LEEDS FAITH IN SCHOOLS

DIRECTORS' AND TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

The company was incorporated on 23 July 2003 under the Companies Act 1985 as a company limited by guarantee, and is therefore governed by a memorandum and articles of association.

On 1 August 2003 the remaining net assets of the unincorporated charity 'Leeds Faith in Schools' were transferred to the company. The transfer was in accordance with the unincorporated charity's constitution and a resolution to transfer the funds had been signed by the trustees.

During the following year the company applied for charitable status and on 24th September 2004 the charity became registered with the Charity Commission in England and Wales. All the directors of the company are also trustees of the charity. The trustees who served during the year under review and to date are set out on page 3. Under the articles of association at the AGM one third of the directors, who are subject to retirement by rotation, shall retire from office.

The trustee body comprises practising Christians from a wide breadth of Church tradition. The organisation is non-denominational. The skill base of the trustee body is regularly reviewed. Where a need for additional skills is identified, recruitment is undertaken on an informal basis via the Christian community in Leeds. Prospective trustees are interviewed at a trustees meeting. An induction pack is given to new trustees highlighting their responsibilities for the organisation.

The trustees meet bi-monthly to review the activities of the organisation. All trustees give their time voluntarily. Any expenses reclaimed by trustees from the charity are set out in note 7 to the accounts.

The directors have implemented a risk management strategy which comprises:

- An annual review of the risks which the charity may face;
- The establishment of systems and procedures to mitigate those risks identified; and
- The implementation of procedures designed to minimise any potential impact on the charity should any of those risks materialise.

ACTIVITIES

The focus of our work

The work of Leeds Faith in Schools has continued to be Good News to the young people in the High Schools of Leeds. We maintain that individuals working with schools' senior leaders, staff and young people are the most effective way to carry out the delivery of our work and have continued with the model of individual youth and schools workers trained to deliver a wide range of activities in school. Through this we remain a flexible and professional resource to schools, providing the local church with an effective way to be able to care for and take time to invest in the lives of young people in Leeds. In the time of Covid-19 restrictions the ability to be flexible and respond to the needs of individual schools and to take the opportunities that have arisen has been key to the way we have continued to live out our vision.

Our schools workers contribute to many areas of school life, including:

- Assemblies, RE lessons, and lunch clubs, plus one-off events such as Prayer Spaces, building on schools SMSC development and particularly contributing to the spirituality development of young people. During the pandemic this work has adapted to the various school situations, with some work moved online. We've delivered virtual assemblies and lessons, giving a message of hope in difficult times.
- PSHCE lessons, providing education on topics such as healthy relationships and sex, money management, stress and anxiety, as well as global justice issues.
- More occasionally: sports clubs, football, dance and basketball, which have all been places young people have had the opportunity to develop leadership, team skills and achieve success.

- Mentoring of individuals and groups; dealing with issues such as self-harm, self-esteem, anger management, and friendship. Mentoring has continued, with much of this being delivered via phone conversations.

In addition to our schools work, we partner with youth groups and organisations across the city to host a range of recreational activities and discipleship opportunities for students to access during the school year. Despite the challenges and curtailing of activity the pandemic has continued to bring out the creativity of workers and has enabled much needed contact and support using technology to facilitate connections.

How does our work benefit the public?

Our main activities and achievements are highlighted below. All our charitable activities focus on our key aim of being Good News to the High Schools in Leeds. Our schools and youth workers are valued and respected members of their school communities, undertaking our activities to further our charitable purpose for the public benefit.

ACHIEVEMENTS AND PERFORMANCE

2020/21 continued to be quite different to how we usually operate at Leeds Faith In Schools. The pandemic continued to impact on our work but we have still managed to continue work in all of our regular schools. We continued throughout the January lockdown but did a lot more one-to-one and small group mentoring as this is what schools have needed the most. As restrictions eased we were able to get into more of our regular routines with lunch and after school groups starting again.

In this year we completed Christmas and Easter lessons for over 100 classes through both video and in person lessons.

Stories from our team: mentoring & football club

"I had a mentee last year who after the first time I met her asked for an extra mentoring session on a week I didn't normally see her. At this session she told me that she was having thoughts of suicide. I was able to get her the support she needed from school but there were long waiting lists for her to be seen by anyone else. In the five months between when I first spoke to her and the summer holidays she was able to talk to me about lots of the struggles she was going through at the time. She went from actively having thoughts about suicide to being able to cope with the difficulties she was facing, no longer feeling suicidal and she said she felt more confident going forward. I was able to continue supporting her right up to the point at which she could begin counselling."

"In our year ten football team, there were two lads who were falling out with each other. It led to on pitch disputes between the pair, one getting annoyed with the other over not passing him the ball. It was a work in progress for a good month or so. Then came the last ten minutes in our final game of the season. The pair were playing upfront with each other, and a lovely moment came when the boy who'd previously chosen not to pass to his teammate, had the ball near the goal, with his partner in the middle. He was just about to do his usual shot, but instead, paused, thought for a moment, and then decided to lay in his teammate, who scored a lovely goal to finish off the game. The pair ran towards each other with smiles on their faces and gave each other a big hug and a well deserved high five."

