**RANDS EDUCATIONAL FOUNDATION**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31ST DECEMBER 2021**

---

The trustees present their report with the financial statements of the charity for the year ended 31st December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and activities for the public benefit**

The Foundation's objects are to promote education (including social and physical training) of young persons under the age of 25 years who live in the Parishes of Holwell, Ickleford, and Stondon.

The Trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Foundation's aims and objectives, in planning future activities. The foundation furthers its charitable purposes for the public benefit through the grants provided.

The principal aims of the Foundation are to support young persons in full time education from the age of 16-25 and when sufficient funds are available to support local voluntary groups providing recreational and social activities.

An annual grant is awarded to the three primary schools and the pre school groups in the residential area.

The grants awarded to full time students are based on a recognised scheme administered by the Clerk. The level of grant is reviewed periodically with an annual review of the take up. Students have to provide documentary evidence of their attendance on the course and end of year reports in order for a grant to be renewed.

Voluntary organisations are encouraged to submit applications on an annual basis.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the foundation should undertake.

**Public benefit**

The trustees have complied with the duty in section 4 of the Charities Act 2011 and have regard to the public benefit guidance as issued by the Charity Commission as shown in the objectives above.

We have referred to the guidance on public benefit when reviewing our aims and objectives and in planning our future activities in particular, the Trustees consider how planned activities will contribute to the aims and objectives that they have set.

This public benefit statement forms the basis for all judgements regarding operational reports to the Board meetings, in order to be reassured that the facilities and services currently managed by the charity continue to meet these criteria. At these meeting, the Financial Controller also presents the quarterly financial position including taking account of any restricted funds and the Charity's status as a going concern.

**RANDS EDUCATIONAL FOUNDATION**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31ST DECEMBER 2021**

---

**ACHIEVEMENT AND PERFORMANCE**

**Achievements and performance**

During the year under review the Foundation provided grants to local institutions and individuals totalling £107,923 (2020: £105,793).

In addition to this it received rents from its investment properties, dividends from various quoted investments and interest from its cash funds held.

Rental income has increased slightly from £100,832 to £109,292, whilst rental costs have also increased from the previous year, from £29,435 to £30,126. Income from listed investments have increased from £60,364 to £66,281.

Overall the management of the investment portfolio performed in line with the market trend over the year.

**FUTURE PLANS**

The Foundation are continually reviewing the future requirement of funds in light of a growing population in the local area, continuous consideration is given to new housing developments in the area and the impact that may have on future grants. The Foundation will continue to carefully manage its investments and monitor its reserve requirements in the future to ensure that there is sufficient funds available for the Foundation to achieve its objectives.

The Local Plans for North Hertfordshire District Council and Central Bedfordshire Council has outlined a number of potential new houses to be built in the local area. The Foundation has taken a long term view and invested further funds in their investment portfolio. The resulting increase in investment income will be used to meet the anticipated increase in grant applications as a result of the increased local population.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The Foundation was established by the will of John Rand who died in 1706, but is now regulated by a charitable trust deed dated 8 August 1986, as amended 21st June 2021.

The Trustees meet three times a year with the annual meeting in May. All major policy decisions are taken by the Trustees.

**RANDS EDUCATIONAL FOUNDATION**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31ST DECEMBER 2021**

---

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 14 June 2022 and signed on its behalf by:

.....  
P J Hurworth - Trustee

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
RANDS EDUCATIONAL FOUNDATION**

---

**Independent examiner's report to the trustees of Rands Educational Foundation**

I report to the charity trustees on my examination of the accounts of Rands Educational Foundation (the Trust) for the year ended 31st December 2021.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes form part of these financial statements

**RANDS EDUCATIONAL FOUNDATION**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST DECEMBER 2021**

---

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain assets.

**Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Foundation's accounting policies, the governors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

**Incoming resources**

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably and it is probable that income will be received.

All income arising is from investment activities carried out in the United Kingdom.

**Resources expended**

Resources expended are included in the Statement of Financial Activities on an accruals basis.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

**Investment property**

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially measured at cost and subsequently measured using the fair value model and stated at its fair value at the reporting end date. The surplus or deficit on revaluation is recognised in net income/(expenditure) for the year.

**Taxation**

The charity is exempt from tax on its charitable activities.

**RANDS EDUCATIONAL FOUNDATION**

**NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31ST DECEMBER 2021**

---

**1. ACCOUNTING POLICIES - continued**

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Fixed asset investments**

Fixed asset investments comprise of listed investments and are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Transaction costs are expensed as incurred. Changes in fair value are recognised in other recognised gains and losses except to the extent that a gain reverses a loss previously recognised in net income/(expenditure), or a loss exceeds the accumulated gains recognised in equity; such gains and loss are recognised in net income/(expenditure) for the year.

**Financial instruments**

The Foundation has elected to apply the provisions of Section 11 'Basic Financial Instruments' and section 12 'Other Financial Instruments Issues' of FRS 102 to all its financial instruments.

Financial instruments are recognised when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets are offset, with the net amounts presented in the accounts when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Investment property comprises 12 properties situated in Hertfordshire and London. These properties have been revalued at tenanted market value as at 31 December 2018 by the Trustees having taken advice from Rumball Sedgwick Chartered Surveyors. Types of occupancy range from statutory tenants to assured shorthold tenancies and as with some charities, the word rent was not mentioned as the Trustees accepted a contribution towards the overall costs by the occupiers. The properties will be restricted under the Rands Educational Foundation scheme and prevailing legislation as to the user and sale rights. The above is therefore prepared on the understanding these properties are unlikely to be sold and does not take into account the benefit of alternative use, particularly that of residential development subject to any changes in planning use. Accordingly the Trustees consider that these values remain appropriate at the balance sheet date.
