**St Edmund Southwold**  
**Annual Parochial church Meeting**  
**Review of the Year 2021**

**Aims and Purposes**

The Parochial Church Council (PCC) of St Edmunds Southwold has the responsibility of cooperating with the Team Rector and Team Vicar in promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

**Objectives and Activities**

The PCC is committed to enabling as many people as possible to share in worship and parish life at St Edmund's. Our services and worship try to put faith into practice through prayer, sacrament, scripture and music.

In line with the Charity Commission's guidance on public benefit, and in particular the supplementary guidance on charities for the advancement of religion, we try to help people to live their faith through;

- Worship and prayer; learning about the Gospel and developing their knowledge and faith in Jesus Christ.
- Provision of pastoral care for people living in the parish
- Missionary and outreach work, including engagement with Southwold Town council, local schools, and the many visitors who come to Southwold each year.

St Edmund's is a parish within the benefice of the Sole Bay team, one of 8 that share two stipendiary priests. We therefore work in partnership with the other parishes in the benefice in pursuit of these objectives.

Our magnificent Grade 1 listed church building plays a vital part in our ministry, being acknowledged as an exceptional holy space. The PCC is responsible for the maintenance of its fabric, recognising both its historic significance and the need to ensure its continued relevance to contemporary needs.

We take safeguarding seriously. The PCC has adopted the Church of England's national policy "Promoting a Safer church." There were no safeguarding incidents to report in 2021.

**Achievements and Performance**

2021 was a second year affected by the Coronavirus pandemic. During January, February and March a stage of national lockdown meant that our Sunday worship was once again

provided via Zoom technology. Our thanks to Revd Alan Perry for preparing the power points and music. Also, to Halcyon Meldrum and Nathan Williamson for leading family services each week on zoom during lockdown. We did however continue to offer a service on Thursday mornings and to leave the church open every day for individual private prayer. Our thanks to those whose work in cleaning the church made this possible.

When Sunday worship resumed at Easter it did so with a requirement to wear face masks and restrictions on singing, on receiving Holy Communion and on sharing the peace and enjoying refreshments after worship. There were for a few months ongoing restrictions on the numbers of people permitted to attend funerals, baptisms and weddings. Inevitably these circumstances have impacted on our life together. Some church members have decided to protect their own health and have not wanted to attend worship in church. Congregational numbers were therefore down on a normal year, and our finances were also affected.

From Palm Sunday, 28<sup>th</sup> March we were able to return to a normal service pattern, and gradually restrictions on singing and refreshments were lifted, so by the end of 2021 things were more normal. In the Sole Bay Team our approach to post covid recovery has been more proactive than in many benefices across the country. The church was open for visitors throughout the year, and this was important for people to be able to sit quietly, light a candle and appreciate the surroundings. At Christmas 2021 we did not cancel any services. While numbers attending were lower than in normal years it was nevertheless uplifting and encouraging to be able to enjoy carol services, the Christingle and Midnight service, and a well attended family service on Christmas Day.

There was a backlog of weddings held over from 2020, so 2021 was a busy year in that respect.

Some key statistics from 2021 (these we have to report to the Church of England)

Number of Communicants on Easter Day 51 (a normal year would be at least double this figure.)

Number of communicants at Christmas Midnight and Christmas Day 120 (normal year would be about 220)

Average Sunday attendance in October 60 adults and 6 children (normal year would be 80 and 10)

Average Thursday attendance in October 23

Baptisms in 2021 Two

Weddings Twelve

Funerals in church Four

Funerals at the Crematorium Five

Burials of Ashes in our churchyard Seven

With the exception of weddings, these statistics show that Coronavirus continued to affect our life as a church community throughout 2021. There is a need to pray for and look for every opportunity and encouragement to support the work of recovery during 2022.

