DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2021

Objectives and Activities

The objective of the company is to operate as a catalyst for community transformation by facilitating improvements in the lives of individuals and community activity and cohesion. This will be achieved by identifying and understanding the needs and issues within the community and by applying the Oasis Ethos to everything. The Oasis Ethos is:

- A passion to include everyone
- A desire to treat everyone equally, respecting differences
- A commitment to healthy and open relationships
- A deep sense of hope that things can change and be transformed
- A sense of perseverance to keep going for the long haul

Activities will develop as the needs and issues are explored but are likely to include Family Support, Children's and Youth Work, Education and Healthcare Support.

Relationship of Oasis Community Hub: South Bristol to other Oasis companies

The Hub has three relationships with the wider Oasis group:

1. With the national group of Oasis organisations
2. With the Oasis Community Partnerships group
3. With the local Oasis Academies

These are described below as follows:

1. The national Oasis Group

The Oasis family of charities in the UK has been structured to enable the entire group to benefit from working together towards national objectives while at the same time being able to deliver maximum impact in local communities. The challenge of running a national charity is in ensuring the correct needs are being addressed in local communities, while the advantage is working collaboratively at a national level to minimise cost locally and benefitting from the value of interdependent working. This 'hybrid structure' has been developed to ensure that local ownership and oversight is achieved whilst leveraging economies of scale.

At a national level, Oasis Charitable Trust is responsible for all Oasis' activities in the UK and is the parent company for three national subsidiaries. These are:

1. Oasis Community Learning – a multi-academy chain running 52 academies across England
2. Oasis Community Partnerships – a charity delivering community development work
3. Oasis Community Housing – a housing charity supporting vulnerable adults and young people

2. The Oasis Community Partnerships Group

Within this group structure, Oasis Community Partnerships is responsible for all of Oasis' community development work in the UK. It is the national holding company for 19 local Oasis Community Hubs and one Trading Company, delivering integrated community development work in a number of targeted neighbourhoods across the country.

OASIS COMMUNITY HUB: SOUTH BRISTOL

(A company limited by guarantee)

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2021

Oasis Community Hub: South Bristol is a local subsidiary of Oasis Community Partnerships, which, in the same way as the group structure, is also a hybrid model. This enables sharing of resources, best practice and central support functions while Oasis Community Hub: South Bristol operates locally in order to respond appropriately to the needs of the local area. As a result, Oasis Community Hub: South Bristol benefits from higher quality and cheaper infrastructure than it would be able to access as entirely standalone organisation.

3. Oasis Community Hub: South Bristol and its partnership with Oasis Academies

Oasis Community Hub: South Bristol is governed by a local board of trustees, who are accountable for the financial management of the hub, overseeing the development of projects to meet local needs and ensuring that those projects benefit from any funds raised. As explained above, Oasis Community Hub: South Bristol is a subsidiary of Oasis Community Partnerships, which, in turn, is a subsidiary of Oasis Charitable Trust.

Achievements and Performance 2020/21

Oasis Community Hub: South Bristol is primarily focused in the Knowle West, Filwood, Brislington and Hengrove areas of South Bristol. The work of the hub incorporates the five Oasis Academies in the area, as well as the variety of projects and services we are developing as part of the South Bristol Hub charity. For the past 4 years, the charity has been relatively dormant due to staffing challenges. In September 2020 we began to reinvigorate the charity to respond to local needs, particularly due to the challenges presented as a result of Covid-19.

With support from our local Oasis Academies and national Oasis staff, we applied for and were successful with funding to support our community in three key areas: food poverty, family support and youth and children's work.

During this year, our work has focused around the community of Knowle West as this is one of the most deprived areas in the whole of Bristol and the area with the most need. Despite the challenges that the national lockdowns and restrictions presented in terms of face-face work, we were able to develop an approach to support our children and families at this crucial time.

