## **Trustees' report Year ended 31 May 2021**

---

The trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements for the year ended 31 May 2021.

The trustees confirm that the annual report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### **Objectives and activities**

#### **Policies and objectives**

The Gisela Graham Foundation is a small charity which reflects the wishes and support of the proprietor, Gisela Graham, and of the trustees. It aims to provide financial assistance in specific cases:

- to promote the advancement of health by giving donations to charities and corporate bodies concerned with research and treatment of cancer, heart diseases, dementia, genetic mental diseases and other chronic illnesses.
- to help homeless people, in particular the young and to help the young unemployed
- to provide for education and care of children in less developed countries
- to support the propagation of performing arts, including training and equipping young performers

The trustees confirm that they have had due regard to the law relating to public benefit and the Charity Commission's guide on the subject.

#### **Activities undertaken to achieve objectives**

The focus in 2020/21 remains the provision of grants in support of the charity's objectives.

#### Financial review

During the year the Foundation received income of £109,965 (2020: £112,720) and awarded grants totalling £91,921 (2020: £110,100). The trustees are satisfied with performance and continue to seek high quality projects to support.

#### Reserves policy and going concern

The charity had unrestricted reserves at 31 May 2021 of £90,615 (2020: £80,603).

Reserves are held with a view to supporting future grant making activities. Since the year end the trustees have made fewer grants to increase the amount of reserves held.

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for at least 12 months from the signing of this report. For this reason they continue to adopt the going concern basis in preparing the financial statements.

## **Trustees' report (continued)**

**Year ended 31 May 2021**

### **Structure, governance and management**

#### **Constitution**

The charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

#### **Trustees**

The management of the charity is the responsibility of the trustees who are appointed under the terms of the Articles of Association.

New trustees are appointed by existing trustees, with induction provided if required.

#### **Organisational structure and decision-making**

The charity has no employees and all decisions are taken by the trustees, who meet regularly through the year.

#### **Risk management**

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems and procedures are in place to mitigate their exposure to the major risks.

#### **Investment policy and performance**

Assets are held in a current account. The trustees consider this most appropriate at present to ensure liquidity requirements can be met, and as the surplus assets are not considered sufficient at present to adequately spread risk within an investment portfolio.

#### **Plans for future periods**

Going forward, Gisela Graham Limited will continue to make contributions to Gisela Graham Foundation. All applications will be considered by the trustees, who will then make donations to chosen charities. The particular fields chosen by the trustees reflect areas of special interest; these include the homeless, education especially in the developing world, medical research and cultural activities.

The Covid-19 pandemic has not significantly impacted the Foundation, which employs no staff and holds all assets as cash. Future grant making will continue to be made from donations received, as monies are available.

Approved by order of the members of the board of trustees on 22 February 2022 and signed on their behalf by:

**J Richard Graham**  
(Trustee)

## **Independent Examiner's Report Year ended 31 May 2021**

---

### **Independent examiner's report**

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 May 2021.

This report is made solely to the company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's trustees as a body, for my work or for this report.

### **Responsibilities and Basis of Report**

As the trustees of the company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent Examiner's Statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated: 22 February 2022

### **1. Accounting policies**

#### **1.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Gisela Graham Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared in pounds sterling which is the functional currency of the charity and are rounded to the nearest £1.

#### **1.2 Company status**

The company is a company limited by guarantee, incorporated and domiciled in England. The members of the company are the trustees named on page . In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

#### **1.3 Going concern**

The Foundation employs no staff and makes grants from monies immediately available to it, without entering into commitments involving future donations from Gisela Graham Limited. All assets are held as cash. As such, the trustees have a reasonable expectation that the Foundation will continue to operate in its current form for at least 12 months from the signing of this report and consequently these accounts are prepared on a going concern basis.

#### **1.4 Income**

All income is recognised once the charitable company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

#### **1.5 Expenditure**

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity, including those incurred in connection with the administration of the charity and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

### **1. Accounting policies (continued)**

#### **1.6 Cash at bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### **1.7 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

#### **1.8 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

#### **1.9 Critical accounting estimates and areas of judgment**

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In preparing these financial statements the trustees do not consider there were any significant accounting estimates or areas of judgement that were required in applying the charity's accounting policies as set out above.
