Summary of the purposes of the charity as set out in its governing document

Para 1.17

To act as a resource for disadvantaged young people living in Nottinghamshire by providing advice and assistance and organising programs of education, entrepreneurial, practical skills and other activities as a means of:

- (a) advancing in life and helping young people by developing their skills, capacities, and capabilities to enable them to participate in society as independent, mature, and responsible individuals; and
- (b) advancing education; and
- (c) relieving unemployment; and
- (d) promote their strengths, abilities.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.

Para 1.17 and 1.19

The charity has several programs that aim to support young people in different ways which I will give a brief overview below.

- (a) Youth Enterprise Challenge, gives young people a flavour of what it's like to be an entrepreneur. It gives them a chance to think of a new business idea and make it happen, using real money to take calculated risks in the business field, make a profit – and make a difference.
- (b) Employ-ability program is continuously being developed to proactively engage with young people in order to help them to identify and develop the skills needed for the world of work.
- (c) YEEA Youth Awards is about rewarding a young person who has demonstrated outstanding ability/skill in their community.
- (d) Coat for Children campaign stated in mid-December of 2021 is providing vulnerable children a free warm coat over the winter period, this annual campaign comes as hundreds of vulnerable children across the UK are left out in the cold this winter.
- (e) Research as a charity, we pay attention to issues and concerns young people and their future employer have, in order to provide the best possible support for them. Our research and evaluations deliver insights into the dreams, hopes and aspirations of young people, as well as the barriers they face to succeed this in turn helps us to continually update and develop our programs.

Achievements and Performance

Para 1.20:

The charity has and will continues developing its programs to have a number of cross over with Personal, Social, Health and Economic 'PSHE' Education which is part of school curriculum subject in England and focuses on developing the knowledge, skills and attributes to keep children and young people healthy and safe and to prepare them for life and work.

In turn the charity has also in this period been pay attention to issues and concerns young people and their future employer have by carry out research and doing survey to provide the best possible support for young people.

To date the charity has support just over three hundred young people most of which have been from around Nottingham City and Newark & Sherwood area were aged between 8 – 18. We help them with; recognize and developing abilities, to writing of cover letter/cv, and provide some of them with interview opportunity. As a result, these young people have all been able to participate in society as more mature and responsible individuals; however, it goes without say current public health crisis (Covid-19) we are all facing at moment has had an impacted.

Financial Review

Review of the charity's financial position at the end of the period
Para 1.21

The charity is in sustainable at this level indefinitely and how at the moment it does not have any reserves. Statement explaining the policy for holding reserves stating why they are held
Para 1.22

The reserves that we set aside provide financial stability in the event of a drop in income and the means for the development of our principal activities such as allowing the charity to take advantage of new opportunities. We intend to maintain our reserves at a level which is at least equivalent to one thousand pounds to be used in the following manner:

- a. Cover core costs
- b. Replacement of key equipment required to carry out our activities
- c. Advantage of new opportunities

The Charity does not hold any reserves at moment due to it been used to cover an annual utility bill which was not cover by standard fundraising because the costs of the pandemic linger.

The Board regularly reviews the amount of reserves that are required to ensure that they are adequate to fulfil our continuing obligations.