Highlights

Food Poverty

Food Poverty is a major issue in the Knowle West community. This has been exacerbated by the pandemic and the loss of income and support for many families. As a result, food support has become our top priority and consists of 3 elements:

Emergency support – we work with fareshare and our oasis academies to identify and provide emergency food to families in crisis. This year we have provided emergency food support to over 200 families. We also run a weekly, no questions asked food pantry, where families are able to access free food provided by Fareshare on a take what you need basis and over 20 families access this each week. During the summer holidays we also provided 150 frozen meals each week to children eligible for free school meals.

Sustainable food provision – In October, we opened a Food Club in partnership with Family Action. The Club now has 48 families access it each week, paying £3.50 for £15 worth of tasty, healthy fresh food and vegetables.

Food education – as a hub, we are passionate about ensuring our children and families receive a quality food education. We have partnered with the Square Food Foundation to run weekly cooking lessons for students of Oasis Academy Connaught. This year we also started our Cooking with Connaught parent cookery groups, takeaway Fridays – where parents have been batch cooking healthy take away meals which we then sell on Fridays after school.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2021

Family Support

With £15,000 of funding through Bristol City Council's Emergency Covid Support Grants, we were able to support local families by providing one off emergency grants. Families were referred through our academies and provided with grants to purchase items such as beds, mattresses, bedding, gas and electricity, clothing, white goods such as washing machines and food. These grants were a lifeline to these families, many of whom were at crisis point.

Youth and Children's Work

For many children and families in the area, school holidays are a stressful time. Families don't have the money for activities and providing lunch can be challenge. Free and accessible holiday activities has therefore become a top priority for us. This year, we were successful in applying for funding through the Holiday Activities and Food Programme with Bristol City Council for the Easter and Summer holidays. During the Easter holidays we were able to ensure every year group at Oasis Academy Connaught had the opportunity to take part in one activity during the holiday with a total of 160 places available. Activities ranged from water sports to forest school to arts and crafts and sports. During the Summer holidays we ran 5 days a week of activities for 6 weeks with a total of 620 places for primary aged children. Activities included trips to a local adventure park and wildlife park, water sports, arts and craft, sports and cooking.

Financial review

These accounts represent the activity for the year ended 31 August 2021. The total incoming resources during the period ended 31st August 2021 amounted to £34,256 (2020: £nil). Expenditure amounted to £27,366 (2020: £nil). The overall result is a surplus of £6,890 (2020: £nil).

Going concern

The Directors have considered the risks to the Hub, including the impact of Covid-19, and these include the ability for the Hub to carry out its activities. The Directors have confirmed that the major sources of grant funding are committed. and the delivery of the activities can be adjusted to ensure that guidelines around social distancing can still be applied. Furthermore, the Directors are confident that costs will only be incurred to the extent that funding is secured. The Directors are confident that the Hub has adequate resources to continue operating for the foreseeable future and, for this reason, the Trustees continue to adopt the going concern basis in preparing the accounts.

Plans for the future

Our ambition for 2021-22 is to build on the success of 2020-21. Our priorities for the upcoming year remain the same – Food Poverty, Family Support and Youth and Children's Work, we simply wish to sustain and embed the support currently provided in Knowle West whilst expanding our work into another of our local areas – Brislington.

We work closely with Oasis Academy Connaught and are developing the Community Hub Space here to provide a "Community Kitchen" from which we will run all our food education and food programmes for Knowle West. This space should be ready for September 2021. We also hope to develop the remaining space in the hub building to maximum the potential use.

At Oasis Academy Brislington, the Academy have seed funded a Community Project Worker to work as part of the hub to develop our youth and community work in Brislington. We aim to develop a community space within the academy and start to develop food and family support programmes to holistically support the children and families at the academy. It is the intention of the Directors that in due course Oasis Community Hub: South Bristol will establish and retain sufficient funds to cover the running costs for 3 months.

- select suitable accounting policies and then apply them consistently;

EXAMINER'S REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

I report on the accounts of the charity for the year ended 31 August 2021.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which give me reasonable cause to believe that in any material respect the requirements:
 - a. to keep accounting records in accordance with section 130 of the 2011 Act; and
 - b. to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