After the isolation of lockdown, it was recognised that the church could offer a blessing to many by holding some social activities once it was safe to do so. Our harvest lunch in church in September was a very enjoyable occasion that embraced the whole church family. This was followed a few weeks later by a fish and chip supper in church, the aim of which was to use up some surplus beer from the harvest lunch. It was a very happy evening, made more so by the welcome offered to people who do not normally come to church but who felt they would like to join in. Thank you to our church warden Jonathan for fulfilling his duties in sourcing the beer, to Fred Butter for serving it, and to everyone who worked hard to make both events such a success.

In October we celebrated the 225<sup>th</sup> anniversary of the birth of Agnes Strickland, an eminent Victorian historian, and an early female author of the Queens of England. Agnes, once of Reydon Hall and Southwold, is buried in our churchyard, near St Edmund's hall. To celebrate a significant anniversary of her demise there was an exhibition in church and prayers at the graveside.

Remembrance Sunday saw the return of the Service of Remembrance after an absence in 2020. Rt Revd Mike Harrison Bishop of Dunwich was our guest preacher.

### **Church Building and Fabric**

The life expired copper on the north aisle roof, over the Trinity Chapel was replaced during the year. We are grateful to Cooper and Denny for their work on this, and to our Fabric officer Ian Johnson for overseeing the project.

The PCC engaged with East Suffolk District Council and their contractors Waveney Norse in seeking a satisfactory outcome for churchyard maintenance. As a result of constructive conversations involving the Team Rector and PCC Secretary Hugh Williamson on one side, and Waveney Norse on the other, a successful outcome was negotiated that ensures a balance between presenting an image of a cared for and loved church and the need for nature conservation.

The PCC also recognises and thanks a local family for their generosity in providing funds and labour for much needed further gardening works in the churchyard.

### **Structure Governance and Management**

The PCC is a corporate body established by the Church of England. Members of the PCC are either ex officio or elected by the annual Parochial Church meeting in accordance with the Church Representation Rules. The PCC met 6 times during the course of the

year with the average attendance level of 80% of its members. Discussions concerned the planning and implementation of the life of the Church community, finance, fabric of the church building and reports were received on the life of the Deanery and Diocese. During its meetings in 2021 the PCC was mindful of its responsibilities to comply with and have due regard to the House of Bishops' guidance on safeguarding of young people and vulnerable adults. It was agreed as a matter of policy that those elected to the PCC would not be permitted to take their place on the PCC until such persons had completed the necessary safeguarding training, such training being the completion of the Church of England Basic and foundation courses.

The PCC received reports during the year on the workings of Deanery Synod, Christians Together in Southwold and Reydon, The Sole Bay Team Council and the Southwold Arts Centre

#### **Committees of the Parochial Church Council:**

**Standing Committee:** The only committee required by law. It has the power to transact the business of the PCC between meetings, subject to any directions given by the Council.

**Membership:** PCC chair, Wardens, PCC Secretary and Treasurer. In the absence of a second churchwarden, it has been the recent custom of the standing committee to include the fabric officer.

#### **Deanery Synod and Sole Bay Team Council**

Jenny Whines and Joan Goldsmith are our representatives on both Deanery Synod and Team Council. They provide the PCC with important links to the wider structures of the church, and help the PCC to appreciate that it is a member of a larger corporate body.

#### **Administrative Information**

St Edmund's church is situated by St Bartholomew's Green, Southwold IP18 6JA. It is a parish church within the Church of England in Diocese of St Edmundsbury and a constituent parish in the Sole Bay Team Ministry. The address for correspondence is The Vicarage, Gardner Road, Southwold IP18 6HJ. The PCC operates under the Parochial Church Council Powers Measure and is exempted by order from registering with the charity Commission. PCC Members who served during 2021 since last APCM were:

