#### REPORT OF THE TRUSTEES

The Trustees present their annual report and financial statements of the charity for the year ended 31st December 2021. The financial statements have been prepared in accordance with the accounting policies set out in agte 1 to the accounts and comply with the Charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Pinancial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2019).

#### STRUCTURE GOVERNANCE AND MANAGEMENT

The Royal Society for Asian Affairs was reconstituted as a Charitable Incorporated Organisation (CIO) on 23rd July 2018 reference 1179300, and assets transferred from the old Society on 10th January 2019. The Society was originally established as the Central Asian Society in 1901 and in 1931 received its Royal Patronage. In 1975 the Charity changed its name to The Royal Society for Asian Affairs (known also as RSAA).

The Society is now governed by its trust deed following conversion to CIO status.

Trustees are appointed at the Annual General Meeting for a three year term and are eligible for re-election,

On appointment all Trastees received an induction pack, and are informed of their duties as Trustees.

## OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The Charity's objectives are to promote learning and advance education in the subject of and with regard to all the countries of Asia.

The Charity aims to achieve this through publishing material, arranging events, tours and courses, maintaining a library and collaboration with other organisations.

The Trustees have referred to the guidance contained in the Charity Commission general guidance on public benefit and continue to do so. The Trustees believe public benefit is satisfied by the Edvancement of education the Charity undertakes.

## ACHIEVEMENTS AND PERFORMANCE

2021 new some important changes in the Society.

Frank Slevin stood down on 6 December 2021, having been a Trustee since 2016 and Chairman since 2017. The board elected Sophic libbotson as his successor, the first female Chair of the Society and the youngest in its history.

Most of the Society's Library moved to Haileybury in 2016, but a small portion remained at the Society's offices. This was never a satisfactory arrangement and in the Spring of 2021 the Society and Haileybury entered into a new agreement under which the Library was consolidated at Haileybury under the care of the Society's new Librarian and Archivist, Dr Toby Parker. The Society's Archive and other artefacts were also moved to Haileybury where they can be better conserved, displayed and more readily consulted by researchers (including senior pupils of the school).

The Society's office had been somewhat unsatisfactorily located in Euston since 2016 and is October 2021 mused to better located and more accessible premises in Westminster from where it will be easier to engage with government, embassies and other learned societies and think-tanks.

September 2021 saw the Society's first face-to-face event since the beginning of the COVID-19 pandemic, when the annual Hugh Leach Memorial Lecture was delivered by Prince Turki AlFaisal Al-Saud on his efforts to secure peace in Afghanistan between 1979 and 2001. The Society was fortunate to have the support and collaboration of the King Faisal Center for Research and Islamic Studies and Medina Publishing in delivering this event, which attracted an audience in person and online of over 400.

In Spring 2021 the Society hosted a successful half-day online conference jointly with the University of Virginia on "Citizenship, Belonging and the Partition of India" and the presentations will be published in Asian Affairs in 2022.

#### REPORT OF THE TRUSTEES .....CONT

Eighteen other online lectures and panel discussions were held, culminating with the opening, by Rory Stewart, of a series on "Culture, Conflict and Recovery in Asia". The annual Lord Denman Lecture was given by Lord Ricketts on the subject "Is Britain Really an Indo-Pacific Power?"

Astan Affairs continued to perform strongly and is the Society's largest source of income. Combined circulation and downloads were slightly lower than in 2020 but remained up on 2019 and previous years. Downloads were particularly strong in the USA. China accounted for the highest number of citations.

The Society's Travel Awards remained suspended because of uncertainty about trends in the continuing pandemic, as did the annual Schools' Day normally delivered jointly with SOAS.

#### FINANCIAL REVIEW

The Society had a surplus of £88,403 for the year (2020: surplus of £49,721). Investments showed unrealised gains of £115,294 (2020: £49,306). Reserves currently stand at £986,166 (2020: £897,763) and free reserves at £985,999 (2020: £877,763) and the Trustees consider the financial situation of the Charity satisfactory.

#### RESERVE POLICY

The Society has no permanent endowment, but has a policy of retaining funds in reserves to support future growth, to allow for future expenditure and to generate ongoing income to support the Society's charitable activities. The Trustees consider the current level of free reserves at £986,166 appropriate to these purposes.

#### PLANS FOR FUTURE PERIODS

With the lifting of all remaining pandemic restrictions, in 2022 the Society intends incrementally to resume meetings in person, but will continue the successful programme of online events indefinitely, building on their additional reach and popularity.

The Society will also experiment with initiatives aimed at enhancing the value of membership of the Society, including more exclusive activities such as book discussions, online forums and social events.

#### KEY PERSONNEL AND PAY POLICY

The Charity is directed and controlled on a day to day basis by a Chief Executive Officer and one assistant, together with support from volunteers. The Trustees are responsible for the strategic direction of the Charity and are not remunerated for their duties as Trustees. The CEO is accountable to the Trustees.

# TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

#### INDEPENDENT EXAMINERS' STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (2) the accounts do not accord with those accounting records;
- (3) the accounts do not comply with the applicable requirements concerning the form and contents of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'tree and fair' view which is not a matter considered as part of an independent examination; pr;

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### NOTES TO THE FINANCIAL STATEMENTS

#### ACCOUNTING POLICIES

#### (a) BASIS OF PREPARATION AND ASSESSMENT OF GOING CONCERN

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these financial statements. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and effective 1st January 2019, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Trust constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets.

#### (b) INCOME RECOGNITION

Incoming resources are included when receivable, with the exception of subscriptions which are recognised as income when received, subscriptions in advance however are deferred.

#### (c) EXPENDITURE RECOGNITION

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category.

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the gains and losses arising on the revaluation and disposal throughout the year.

The Charity does not acquire put options, derivatives or other complex financial instruments.

#### NOTES TO THE FINANCIAL STATEMENTS

The main form of financial risk faced by the Charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors and sub sectors.
