The Friends of IHMP (UK) - CIO 1192491

The Charity was incorporated on 23rd November 2020 during Covid lockdown. Our first full year (2021) had minimal fund raising activity due to the ongoing Covid pandemic.

We benefited from significant income from Lloyds Bank due to compensation payments and one donation from the public.

We were only approached for one small grant in 2021.

We are positive about the future and hope that 2022 will allow us (pandemic willing) more opportunities to raise money for the work of the IHMP in Pachod.