## Financial Review 2021

### Unrestricted Funds (General Fund)

#### Principal Sources of Funds.

The principal sources of unrestricted funds in 2021 were, in order of magnitude

1. Dividends from investments in CCLA securities. (CCLA are our investment management consultants and specialists in investing for churches, charities and local authorities)
2. Direct debit donations, with optional Gift Aid and inflation linking, via the Parish Giving Scheme
3. Covenanted Giving by parishioners
4. Tax recovered on gift-aided donations
5. Bookstall sales
6. Service collection plates
7. Fees for weddings and funerals
8. The Gift Chest at the entrance to church
9. Contactless card donations via the Goodbox
10. Regular giving in envelopes

Total unrestricted income was £112,429 compared with last year's total figure of £98,278. Dividends from our investments have formed a large part of this increase. The gift chest donations have increased by £1,343. Loose plate and gift aid church collections have also increased by £3,114. The GoodBox continues to provide a method of contactless giving and its contribution has increased by £1,258. It is gratifying that the number of those signed up to Parish Giving Scheme has increased again this year. We have also received a number of one-off donations. Grateful thanks must also be offered to all those who have supported our church regularly throughout another turbulent year.

Total unrestricted expenditure was £97,154 compared with £90,499 in 2020. These increases are largely due to increased spending for the bookstall, an increase in our team expenses and increased giving. After a number of years of faithful service, the computer in the treasurer's office could no longer be coaxed into life. Grateful thanks must go to the anonymous donor who enabled the treasurer to buy a new laptop. Our gas consumption decreased in 2021 which is very good news especially as gas and electricity bills are likely to double in 2022 and beyond. The increase in expenditure under nominal code 'Miscellaneous Resources' relates to the buying of our new small tables for coffee time. However, we must continue to encourage giving from our congregation and visitors and to limit expenditure when there continues to be a reduction in income compared with pre-pandemic levels.

The dividends and interest received on unrestricted investments was £24,895 compared with £19,085 in 2020. Investment income continues to be a key part of the total income enabling our essential expenditure commitment to be met.

#### Funding Objectives.

The objectives of the General Fund are to meet the monthly running costs of the church, to fulfil our obligation to the Diocese by making our full contribution to the Parish Share, to meet our commitment to the community by our Christian ministry and, where possible, by contributing to local and overseas charitable work.

Payment of our Parish Share represented 56% of our total unrestricted income in 2021. The Parish Share for 2022 has been increased slightly and stands at £59,737

A Donation of £363 was made to ACCESS Community Trust following our harvest service. £300 was donated to the Mission to Seafarers and £50 to the Alfred Corrie Museum following the Blessing of the Nets service. This service was held at the Alfred Corrie Museum. £700 was also donated to Kagera. This figure was chosen as it represents the amount needed to buy a motorcycle. £130 was collected during Christian Aid Week. Following a collection at the Remembrance Day service £631.90 was sent to The Royal British Legion. A further £320 was donated to the Children's Society from the collections taken at our Christingle service. As usual £100 was sent to the Simeon's Trust again this year. Our planned sleepover in the church to raise funds for ACCESS Community Trust had to be postponed owing to illness.

We aim to reserve in liquid funds a minimum of three months salary for each of our self-employed workers and sufficient to cover anticipated utilities charges for the half year. Each quarter we also aim to reserve a proportionate amount of our Diocesan Parish Share. A budget has also been set for the bookstall to help manage cash flow.

St Edmund's Hall continues to be leased to the Sole Bay Arts Centre. £950 was paid to The Sole Bay Arts Centre under the lease as a contribution to heating and lighting for the times the hall is used for church activities. A reduction of £250 was agreed as the hall had not been used during lockdown. No other church funds are used to support St Edmund's Hall.

#### Restricted Funds (Restoration and Fabric Fund)

Principal Sources of Funds: - Murray Legacy, Usher Legacy and Restoration and Fabric investment funds.

The Usher legacy is held in CCLA securities by the PCC and the whole of the capital and dividend income can be used for restoration and maintenance of the whole church building. The Murray Legacy is held in CCLA securities and both capital and income can be used for the improvement and maintenance of the fabric of the church. Further income arises from other funds invested in CCLA securities.

