Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 December 2021

Structure, governance and management

The company was registered with the Charity Commission (registration number 276308) on 7th July 1978.

The trustees review the charity's needs to ensure that new trustees are recruited with the necessary skills required by the charity.

Risk

The trustees are watchful of the risks there may be in pursuing their aims. They have examined the principal areas of the Charity's operations and considered the major risks faced in each of those areas. In their opinion they have established review systems which, under normal conditions, would allow these risks to be mitigated to an acceptable level in its day to day operations.

The trustees are mindful of the Charity Commission guidance on public benefit.

Objectives and activities

The primary purpose of the charity is to promote, maintain, improve and advance education by the production of educational plays and the encouragement of the arts

Achievements and performance

The trustees are happy with the financial performance for the year with a net surplus of £15,935 being taken to reserves.

Financial review

The start of 2021 found us still in lockdown but small business grants amounting to £25,669 have allowed us to keep the building in good repair.

By the middle of the year we were able to reopen the theatre and rehearsals were resumed for 'Quartet' which had been cancelled in 2020. It took place in September and we were pleasantly surprised at the number of people who were willing to come and see it even though mandatory mask wearing had just been reintroduced owing to rising cases of Covid. We took £2,700 in ticket sales and the show overall made a profit of £971.

In December we put on a very successful production of 'Cinderella', selling every ticket for all 8 performances. Ticket sales amounted to almost £17,000 and with very low production costs this gave us a profit of £14,750.

'Big Fish' and 'And Then There Were None', both originally scheduled for 2020 will now take place in 2022.

The bar reopened as soon as Covid legislation allowed and subscriptions were reinstated in September. Room hire has also been possible in the latter part of the year.

At the beginning of 2022 we had just over £50,000 in the bank and another £41,500 in our COIF Deposit account.

Independent Examiner's Report to the Trustees of Wells Operatic Society Limited

Year ended 31 December 2021

I report to the trustees on my examination of the financial statements of Wells Operatic Society Limited ('the charity') for the year ended 31 December 2021.

Responsibilities and basis of report

The trustees are also the directors of the company for the purposes of company law are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2. the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- 4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 December 2021

General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and a registered charity in England and Wales. The address of the registered office is Little Theatre, Chamberlain St, Wells, Somerset, BA5 2PS.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements are prepared in sterling, rounded to the nearest \mathfrak{L} , which is the functional currency of the entity.

Going concern

The ongoing Covid-19 pandemic has not led to any material detrimental impact on the business. The charity has sufficient funds to sustain a downturn of several months while continuing to operate at a reduced level without requiring additional finance, adopting government schemes if required. The Trustees, taking account of the above in forming their opinion, are satisfied that the going concern basis of preparation of accounts remains appropriate.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 31 December 2021

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

incoming resources

All Income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from theatrical performances is recognised on completion of the production.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking
 activities that further its charitable aims for the benefit of its beneficiaries, including those
 support costs and costs relating to the governance of the charity apportioned to charitable
 activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 31 December 2021

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property

2% reducing balance

Equipment

15% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Debtors and prepayments

Trade and other debtors are recognised at the settlement amount due after any discounts. Prepayments are valued at the amount prepaid net of any discounts.

Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are only recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts.

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 31 December 2021

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

4. Limited by guarantee

Wells Operatic Society Limited is a company limited by guarantee and accordingly does not have a share capital. Every member of the company undertakes to contribute such an amount as may be required, not exceeding £1, to the assets of the charitable company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.
