Trustees Report (2021 – 2022)

The end of the financial year has still been overshadowed by Covid19 Pandemic. Friendship Zone and all other organisations residing at our community and training centre had faced severe disruptions caused by the pandemic. However, as always, we are continuing to enjoy the patronage of AEP UK Ltd, enabling us to develop our services and low cost rent of premises to like minded organisations at 60 Gold Street, Northampton.

Friendship Zone had demonstrated and still demonstrates to the world that hard work and an innovative approach can be the basis for unparalleled success. Friendship Zone has proven that an innovative business model based upon a firm belief in its services can outperform bigger competitors.

Our training and community centre in the town centre of Northampton continued to be a great success until the Covid19 Pandemic, but suffered significant reduction in its revenues due the latter. In overall during last financial year income generated by the rental revenues continued to improve to secure our charity self-sufficient future.

The number of people benefiting from our superbly located community and training centre, which houses like minded organisations providing various types of community beneficial services reached thousands. It is an excellent example of how a registered charity can survive without asking for money, but earning it by providing cost effective services for the benefit of the community.

We continue to enjoy the tenancy of Diversiti Training in our training centre. Diversiti Training sees hundreds of people to take part in, or enquire about the training programs and support they offer. Other tenants residing at our community and training centre offer community beneficial services of the following kind: immigration advice, music therapy, helping disabled people into employment and training, improving personal health, employment and recruitment services, support of people in third countries through trade, variety of medical and aesthetic improvement services, variety of health educational services/trainings, job opportunities via Kickstarter Scheme and children presents supply.

One of the strategic avenues taken by Friendship Zone during last financial year was to expand its portfolio of community venues. Friendship Zone has secured tenure of an unused public house The Black Horse in Cold Ashby, which it has started offering to rent on daily basis to general public

60 Gold Street Northampton NN1 1RS Registered Charity No: 1124724 Company Number: 6556556

as a community venue for community gatherings i.e. birthday parties, weddings etc, with midterm objective to offer food cooking services a la pub.

Another event which took place during last financial year was breaking of the war in Ukraine. The war has profoundly touched and affected the management of Friendship Zone which has lead to the following actions taken by our charity:

1. Sourcing and donating humanitarian aid for people of Ukraine delivered directly to Ukraine

2. Sponsoring production and translation into English of Hej Sokoly song, which has become a rallying call for people of Ukraine - https://www.youtube.com/watch?v=U9muFOKjQqU with more Hej Sokoly by different singers to be produced

3. Putting on hold its midterm objective of implementing cooking services at the community venue The Black Horse in Cold Ashby and instead applying for temporary change of use planning permission to facilitate Friendship Zone cooperation with the Home Office via Homes for Ukraine Scheme. Friendship Zone objective is to convert ground floor of The Black Horse community venue into liveable accommodation suitable to save families from Ukraine.

4. Friendship Zone has also launched a nationwide appeal to landlords of disused building to take part in converting their premises to facilitate cooperation with the Home Office via Homes for Ukraine - https://www.northamptonchron.co.uk/news/people/northamptonshire-pub-applies-to-accommodate-family-of-five-refugees-from-ukraine-3614135.

5. Friendship Zone has helped numerous refugees from Ukraine to find jobs in the UK and help them to integrate into British society in general, the activities and fulfilling results to be built on.

6. To work closely with Ukraine Appeal to expand humanitarian aid sourcing, processing and deliveries including required large processing site tenure.

7. Taking into consideration the cost implications of assistance provided and to be provided as indicated above and to significantly increase all available assistance to people of Ukraine by Friendship Zone it has been decided to launch a nationwide donations appeal.

In conclusion, as always we are extremely proud of our achievements over the last year and were excited to see our projects continue to grow over the past twelve months. We sincerely hope to be able to build on achievements and expand our services in the next financial year, in particular with regards to providing help to people of Ukraine. Let's not only pray and clap, but do something tangible and concrete, by utilising all available means - for the prompt resolution of the war in Ukraine.
