The pre-school is registered with Ofsted and meets all statutory and regulatory requirements for the provision of day care for under five year olds.

The Committee and Trustees are elected annually and is largely made up of parent/carers who use the services we provide. The trustees give their time voluntarily to support the pre-school.

Achievements and performance

Summary of the main achievements of the charity during the year

These last 2 years have been like no other and families, businesses, governments, the world, have all been changed and affected, not least our small community at St Joseph’s Pre-school.

Throughout, we have continued to provide care and education to under 5yr olds serving over fifty families in the local community during this time. We are proud to have continued with these services during the Pan-demic, adapting and changing rapidly with the momentum of the situation.

Our financial situation has ultimately been affected, and so cutbacks and belt tightening have been the order of the day. This has included not replacing some staff as they left and we were very sorry to lose some long serving staff at the start of the last academic year as they moved on to other things. Staffing numbers have remained consistent since then and we are happy to now be taking on two new staff. The staff have continued with various in house and external training. They are always keen and willing to continue doing these courses so that they can all keep up to date with the ever-increasing changes in childcare. We were able to use some of the lockdown time to increase online training opportunities (and to engage with families virtually too). They are all now ‘Zoom’ experts!

Sadly, we were unable to have volunteers for most of this year and parent involvement was also severely restricted, but we adapted to using Zoom and other creative ways to keep people involved. We have been so glad to welcome parents back into the setting again in recent weeks, though caution will always need to be observed.

We have continued to work on the ‘Bristol Standard’ over this time and place high importance on ongoing self-evaluation and reflective practice to ensure the pre-school is the best that it can be.

Our current committee have worked extra hard to try and support the Pre-school in these extremely testing times and staff have gone above and beyond in supporting the children and their families too.

This year the committee and staff have run several virtual events and activities to create social opportunities for our families and to raise funds for the pre-school. These included a Virtual Bingo Night, a Christmas Raffle, taking part in the Fishponds Sale Trail, a Mothers Day Cream Tea Delivery Service, visits from a Photographer, and a Sponsored Sunflower grow. We were also grateful for several monetary donations. So, this year we still managed to raise £1552.35 for

Achievements and performance

the pre-school which is higher than the previous year! These events were fun and well supported. New ideas and support with fundraising are always welcome as other running costs for the pre-school continue to soar. Our latest Crowdfunder Appeal is an attempt to recoup a small float that will stop us constantly going into the red and, whilst we know that a lot of this situation is also down to years of underfunding by the government, we have been humbled by the response to the appeal and feel so affirmed by the generosity and faith that our supporters have shown us. Thank you!

Financial review

Brief statement of the charity's policy on reserves

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- The charity's principal sources of funds (including any fundraising).
- How expenditure has supported the key objectives of the charity.
- Investment policy and objectives including any ethical investment policy adopted.

As previously stated, our financial stability has been severely affected in the last year despite some limited support from the government, as running costs are still rising and numbers were much lower as parents remained cautious through all the lockdown periods. We were already depending more and more on fund raising to try and replace some of our tired and worn-out equipment, but these efforts were also greatly restricted because of the Pandemic. As a not-for-profit run group who try to keep fees as low as possible, we really do look to parents and friends to support us. We did manage to secure a little grant money last year and were able to make some claims back from the Government furlough initiative and SSP reclaims but not enough to cover all our losses. We therefore also took the decision to take out a short-term loan of £10000 to cover the shortfalls we were experiencing each month end and have now started a Crowdfunding Appeal to bridge this gap. Our increase in numbers this year should help this situation too.
