ST ANDREWS PRE-SCHOOL TRUSTEES' ANNUAL REPORT

The Trustees present their annual report and unaudited financial statements for the year ended 31 August 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, and the Statement of Recommended Practice, "Accounting and Reporting by Charities" issued in July 2014.

Structure, governance and management

St Andrews Pre-School is an unincorporated charity committee run pre-school. The charity was originally set up in 1975 and adopted The Pre-School Learning Alliance Model Constitution 2011 at the Extraordinary General Meeting in April 2017.

The daily responsibilities of the Pre-School are overseen by the Pre-School Leader, Mrs G Mowatt with guidance from the members of the Management Committee. The Management Committee, made up of Trustees, meet approximately Bi-monthly to address any matters relating to the management of the Pre-School.

Objectives and activities

The charity's objectivess are to enhance the development and education of children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups and by:

offering appropriate play, education and care facilities, family learning and extended hours groups, together with the right of parents to take responsibility for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children whatever their race, culture, religion, means or ability;

encouraging the study of the needs of such children and their families and promoting public interest in and recognition of such needs in the local areas;

instigating and adhering to and furthering the aims and objects of the pre-school learning alliance As required by section 17(5) of the Charities Act 2011 the Trustees have considered the guidance published by the Charity Commission in respect of public benefit. They believe that the Charity's objective, as set out above, falls within the definitions of charitable purposes in the Act and that the activities as set out above contribute to meeting that objective.

Achievements and financial performance

The Pre-School has continued to thrive and be a valuable asset to the local community. Thanks to the dedicated Manager and staff who ensure that the pre-school runs as effectively as possible. Thanks also to the Committee Members, parents and volunteers for giving up their time freely, organising fundraising events and supporting Pre-school activities.

Income:

Overall income rose slightly in the year. Fees were maintained at the expected level, income from other activities increased slightly as restrictions lifted.

Expenditure:

Employment costs increased by 9% on the previous year (5.7% on 2019) due to wage increases and hours increased from the previous year where The Pre-School was closed for a period due to Covid-19, other expenditure increased modestly. The Pre-School is mindful of any further wage increases to ensure staff retention and keeping the services viable. Furthermore, any items and services purchased are sourced as reasonably priced as possible, whilst bearing in mind their durability.

The Pre-School continues to work closely with the Local Authorities and supports families and children with a wide range of needs. In line with Ofsted regulations, staff have accessed online training, keeping

ST ANDREWS PRE-SCHOOL TRUSTEES' ANNUAL REPORT

abreast of changes in legislation, practices and new safeguarding measures. Training has also been undertaken to ensure renewal of certificates held, maintaining the rolling programme of staff qualifications.

Due to the increases in costs, there was a decline in the surplus generated by The Pre-School which for the year totals £5,966 (2020 - £11,506). The cash funds generated have been retained with cash funds at the year end.

Reserves Policy

The finances of The Pre-School are reliant on voluntary fundraising and the number of children enrolled in each year. However, The Pre-School has no contractual commitments or obligations beyond the notice period applicable to the staff. Therefore, it is the policy of the Pre-school to maintain unrestricted funds, which are the free reserves of The Pre-School, at a minimum level equal to three months' employment costs. This equates to approximately £30,000. Unrestricted funds were maintained at this level throughout the year.

Statement of Trustees' responsibilities

Charity law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and the incoming resources and application of resources, including the income and expenditure of the charitable company for that year.

In preparing those financial statements, the Trustees are required to:

select suitable accounting policies and then apply them consistently to observe the methods and principles in the Charities SORP (FRS 102);

make judgements and estimates that are reasonable and prudent;

state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 1993, as amended by the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 27 June 2022 signed on their behalf by:

Samantha Mowatt Trustee

Independent examiner's report on the accounts

Section A

Set out on pages

Independent Examiner's Report

Report to the trustees/ members of St Andrews Pre-School (Bridport, Dorset)

31 August 2021

On accounts for the year

Charity no 1022398

ended

1 to 10 (including this page)

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- · examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 41 of the 1993 Act;
 and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act have not been me.
