Trustees Report for the Year Ended 31 August 2021

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of YMCA South Devon (the company) for the ended 31 August 2021. The legal and administrative information set out on page one forms part of this report. The Trustees confirm that the Annual report and financial statements of the company comply with the current statutory requirements, Memorandum and Articles of Association and the Statement of Recommended Practice - Accounting and Reporting by Charities 2005. The accounts have been prepared in accordance with the special provisions of the Companies Act 1985 relating to small companies and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Trustees are elected to the board at the annual general meeting. All trustees have to be a full member of the association. The board has the power to co-opt someone to the board in between annual meetings, but that person must either step down or be fully elected at the following AGM. Only full members are able to vote and there must be at least 5 full members present to form a quorum.

The Board of Trustees of up to 15 members who meet at least quarterly administers the charity. A Chief Executive is appointed by the Trustees to manage the day-to-day operations of the charity.

It is the policy of YMCA South Devon not to unduly put any of its financial assets, staff or operations at risk. Internal risks are minimised by the implementation of procedures of policies for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operation aspects of the charity. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

OBJECTIVES AND ACTIVITIES

In setting objectives and planning activities for the year the trustees have had due regard to the Charity Commission's guidance on public benefit.

YMCA South Devon is a charity and is a Christian based association, which seeks to lead young people to Lord Jesus Christ and fullness of life in Him.

The objects include:

- To provide or assist in the provision, in the interest of social welfare, of facilities for recreation and other leisure time occupation for men and women, with the object of improving their conditions of life.
- To provide or assist in the provision of education for persons of all ages with the object of developing their physical, mental and spiritual capacities.
- To relieve or assist in the relief of persons of all ages who are in conditions of need, hardship or distress by reason of their social, physical or economic circumstances.

To this end YMCA South Devon seeks to meet the needs of children and young people in the South Devon area in the delivery of quality, efficient, effective and economic programmes.

In order to achieve this objective the charity offers a number of programmes and projects tailored to the diverse needs of the community and to give public benefit to that community. This year we have engaged the services of an architect and plans are being drawn up for a new purpose built YMCA building to replace the one we are in, which we have long since outgrown and is now costing more and more to patch up. We have started a capital funding programme with a view to securing as much of the cost of the new building as possible and will begin to plan for a more sustainable future with the opportunities that brings.

Trustees Report for the Year Ended 31 August 2021

Our main programmes for the public benefit are 'Fit for Life' aimed at children and young people needing an alternative approach to education, based on meeting their social and emotional needs and our 'Muddy Wellies' Nursery for 6 months to 4 year olds.

Fit for Life provides an alternative approach to education for young people who have fallen out of the traditional education system. We work in one to one situations with children and young people that are referred to us by the local authority or their school. By working one to one, we can build relationships with these vulnerable children and young people to address their personal, social and emotional needs and also to work towards enabling their education with us, with a view to them returning to mainstream education as soon as is practicably possible. This enriches young people's lives who otherwise may well be completely out of the education system and unsupervised during the school day, placing them at unnecessary risk. The wider community also benefits as young people become a constructive part of their community.

Our purpose built nursery has the use of our amazing outdoor space of gardens, woodlands and playground to encourage physical activity and exploration of the environment around us. Our children spend time all together but are also separated into age groups for their targeted learning, the majority of Early Years learning is done through play, even when they are preparing for entry to compulsory education.

Work began on a new project this year, having sourced funding we are going to be able to deliver a much needed new service in Torbay – 'Nightstop' will operate from YMCA South Devon offering a community response to youth homelessness. Nightstop is an established service overseen by DePaul UK and offered in 33 towns and cities across the UK. We have recruited a Project Lead, completed the QA process and are now recruiting hosts that will offer a bed, hot meal and washing facilities to young people that find themselves with nowhere to go. YMCA South Devon will then work closely with the local authority to assist with the appropriate next steps for the young person.

SHOPS

Due to the pandemic, our shops have faced hard times, however they have continued to trade when they could and we continue to be grateful for their hard work and the percentage of shop profits that we receive, all of which goes directly to supporting the work we do.

COMMUNITY INVOLVEMENT

Gradually as things have begun to return to normal, we have started to open up more and more for our community groups. We began our own Baby Massage group this year, it is run over four sessions and we have had so much interest that it continues to be a rolling programme, in September we are launching a Baby & Toddler Group called 'Wiggles & Giggles' as well as a targeted ante/post-natal course for young or inexperienced mums, called 'Bumps to Babies', our netball teams, archery, ASRUS youth group, Torbay Youth Trust and basket ballers have also returned now that restrictions have been lifted.

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

FINANCIAL REVIEW

Having considered the fluctuating nature of our work and the fact that many of the organisations who pay for our services are themselves under considerable financial pressure, the YMCA aims to hold reserves amounting to approximately three months' average expenditure. This equates to a reserve of around £60,000.

Since the period end, we have been working hard to build on our programme to ensure greater profitability so that we can meet our costs and begin to build our reserves.

Trustees Report for the Year Ended 31 August 2021

The gross incoming resources for the period were £635,367 and the net outgoing resources expended were £536,612. This leaves a movement in funds of £98,755. Total funds at 31 August 2021 were £168,797.

The period has seen continued stability, we hope to build on this and with the opportunity of a new building, we know we can expand our current services to offer an improved service for the community we serve.

The Chief Executive is working hard at identifying other ways we can grow and achieve sustainability, looking at how we can best serve our local community for the future years to come. The strategy continues to include pursuing funding sources for new projects that meet our overall objectives and raising awareness of the work we currently do.