Income (dividends and interest) from investments in restricted funds was £27,316 up slightly on last year.

#### Funding Objectives

The funding objective of the Restoration Fund is to carry out necessary repairs and restoration as expeditiously as possible whilst retaining a suitable level of reserve to cover possible emergencies. There is an outstanding need for major works arising from the quinquennial inspection carried out in 2016. Work on the north aisle roof was completed towards the end of the year.

The policy on the Restoration Fund is to aim to keep in reserve sufficient funding for routine maintenance and an emergency contingency of £50,000 on cash deposit.

#### Post year end events and circumstances

The recent pandemic has necessitated the closure of our church which continues to have an impact on our income. We have some significant investments and sufficient reserves to meet our planned expenditure and we expect our income from these and regular donations to enable us to continue our activities and mission for the time being.

**INDEPENDENT EXAMINERS REPORT TO THE PAROCHIAL CHURCH COUNCIL  
OF ST EDMUND, KING AND MARTYR, SOUTHWOLD  
FOR THE YEAR ENDED 31 DECEMBER 2021**

I report to the members on my examination of the accounts of the St Edmund, King and Martyr Southwold Parochial Church Council for the year ended 31 December 2021.

**Responsibilities and basis of report**

As members of the Parochial Church Council, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ('the Act').

I report in respect of my examination of the Parochial Church Council's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in any material respect:

- i. the accounting records were not kept in accordance with section 130 of the Act; or
- ii. the accounts did not accord with those records; or
- iii. the accounts did not comply with the applicable accounting requirements concerning the form and contents of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **ST EDMUNDS SOUTHWOLD PCC**

**CHARITY NUMBER 1133770**

### **NOTES TO THE FINANCIAL STATEMENTS**

**For the year ending 31 December 2021**

#### **1 ACCOUNTING POLICIES**

##### **Basis of preparation**

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

In preparing the accounts, the Trustees of the PCC have considered whether in applying the policies required by FRS 102 and the Charities SORP 102 a restatement of comparative items was needed. No restatements were required.

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared under the historical cost convention except in the case of valuation of investments which are shown at market value.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members.

##### **Going concern basis**

The PCC Trustees have assessed that the charity is a going concern and that the accounts can be prepared on that basis. The Trustees have also given consideration to post balance sheet events and consider that the charity has significant investments and sufficient reserves so that it will be able to meet the planned expenditure and continue activities in accordance with the mission throughout the next twelve months.

##### **Funds**

Restricted funds represent (a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest, and (b) donations or grants received for a specific object or invited by the PCC for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of the year must be carried forward as a balance on that fund. The PCC does not usually invest separately for each fund. Where there is no separate investment, interest is apportioned to individual funds on an average balance basis.

Unrestricted funds are general funds which can be used for PCC ordinary purposes and include designated funds that the PCC Trustees may decide to separately allocate until such time as needed.

##### **Incoming resources**

Planned giving, collections and donations are recognised when received. Tax refunds are recognised when the incoming resource to which they relate is received. Grants and legacies are accounted for when the PCC has sufficient certainty that receipt of the income is probable and the amount can be reliably measured. Dividends are accounted for when receivable, interest is accrued when receivable. All incoming resources are accounted for gross.

##### **Resources expended**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party. The Diocesan parish share is accounted for when due. Amounts received specifically for missions are dealt with as restricted funds. All expenditure is accounted for gross.

##### **Fixed Assets**

Consecrated and benefice property is not included in the accounts in accordance with s.10(2) of the Charities Act 2011.

Moveable church furnishings held by the Vicar and Churchwardens on special trust for the PCC and which require a faculty for disposal are inalienable property, listed in the church's inventory, which can be inspected (at any reasonable time).

Investments are valued at market value at 31 December each year.
