

Charity number 1193500

It has been a peculiar couple of years, and we had lost some membership due to the pandemic. We have started competitions and competing again. We recently held our Portsmouth tournament which was not as well attended as previous years but contributed to funds. The indoor archery at the tennis centre is picking up slowly, with attendance gradually increasing. We are getting new members from the recent beginner's course, the first for two years because of the pandemic. We will be holding additional courses through spring and summer next year. It is encouraging that a large percentage of attendees at the courses are becoming members of the club. We are continuing to gain members with a variety of disabilities.

We continue to work with Chorley Council to provide an improved facility at the Wigan Road field. We are optimistic that we will gain planning permission and that the pavilion and indoor range will be built in calendar year 2022. This will provide improved disabled access and increased ability for us to provide courses to more beginners.

With the pandemic hopefully subsiding, we are looking forward to coming back stronger than ever in 2022.

Geoff Tittensor - Chairman
