2. Welcome

Thomas Coops welcomed everyone and thanked them for attending. He noted that the AGM was the first time it had been possible to have an event of any kind at the school for almost 19 months.

He then thanked the trustees for their fabulous support over the past few years as well as all those who had run or supported events and/or acted as class reps and the wider committee members especially Sophie Sundberg.

3. Minutes of last AGM and matters outstanding

The minutes from the last year were tabled at the meeting and approved.

4. Chair's report

Amelia Hill presented the Chair's report.

Despite the challenges of the past year, the FWA raised almost £35,000 (which may increase to £40,000 if a final tranche of match-funding is received). This is money that goes directly to benefit the children at Wren Academy. It was noted that PTAs typically raise, on average, £5,000 a year. It was therefore incredible that FWA raised between £35,000 and £40,000 in the circumstances. She thanked everyone for making this possible.

This money has enabled the FWA to pay for a new school minibus, an outdoor gym, free choir for all children, new laptops, library books, an allotment and workshops for STEM, well-being and literacy.

She then outlined the various ways the FWA had been able to raise money over the last year which included: an online Christmas Fair, the setting up of an online Shop at Wren, encouraging families to bring in things to recycle, publishing a recipe book, replacing bake sales with Frozen Fridays (children were able to purchase pre-packed ice lollies) and launching a sunflower competition.

The FWA also focused on its sponsorship arrangements with Martyn Gerrard and increasing parent participation which included setting up a direct donation scheme to FWA's "Not a Summer Fair" campaign.

Given the increase in online shopping, people were also encouraged to register with Easyfundraising and Amazon Smile, and to nominate FWA as their charity.

It was noted that there had also been some key donations from individuals during the year.

She emphasised how important match-funding had been for FWA. She encouraged everyone to speak to their employers about it.

Finally, she gave a special thanks to Sophie Sundberg for everything she has done and continues to do for the FWA.

5. Treasurer's report

Charles Cai presented the Treasurer's report.

He summarised how different initiatives and events had generated income for the FWA over the last year including:

- (i) the online Christmas Fair raised £3,400 (normally the Christmas Fair raises around £8,000);
- (ii) match-funding generated £5,500;
- (iii) people donating directly to FWA via Justgiving totalled £6,000;
- (iv) the FWA cookbook raised £2,500; and
- (v) a number of individuals made donations totalling £4,800.

6. Introduction – Paul Kirkham

Paul outlined his vision for the FWA in supporting Wren Academy to make it even better by tapping into the additional help and resources available. He noted that given the size of the school (primary, secondary and sixth form) it should be possible for the FWA to raise even more money for our children.

He highlighted that he would like to see more representation and participation from the secondary phase in the FWA. This is something he intends to work on once he is elected.

He also noted that the role of the FWA is not just about raising money it is about building a community not only within the school but within Finchley i.e. with local residents, business partners etc. so that Wren Academy is at the heart of the Finchley community.

7. Election of Committee Members

The following Trustees served for the duration of this report:

Amelia Hill - Co-Chair

Thomas Coops - Co-Chair

Agnes Roszyk-Eisenberg - Vice Chair

Charles Cai – Secretary and latterly the Treasurer.

Amelia Hill, Thomas Coops and Agnes Roszyk-Eisenberg stood down with immediate effect from the end of the meeting. They were thanked for everything they had done for the FWA and in particular for raising the most money despite the challenging conditions.