Links with local churches

Local churches continue to be a key part of our work. They provide support for us in many ways from use of their buildings to partnering with us in delivering our work in schools. These links have been more important than ever in this year to offer support, encourage one another and pray for each other in what has been a difficult time. We have done a few visits through online church services and have now got the chance to go back to churches in person too.

Key Moments

It was really great to be able to do Christmas and Easter lessons & assemblies again this year. We saw hundreds of students throughout these times delivering over one hundred lessons on what Christians believe Christmas & Easter are truly about. The lessons were a really fun and interactive time, whilst being informative and giving a chance for reflection too. The schools we work with were massively appreciative that we could

provide this once again after missing some of the lessons last year.

Our mentoring programmes have been back in full at schools which has been a blessing. We have seen a huge demand at schools in response to the pandemic and the team have had full caseloads in trying to support as many students as possible.

Normally prayer space would be a key moment but unfortunately could not run this last year. Again we hope this will be a possibility for next year.

Volunteers

We have still not been able to have as many volunteers as usual but have brought some in for Easter/Christmas lessons and also some for assemblies in schools where they are allowing volunteers. As restrictions have lifted we expect this to ease up and be able to involve more volunteers.

Financial Achievements

The organisation is sustained through funding from four main streams: donations (individuals and the local church), school fees and grants/trusts.

Since 2019/20 we have seen a decrease in our church funding, and a decrease in our income from individuals. Overall our income for the year was a decrease compared to 2019/20. Our income from schools slightly increased from last year's school income. Overall our income was lower than our anticipated figures for the year.

We are thankful that our expenditure was lower than expected for the year. Our expenditure over the year was less than that of 2019/20. We ended the year with a deficit.

We continue to be thankful to God for His provision, through the sacrificial generosity of many individual people, local churches, trusts, schools and other sources, in what has been a financially challenging time for many.

We continue to partner with schools directly which enables the delivery of our core work. Over the years using the partnership agreement arrangement has meant a stable financial and professional basis on which to deliver our work. This year our partnerships with schools in Leeds have largely remained unaffected by the impact of the coronavirus pandemic; schools have continued to prioritise and safeguard our provision, which has served to highlight the value of our work in the high schools across our city. This is a great encouragement.

Unfortunately we have been less able to connect with churches during this period, primarily due to the challenges of the pandemic. The support of and collaboration with local churches continues to be a priority in our work and an important connection that we know greatly benefits the young people we reach. We are looking to further establish our connections with local churches in the coming year.

We are, as ever, extremely grateful to all our supporters (both individuals and 'champion churches') as well as each of the Trusts, who have given very generously over the year, enabling our work to continue and flourish, throughout this challenging season.

STAFF CHANGES

Bethany Clifford left Leeds Faith in Schools in November 2020, Matthew Lewis left in February 2021 and Kim Lawrence joined the team in February 2021.

LOOKING FORWARD

The Trustees recognise that the charity is securely established in its procedures and is highly regarded by the schools and churches of Leeds. It is their strong purpose to see the charity continue to grow so that more schools can be served to the benefit of more young people. We are also keen to continue to develop partnership across the city and particularly in the communities around the schools.

The trustees have continued to seek to contain costs and seek new sources of funding in what continues to be

a challenging financial environment. This will continue to be a priority in the future.

The trustees will continue to actively recruit new trustees to support and extend the work of the charity. Where possible will seek to appoint trustees that represent the diversity of churches and communities across the city to better serve the focus and activities of LFIS.

FINANCIAL REVIEW

The Statement of Financial Activities shows a net deficit for the year of £-11,807 and the cash position stands in total at £66,802 at 31 August 2020.

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets (the 'free reserves') held by the charity should be 3 months of resources expended. At this level the trustees feel they would be able to continue the activities of the charity in the event of a drop in funding and enable sufficient time for replacement funding to be sourced.

The principal funding source is from donations (which includes giving from individuals as well as churches), and the charity is very grateful for this support.

STATEMENT OF THE RESPONSIBILITIES OF THE DIRECTORS AND TRUSTEES

The Charities Act and the Companies Act require the board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on a ongoing concern basis unless it is inappropriate to presume that the company will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The directors are responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with the regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are also responsible for the contents of the Report of the Directors, and the responsibility of the independent examiner in relation to the Report of the Directors is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

I approve the attached statement of financial activities and balance sheet for the period ended 31st August 2021, and confirm that I have made available all information necessary for its preparation.

Approved by the Directors on the 5th May 2022.

Mark Harlow, Chair and Director. Company Registration number: 04843253

The directors actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated, combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 August 2021.

RESPONSIBILITIES AND BASIS OF REPORT

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