PLANS FOR THE FUTURE

We will continue to work hard to secure funds to build a new YMCA. We have long outgrown our existing building and the repairs needed to patch it up are becoming more difficult to achieve and a financial burden, causing us to redirect money that could otherwise be spent on providing services.

The coming year we continue to offer our core youth services — Fit for Life. The need for this type of provision within our community is growing each year, it is our intention to improve and develop so that we can continue to offer this service. We will also look to expand upon our offer of academically educational sessions, to assist with the transition back into mainstream school, for those that would be appropriate for.

The nursery will continue to offer high quality childcare for local families, and we will endeavour to publicise this more widely to attract larger numbers of children and will continue to grow on the successes already achieved.

Nightstop will launch before the end of the calendar year and will provide a much needed service in Torbay.

The plan for the coming year is to continue to offer the services we already do, with a view to widening our offer to support more families. We will also concentrate on seeking funding for our new build, which will allow us the opportunity to provide more modern facilities for the children and young people that attend our services, as well as the wider community.

Independent Examiner's Report to the Trustees of YMCA South Devon

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 August 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145 (5) (b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act: or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year Ended 31 August 2021

1. Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

YMCA South Devon meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees have reviewed the future prospects of the charity and produced cashflow projections up to 31 August 2022 which take into account proposed cost saving mechanisms introduced since 31 August 2020. On the basis of the projections, the trustees are confident that the company will continue to operate as a going concern for the foreseeable future.

Fund accounting policy

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Designated funds are unrestricted funds set aside at the discretion of the trustees for specific purposes.

Further details of each fund are disclosed in note 17.

Incoming resources

Voluntary income including donations and grants that provide core funding or are of a general nature is recognised where there is entitlement, receipt is probable, and the amount can be measured with sufficient reliability.

Shop income and income derived from events is recognised as earned (that is, as the related goods or services are provided).

Income from charitable activities includes income recognised as earned (as the related goods or services are provided) under contract.

Notes to the Financial Statements

Year Ended 31 August 2021

1. Accounting Policies (continued)

Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees on governance or constitutional matters.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Fixed assets

Individual fixed assets are capitalised and recorded at cost.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Long-term leasehold property

2% of cost

Property improvements

10% of cost

Camping equipment

33% straight line

Motor vehicles

25% reducing balance

Furniture and equipment

15% reducing balance

Operating leases

Rentals payable under operating leases are charged in the statement of financial activities on a straight-line basis over the lease term.

Notes to the Financial Statements

Year Ended 31 August 2021

1. Accounting Policies (continued)

Pensions

The charity participates in a defined contribution scheme. In accordance with SORP (FRS102) contributions to the scheme are charged to the Statement of Financial Activities as they fall due.

YMCA South Devon also participated in a multi-employer defined benefit pension plan for employees of YMCAs in England, Scotland and Wales, which was closed to new members and accruals on 30 April 2007. Due to insufficient information, the plan's actuary has advised that it is not possible to separately identify the assets and liabilities relating to YMCA South Devon.

As described in note 19 YMCA South Devon has a contractual obligation to make pension deficit payments of £17,052 pa over the period to April 2027, accordingly this is shown as a liability in notes 12 and 13 to these accounts. In addition, YMCA South Devon is required to contribute £4,036 pa to the operating expenses of the Pension Plan and these costs are charged to the Statement of Financial Activities as made.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, which are described above, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. There are no critical estimates or judgements that the Trustees have made in the process of applying the accounting policies.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

19. Pensions

Defined Contribution Scheme

During the year ended 31 August 2021, the charity made payments towards its defined contribution scheme.

YMCA Pension Plan

YMCA South Devon participated in a contributory pension plan providing defined benefits based on final pensionable pay for employees of YMCAs in England, Scotland and Wales. The assets of the YMCA Pension Plan are held separately from those of YMCA South Devon and at the year end these were invested in the Mercer Dynamic De-Risking Solution, 40% matching portfolio and 60% in the growth portfolio and Schroder (property units only).

The most recent completed three-year valuation was as at 1 May 2019. The assumptions used which have the most significant effect on the results of the valuation are those relating to the assumed rates of return on assets held before and after retirement of 3.75% and 2.25% respectively, the increase in pensions in payment of 3.35%, (for RPI capped at 5% p.a.), and the average life expectancy from normal retirement age (of 65) for a current male pensioner of 22.2 years, female 24.1 years, and 24.0 years for a male pensioner, female 26.0 years, retiring in 20 years' time. The result of the valuation showed that the actuarial value of the assets was £141.2m. This represented 81% of the benefits that had accrued to members.

The Pension Plan was closed to new members and future service accrual with effect from 30 April 2007. With the removal of the salary linkage for benefits all employed deferred members became deferred members as from 1 May 2011.

The valuation prepared as at 1 May 2019 showed that the YMCA Pension Plan had a deficit of £33.6 million. YMCA South Devon has been advised that it will need to make monthly contributions of £1,295 from 1 May 2020. This amount is based on the current actuarial assumptions (as outlined above) and may vary in the future as a result of actual performance of the Pension Plan. The current recovery period is 12 years commencing 1st May 2015.

	Within one year £	One to two years	Two to	After five years	After more than one year £	Total 2021 £	Total 2020 £
As at 31 August 2021	17,052	17,052	51,158	9,945	78,155	95,207	
As at 31 August 2020	16,475	16,475	65,901	26,084	108,460		124,935

In addition, YMCA South Devon may have over time liabilities in the event of the non-payment by other participating YMCAs of their share of the YMCA Pension Plan's deficit. It is not possible currently to quantify the potential amount that YMCA South Devon may be called upon to pay in the future.

During the year ended 31 August 2021, the charity made payments towards the deficit and administration costs of £25,419 (2020: £14,133).
