATION

The charitable company was incorporated on 24th July 2006, under the company registration number 05885257.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

When a vacancy occurs among the Trustees, it is the policy of the remaining trustees to seek to appoint someone who is local to the surrounding area and known by them personally or by reputation to be a suitable, reliable candidate. That person would then be approached by the Trustees, to gauge their interest, after having had the objects of the Trust and the duties of a trustee explained to them.

The appointment of the directors/trustees shall by ordinary resolution be by the members of the company at a general meeting.

Organisational structure

During the year the Directors met four times to consider any requests for assistance received and to deal with various administrative matters, including the general criteria for investment and financial reporting.

The Directors were appointed at the first Annual General Meeting and one-third shall retire by rotation from office at each subsequent annual general meeting. Each Director retiring by rotation shall be eligible for re-election.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

OBJECTIVES AND ACTIVITIES

The charity's public benefit

The objects and aims of the charity are to apply the income and such part of the capital as the trustees think fit, whether through donations, other charities, or by any charitable means, for or towards such charitable purposes as the trustees think fit.

THE FISHER PARKINSON TRUST LIMITED

TRUSTEES ANNUAL REPORT YEAR ENDED 31ST DECEMBER 2021

The trustees are satisfied that due regard has been given to the public benefit guidance published by the Charity Commission as required by section 4 of the Charities Act 2011.

ACHIEVEMENTS AND PERFORMANCE

Investment performance

The Trustees have delegated control over all its Fixed Asset Investments to Croesus and Lucas Fettes. They are required to generate maximum income, whilst adopting a reasonably cautious attitude to risk so as to safeguard the investments of the Trust and achieve modest capital growth.

As anticipated, due to the economic climate the value of the investments has increased from £1,182,543 to a market value of £1,262,518 as at 31st December 2021.

It is anticipated that with the current economic climate the value of the investments may well decrease in the short term, but with a medium to long term strategy being implemented, the Trustees continue to monitor the situation.

FINANCIAL REVIEW

Reserves policy

Initially the Trustees have agreed a policy that wishes to consolidate the capital base of the Trust. Whilst the Trustees have the ability to distribute Capital Reserves as grants, they consider it prudent to protect the capital base, with a view to also enhancing income growth.

It is intended that the Trustees future policy is to distribute all but a minimum working balance of the income arising each year.

Principal funding sources

The principal funding sources of the charity are currently and in the future by way of Rental and Investment Income derived from the capital assets owned by the Trust.

Trustees' responsibilities statement

The trustees (who are also the directors of The Fisher Parkinson Trust Limited for the purposes of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees must prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any

THE FISHER PARKINSON TRUST LIMITED

TRUSTEES ANNUAL REPORT YEAR ENDED 31ST DECEMBER 2021

- material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees confirm that so far as they are aware, there is no relevant audit information (as defined by section 418(3) of the Companies Act 2006) of which the charitable company's auditor is unaware. They have taken all steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Trustees' indemnity insurance

The cost of trustees' indemnity insurance for the year was £343 (2020 - £343).

Small company provisions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small charitable companies.

Auditors

The auditors, Stephenson Smart (East Anglia) Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

THE FISHER PARKINSON TRUST LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE FISHER PARKINSON TRUST LIMITED

YEAR ENDED 31ST DECEMBER 2021

Opinion

We have audited the financial statements of The Fisher Parkinson Trust Limited (the 'charitable company') for the year ended 31st December 2021 which comprise Statement of Financial Activities, Balance Sheet, Statement of Cashflows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice)

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st December 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of the report.

Other information

The information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for all other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be

THE FISHER PARKINSON TRUST LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE FISHER PARKINSON TRUST LIMITED

YEAR ENDED 31ST DECEMBER 2021

materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report, which includes the directors' report prepared for company law purposes, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in exemption from the requirement to prepare a strategic report or in preparing the Trustees' Annual Report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 3, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

THE FISHER PARKINSON TRUST LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE FISHER PARKINSON TRUST LIMITED

YEAR ENDED 31ST DECEMBER 2021

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with the laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following: the nature of the industry and sector, control environment and business performance including the key drivers for remuneration; the Charity's own assessment of the risks that irregularities may occur either as a result of fraud or error; results of our enquiries of management; any matters we identified having obtained and reviewed the charity's documentation of their policies and procedures relating to identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance; detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud.

In common with all audits under ISAs (UK) we are also required to perform specific procedures to respond to the risk of management override. We also obtained an understanding of the legal and regulatory framework that the Charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act and tax legislation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorresponsibilities. This description forms part of our auditor's report.

THE FISHER PARKINSON TRUST LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE FISHER PARKINSON TRUST LIMITED

YEAR ENDED 31ST DECEMBER 2021

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or the opinions we have formed.

THE FISHER PARKINSON TRUST LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31ST DECEMBER 2021

1. Accounting policies

Basis of accounting

The financial statements have been prepared in accordance with the Companies Act 2006, and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) published on 16th July 2014.

Voluntary income

Legacies are included in full in the income and expenditure account as they are received.

Investment income

Bank interest is included in the income and expenditure account on an accrued basis. Income on listed investments includes all realised and unrealised gains on investment. Income from investment properties is included in the income and expenditure account on an accrued basis.

Resources expended

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT.

Grants payable are included in the Statement of Financial Activities when issued.

The cost of generating funds includes all costs relating to fund-raising activities.

Resources expended on charitable activities include all costs relating to providing grants to eligible applicants.

Governance costs comprise the costs of complying with constitutional and statutory requirements, including external audit.

Fixed assets

All fixed assets are initially recorded at cost.

Investments

Listed investments comprise stocks and shares quoted on recognised stock exchanges and are included in the balance sheet at their fair value, which has been ascertained by reference to their publicly reported mid-market value.

Other investments comprise investment properties situated in the United Kingdom and are included in the balance sheet at their fair value, which has been ascertained by the trustees after taking advice from the letting agents responsible for the management of the properties

The differences between fair value and the original cost of the investments are shown as unrealised investment gains or losses and transferred to the income and expenditure account. The difference between the balance sheet value and the proceeds of investments disposed of are shown as a gain or loss in the Statement of Financial Activities

THE FISHER PARKINSON TRUST LIMITED
