Annual Report of the Trustees For the Year Ended 31st August 2021

Creech St Michael Pre-School is an unincorporated Charity registered with the charity commission in England and Wales, number 900518.

The Charity is governed by its PLA P-S constitution dated 15th July 1999.

The Trustees of the Charity as listed on page 1 are appointed by the Committee at the AGM.

Aims and Objectives

The aims of the association shall be to advance the education of children below compulsory school age by (A) Providing safe and satisfying group play, in which parents have the right to take part (B) Encouraging other charitable activities through which parents may help the children (C) Furthering the aims of the pre-school playgroups association.

The objectives of the Charity are to provide education and development of the pre-school through play and learning, and to prepare them for school. The pre-school accepts childcare vouchers operated by employers in addition to the Nursery Education Funding, both of which allow inclusion for children from low income families.

The Charity operates using standard committee procedures with the financial side being undertaken by an independent officer.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities.

Methods used to Appoint Trustees

The Trustees initially volunteer and are then nominated and seconded by the committee at an AGM/SGM/EGM. An eligibility declaration form is then completed and then the DBS/Ofsted registration process begins.

Reserves Policy

- A minimum of £10,000 should be retained to cover day to day expenditure for a period for 3 months.
- A minimum of £5,000 should be specifically retained for if the building were to become unavailable.
- A minimum of £15,000 should be retained to cover future staff costs.

As at 31 August 2021 the charities unrestricted reserves stood at £98,529 (2020: £106,519) of this £13,860 (2020: £15,503) is held as fixed assets leaving £84,669 (2020: £91,016) of free reserves. This exceeds the targeted minimum level of reserves of £30,000

Annual Report of the Trustees (continued) For the Year Ended 31st August 2021

I would like to extend a warm welcome to you all and thank you for taking the time to 'log-on' to attend our AGM. This has been a tough 18 months with Covid 19, lockdowns and general disruption to all our lives. Due to this we have had limited face to face meetings and fundraising events. I have stepped in as chair due to Liz stepping down in the summer.

Hopefully moving forward, we will have more opportunity to run our programme of fundraising events.

We hope we have continued to develop the pre-school in being an attractive prospect for families looking for a pre-school placement, whilst making the working lives of the staff as stress-free as possible. As a committee we recognise that none of the achievements of the pre-school would be possible without the professionalism and dedication of the staff.

I want to end by acknowledging the hard work put in by our Committee members I also want to formally thank the wider community, our families and friends and hope that we can ask for your continued support to build on our success.

Annual Report of the Trustees (continued) For the Year Ended 31st August 2021

Statement of trustee's responsibilities.

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102; The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice)

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods of principles in the Charities SORP;
- Make judgments and accounting estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper account records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provision for the constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the Trustees of Creech St Michael Community Pre-School For the Year Ended 31st August 2021

I report on the accounts of Creech St Michael Community Pre-School for the year ended 31 August 2021 which are set out on pages 6 - 13.

Responsibilities and basis of report.

As the charity trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act")

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5)(b) of the Act.

Independent examiners' statement.

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect.

- (1) Accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) The accounts do not accord with those records; or
- (3) The accounts do not comply with the applicable requirements concerning the form and contents of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give "true and fair view" which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting Policies

a) Basis of Accounting

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value. The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) – (Charities SORP (FRS102)) Update Bulletin 1 issued February 2016, Update Bulletin 2 issued October 2018, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The Charity constitutes a public entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Income Recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measure reliably.

c) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to the expenditure, it is probably that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accrual's basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

d) Expenditure on Charitable Activities

Charitable activities comprise all costs directly incurred in undertaking activities to fulfil the Charity's objects. The cost of charitable activities consists of Pre-School running costs, support costs and governance costs. This includes all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination.

e) <u>Taxation</u>

As a registered charity, the organisation is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only.

f) <u>Irrecoverable VAT</u>

Irrecoverable VAT is charged against the expenditure heading to which it was incurred

g) Fund Accounting

Funds are classified according to the manner in which they are allowed to be present. The unrestricted general fund represents the accumulation of the Charity's income and expenditure that has not been earmarked for specific projects and is not considered by the Trustees to be for a restricted purpose. To the extent that the fund is represented by readily realisable assets it provides a means of financing the day-to-day operations.

g) Fund Accounting (continued)

Restricted funds have been provided to the charity for particular purposes, and it is the policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

h) Tangible Fixed Assets

Tangible fixed assets include the pre-school hall and fixtures and fittings.

Individual fixed assets costing £1,000 or more are capitalised at cost.

Land and building are considered to have a high residual value that is equal to the book value of the asset because the residual value of the properties is maintained by the ongoing maintenance of the property. Accordingly, no depreciation is charged.

Works which do not result in enhancement of economic benefits of a property are charged to the Income and Expenditure Account.

Plant and machinery are stated at historical cost less depreciation so as to write off the cost of tan asset over the useful economic life of that asset as follows:-

Plant and machinery – by equal instalments over 10 years.

The useful economic lives and residual values of all tangible fixed assets are reviewed annually.

i) Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, deposits and other short-term highly liquid investments that are readily convertible to know amounts of cash with insignificant risk of change in value.

j) Financial Instruments

The charity only has financial assets and liabilities that qualify as basic financial instruments. Basic financial instruments are initially recognised as transaction value and subsequently measured at amortised cost.

k) Critical Accounting Judgements and Estimation Uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and adjusted for current market conditions or other factors. The Trustees make estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom be exactly the same as related actual results. The estimates, assumptions and management judgements that carry a significant risk of material adjustments to the carrying amounts of assets and liabilities within the next financial year are outlined below.

l) Residual values of land and buildings

Land and buildings are not depreciated on the basis that their residual value is at least equal to their carrying value on the basis of the continual maintenance of these properties. The significant assumptions applied in determining the residual values of our buildings are mainly due to (i) whether it will continue to be necessary to maintain the properties to a certain standard (ii) the market value of the properties.

2 Trustees Remuneration and Expenses

No remuneration, other benefits or expenses have been paid to any of the trustees during the year (2020 - £nil).
